Two were regarding serious winter storms and one recently for flood and high wind warning. We were able to send our message to land line phones, cell phone call or text, and email - and we reached over 700 people in 30 seconds. It's an awesome system.. and you should take advantage of it. Go to [www.shandaken.us/alerts](http://www.shandaken.us/alerts) If you don't go online, call my office at 688-5004 and I can sign you up.

## Upcoming Town Board Topics & Activity

### MONTH OF OCTOBER 2017

**2018 PRELIMINARY BUDGET:** Tonight we have a Public Hearing on the 2018 Preliminary Budget. We will again have to exceed the State imposed Tax Cap mostly due to increases in employees' salaries and Healthcare and Retirement projections. In a meeting in Mid-October the Town Board adopted Local Law #1 of 2017 allowing us to exceed the Tax Cap.

In regards to the **General Budget** as I have said, some of the increases come from increases in salaries reflecting the increases in the minimum wage (which as of January 1 goes up another 70 cents per hour to \$10.40). The minimum wage is due to increase at this increment each year until 2022 or when the entire state meets the \$15 minimum wage.

In consideration of this and out of respect for those who have put in the time and worked up to their current rates, I'm raising all employees approximately 40-50 cents per hour. Additionally, this coming year we will have 27 payroll periods to pay out, outside of the regular 26. So we have an additional two week pay period to pay out. This reads as a roughly 7-8% increase in most salary lines. There are some exceptions where other adjustments are made.

I am adding a day for one of my office Bookkeepers to go to four days a week so her line reflects that. Currently she works 3 days for me, and 1 day for the Water Districts. We're also adding a \$5,000 line to hire a Part-time Zoning Officer who would work 1 day a week in that capacity and allow Warren more time for inspections. I have increased a few elected officials roughly 1% (Justices, Supervisor, Town Clerk and Assessor Chair) but minimally (\$500-\$1,000).

By far the biggest increases come from Retirement and Healthcare as our accountant and consultant are predicting a 10% increase in Retirement, a \$15,000 increase and near 15% in Healthcare which amounts to a \$40,000 increase. The Health premiums are going up 10% but the current program we are on is no longer available and the nearest comparable program increases the deductibles by \$200-\$400 per employee. The deductible is wholly paid by the Town not the employee. The General Tax increase for 2018 is projected at 6.71%.

On the **Highway Budget** we again are playing a game of cat and mouse with anticipated FEMA and other monies. Last year we were in anticipation of engineering monies paid out for proposed bridge work. This year the actual bridges were repaired or replaced and paid for. These are a larger bills to be reimbursed and as a precautionary move we are reducing use of the fund balance by \$100,000. Which then falls direct to the taxes. Additionally, as Eric was informed by the State. The State is revamping its repayment under the CHIPS program that reimburses us for paving of Town Roads. We may not receive that payment until after the first of the year. The Highway has plenty of money to run through the year and plenty in fund balance, but we're just being cautious these numbers which may change next month. At this time the Highway Budget is showing a tax increase of 10.8%.

Supervisor Report October 2017

Franchise Fee	17,231.31
Police Fees	55.00
Ambulance Fees	19,865.43
Town Clerk	3,250.99
Cell Tower	252.87
Justice Fees	9,675.00
Building Permit Fees /Zoning	3,145.00

Pine Hill Water Rents	4,000.00
Phoenicia Water Rents	10,000.00
Phoenicia Water Postage Reimbursement	95.88
Highway (Interest)	6.11
Insurance reimbursement	137.52
Scrap Metal	312.00
Smart Growth	13,189.20
NY Rising CDBG	17,294.28
Total	\$ 98,594.59

**Phoenicia Water District** billing has had a better than expected return, possibly due to increased visitorship to the hamlet. With this increased revenue we are reducing the property tax by a little over 2%. This along with reduction of the use of fund balance.

**Pine Hill Water District** will remain the same at this time, while Don Clark continues to review his budget needs. We may have to consider a rate increase on usage as, contrary to Phoenicia, Pine Hill residents are conserving a lot more water than anticipated. Probably due to more homes being purchased and long standing leaks being repaired.

The **Fire Districts** are each requesting an increase: 1.07% for Phoenicia; 1.49% for Big Indian-Oliveria; and 2% for Pine Hill Highmount. **Lighting Districts** will remain unchanged.

