Happy New Year everybody and welcome the new 2022 town board.

To begin, I thank Faye Storms and Pete Di Modica for their many years of dedicated service to Shandaken, as well as Rob Stanley.

As you see, Kevin Van Blarcum has been appointed for one year, to fill a vacancy, left by my remaining 2 years council term.
We welcome him to the board and value his experience and dedication.

And because flooding is upper most concern to the town, we are appointing Rob Stanley as certified flood manager and community rating system coordinator until others complete their certification. I am also looking into becoming a Firewise community as wildfires are also a major concern. I urge all that are able to join your local fire company.

For the next hour or so, we will be appointing new members and re-appointing others to boards and hiring others to positions that keep the town in good working order. We are still looking to hire a clerk for the Assessors office and a part-time Building Inspector.

Over the next few months, we will be crafting and implementing a Short Term Rental law.

And it is our desire to form a Conservation Advisory Council that will help us navigate and map the town's environmental resources and climate challenges, form a community electric cooperative, charging stations and the like. Anyone interested in volunteering please contact my office.

We look forward to a busy and productive year.
Peter DiSclafani

December 2021 Report

TOTAL CALLS RECEIVED - 47

MUTUAL AID GIVEN – 2 (Town of Olive)

MUTUAL AID RECEIVED – 1 (Multiple calls in the District)

The year 2021 exited not so gracefully as we had one of our busiest months on record for the Town of Shandaken Ambulance. As it has been a relatively snow-less winter, our calls to Belleayre only totaled 6, while it usually commands far more responses post December 1st. One thing is for certain- call for service volume is increasing.

As we usher in the New Year one issue that we intend to closely focus upon is modification to/ or construction of an Ambulance Department building. The Town's receipt of American Rescue Plan Act (ARPA) funds, as well as the existing good neighbor fund monies uniquely position the Town to be able to make this infrastructure improvement at little to no cost to the taxpayer, and save recurring monthly installment debt. Currently we rent a cramped bay from the Phoenicia Fire District to house one ambulance that is located within the floodplain. Our other ambulance, records storage, and administrative office is located in the municipal building at Glenbrook Park. That space is shared with the Town Police Department, causes a myriad of security and access issues for the PD, and is equally as cramped.

We provide staff housing at the Town's medical arts building on Ava Maria Drive, however on duty personnel must drive their personal vehicles to either the Phoenicia building, or Shandaken building if an alarm occurs to pick up an ambulance causing huge liability issues. There is no shelter for emergency vehicles there- exposing our paramedic car to the elements, and forcing responders to clear snow from the vehicle prior to responding- delaying responses to life threatening emergencies. There is sufficient room at the Ava Maria Drive location for the addition of a garage space, storage space, and office space that could also serve as an evacuation site outside of the floodplain for Town residents in our most populated area of Town. An addition to this facility would allow all ambulance vehicles and personnel to be under one roof cutting liability issues and response times. As a reminder, the Ambulance Service is the Town's only true 24/7 service staffed by three Town employees around the clock, and is the only semblance of emergency care available to our residents. The Ambulance Service responded to 471 alarms in 2021- all three Fire Departments combined responded to a total of 358 calls in 2021 (Big Indian- 102, Phoenicia- 183, Pine Hill- 73).

COVID UPDATE- We are in the midst of yet another COVID surge. As of 1/3 there are 3,157 active cases of COVID in Ulster County. There are 21 active cases in the Town of Shandaken at this time. Total cumulative cases in the Town since the beginning of the pandemic have reached 195, with 166 recovered. According to County statistics we still have not had any fatalities, however we have had a report of a resident passing while they were out of Town. Total cumulative cases in the County have reached 26,125, with 323 fatalities. 22,645 cases have successfully recovered.

Stay safe out there, and wear a mask!

Richard Muellertelle
Chief of Department, Shandaken Ambulance

Town Clerk's Notes

We are still waiting to hear back from Ulster County on when they will offer Booster Shots – here at town hall & when our next test kits will be distributed. Our office gave out about 900 test kits over the last two weeks!

