Big Indian/ Oliverea Fire Co. – Lot Line Adjustment

Chuck Perez, represents the firehouse for this project. Last meeting the maps presented to the Board didn't include the line to be deleted. Mr. Perez provided the Board with the new maps that now includes the necessary changes. The fire co. currently owns three properties in Pine Hill and they'd like to eliminate the boundaries to make it all one parcel. They've received a Grant to expand, contingent on this lot line adjustment being approved. During Hurricane Irene, it served as a local command post for the National Guard. The project's still in the very beginning stages but they'd eventually like to add an area strictly for the engines, and make the current firehouse into a kitchen/common area. Also need to become compliant with OSHA standards, American with Disabilities standards, the Red Cross would be able to use it during emergencies, add shower facilities, make it handicap accessible, and ultimately use it for the community. Board went over the map thoroughly along with Mr. Perez, and after review, a motion was made by Board Member Jordan, seconded by Board Member Christie, to accept the application as submitted, being all three are combined to make 12.7-2-32 one large parcel. The smallest of the properties indicated as SBL# 12.7-2-35, is land hooked, and some members don't believe the tax map department will accept it combining with the other two lots. If they decide to keep it with its own tax map identification, the Board will accept and approve that also.

Roll Call Vote:

Don Brewer, Chair	Yes
Kathy Jordan, V. Chair	Yes
Art Christie	Yes
John Horn	Yes
Joanne Kalb	Yes
Allen Shiner	Absent
Cliff Rabuffo	Yes

Roll Call Summary: 6 Yes, 1 Absent

Air B&B Rules & Regulations

Board Member Shiner submitted rules & regulations being implemented in many towns for our Town lawyer to review. Since the State is now in litigation over Air B&B rules, the Board thought it best to hold off until the matter is resolved and move forward from there. The Board can only make our laws more restrictive.

New Business:

Request for interpretation from ZBA

The Planning Board was asked by the judge overseeing the Belleayre Project's case, to request an interpretation of a "lodge development" from the ZBA. The Planning Board's attorney wasn't available until November to go over the documents and be present at the meeting for the request. Motion was made by Board Member Shiner, seconded by Board Member Kalb, to hold a Special Meeting on Monday November 14, 2016 at 7PM at the Town Hall to submit their request to the ZBA before their monthly meeting on November 16th. All in favor.

Adjournment:

There being no further business before the Board, a motion was made for adjournment by Board Member Horn, seconded by Board Member Jordan. All in favor. The Town of Shandaken Planning Board meeting adjourned at approximately 7:20PM.