**\*\*\*OVERALL – General** – The General Budget spending is up 5.24 %, meaning the proposed spending is up almost \$132,000 more than this year (from \$2,513,888 to \$2,645,733) which creates a 6.71% increase on the General Tax levy. **Highway** – The spending is up 2.75% meaning the proposed spending is up \$166,000 more than this year (from \$2,241,225 to \$2,302,900) combined with a \$105,000 decrease in non-taxable revenues is what creates a Highway tax levy increase of 10.8%. **Overall** – In October we held a Special meeting where the Town Board voted to exceed the Tax Cap for the 2018 Fiscal Year. The cumulative tax increase, including the Special Districts, is roughly 7.4% which in turn translates to an increase of \$74.00 in Town taxes if you paid \$1000 in Town taxes last year, which of course is barring any change in your assessment.

**MEDICAL ARTS BUILDING:** We are currently in negotiations with a newly forming medical group who are interested in leasing the Town-owned building on Ava Maria Drive in Phoenicia in order to again provide health services. We hope to have something next month to present and finalize a lease. In the interim, there are several building repairs that are necessary. Last year we had awarded a bid to repair the Basement entry on the building, that contractor, due to personnel matters, was unable to perform the work. In the meantime the Handicap Ramp has fallen into a state of disrepair. We then reached out to the other bidders, who declined the work this spring and summer. After several requests for bids from other contractors we have one who is willing to complete both jobs and feels confident he can have it completed before the new tenants take residency. Spearance Enterprises from West Saugerties will perform the work for a fee of \$7,580 to be paid from the Good Neighbor Fund as was cited in the approved resolution last year.

**MISC.:** We have a resolution to allow another property owner to move into the NYC Funded Flood Buy Out Program. The Home is located in the Floodway at the beginning of Fox Hollow Road in Shandaken. Two neighboring properties have already been bought out through FEMA and are currently held in possession of the NYC DEP. If the owner wishes to pursue the Buyout, we are requesting the NYC DEP also take possession of this parcel at closing.

There is proposal for a logging permit along Gooding Rd in Highmount. The permit requires we hold a public hearing which will be held prior to next month's regular Town Board meeting.

Past Assessor and current member of the Assessment Board of Review, Erich Griesser has resigned his position. With more than 20 years' experience in Assessment activities Mr. Griesser has served our community well and we wish him the best in his upcoming endeavors.

The Town Highway Department is due to renew a Shared Service agreement with Ulster County Dept. of Public Works, where the Town provides snow plowing and winter maintenance on specific county-owned roads. We currently provide this along Galli-Curci Rd (County 49A) in Highmount and Main St. in Phoenicia. In exchange the County compensates the Town annually.

Chief Storey and the Board of Police Commissioners have made a recommendation to hire a new Part-Time Officer to work his way through the Police Academy. We welcome Officer Daniel Odendahl to the ranks. While he is still in the Academy he will only be compensated at minimum wage.

---

**PERSONNEL:** Last week at the close of business on Friday my Secretary/Bookkeeper, Carol Herdman, unexpectedly resigned her position with the Town after starting here earlier this year. Carol simply wanted more time to enjoy her retirement and time with her family. We enjoyed having Carol in the office and we wish good luck.

With the timing of this I will putting in for a Motion to move Lynn Stewart, the Part-Time Confidential Bookkeeper to Full-Time. Lynn has proven herself to an asset in the office and has great command of the accounting demands required for the position. We will advertise and interview for a new Part-Time Confidential Secretary, Pine Hill and Phoenicia Water Districts Billing Clerk, and Phoenicia Water District Bookkeeper. I hope we can appoint someone to these posts by next month.

**Our next regular meeting is scheduled for**  
**Monday, December 4, 2017 at 7 pm.**

MUTUAL AID GIVEN-0

MUTUAL AID RECEIVED-0

Good evening Supervisor Stanley, members of the board, and town residents.

I would like to start this month’s report by saying a job well done by the staff of the ambulance who had some trying calls in the month of October. As we come into the start of what I hope is a good winter season I would like to remind everyone if they have not so already to test and change the battery in your smoke detectors. For those that are going to fry ther& thanksgiving turkey I would like to remind everyone not to fry the bird in the house and to make sure that it is fully thawed before putting it in the oil. For those that have not tried to do it in the past or for those that have not done it since last year I recommend You tubing on how to do the job the safe way. As always, I hope everyone has a safe and happy month and holiday and if you drink don’t drive get home safe and in one piece.