I will send a Town Wide Alert, as soon as I have any dates set. If you are NOT on our alert system, call my office tomorrow at 845-688-5004 and I will add you. It takes about 2 minutes!

Director's Report for the SHANDAKEN HISTORICAL MUSEUM December 2021

The museum had 49 visitors and continues with Covid 19 protocols. The Big Indian Native American Group had a gathering here on the 11th, complete with talking circle and drumming. Everyone was thrilled at our repairs and to be able to see each other after such a long time. Vinnie Sorbellini has continued repairs and will soon be finished until spring when he can continue with the railings.

The historical posts are creating numerous questions about our history and requests for more information. I am doing my best to keep up. Evan Pritchard the knowledgeable Native American speaker has been doing research here for an upcoming event with the Phoenicia Library.

We will continue preserving and sharing our history into the New Year.
May 2022 bring a positive change for us all.

Staying Shandaken Strong,
Kathleen Myers\Director\Historian

1. **PLEDGE:** Call to order shall be followed by the pledge of allegiance to the flag of the United States of America.
2. **ROLL CALL:** The Chair shall request Roll Call of the Town Board members by the Town Clerk, and after determining that a quorum exists, the Town Supervisor shall declare the meeting open. The Town Supervisor shall read the agenda (if not already published and distributed) and proceed to the business of the Town Board at hand.
3. **MINUTES:** At each meeting following the new Town Board's January Special

Organizational Meeting, the Chair shall provide opportunity for the Town Board to review the minutes of the previous meeting of the Town Board. Thereafter, the Chair shall entertain a motion to approve the minutes as presented or to amend.

4. **CORRESPONDENCE:** The Chair shall first call for acknowledgment and summary of any petitions or written communications received by the Town Board. Copies shall be given to the Town Clerk for recording into the minutes.

5. **COMMITTEE REPORTS:** The Chair shall recognize committee chairmen for their committees report.

6. **PUBLIC PARTICIPATION:** The Public will be invited to comment as requested on items appearing in the published agenda, expressing any views, opinions, requests, recommendations or questions to the Board to address and/or take under advisement in its deliberations. A maximum time limit of 30 minutes. The Public is requested to be brief with their comments.

7. **CONDUCT NEW BUSINESS**

It shall set forth public monies received through the Town clerk's Office and other sources, and the disbursement of public monies. The Chair shall entertain motions to approve the Supervisor's Fiscal Report and to approve all necessary disbursements of public monies through authorized fund accounts. All actions of the Town Board concerning the Supervisor's Fiscal Report shall be by motion.

 b. **RESOLUTIONS:** For its deliberations on new matters of Town Business, the Board will work from the written agenda distributed to Board members in advance, posted on the Town bulletin board and distributed at Board meetings to public. Formal actions of the Town Board must be authorized by motion or resolution of the Town Board. No motion or resolution shall be brought to a vote unless it has been presented to all members of the Town Board at least 48 hours prior to the opening of the meeting and on the Town website. In emergency circumstances, however, all of the above requirements may be waived by a vote of a majority of the Town Board present, provided there is a quorum.

 c. Every motion or resolution must be seconded before discussion of the Town Board or the Supervisor calls for a vote. All motions and resolutions shall be recorded in their entirety in the minutes of the Town Board meeting. As a member of the town Board, the Supervisor may offer or second motions and resolutions.

 d. Town Board members must recuse themselves from participation in discussion or voting on matters that involve a conflict of interest and must place in the minutes their reasons for recusal. Abstention from a vote shall only be permitted for reasons of conflict of interest, and not for political considerations.

8. **PUBLIC PARTICIPATION:** The Board recognizes the value of public participation but reminds the Public that it is a privilege. Please address the Board with respect and civility.

9. **ADJOURNMENT:** Following resolutions, and open agenda period, the Town Board meeting shall be adjourned by motion, in memory of residents deceased.

IF THE ABOVE RULES OF PROCEDURE SHOULD AT ANY TIME BE IN CONFLICT WITH STATUTORY LAW, THEN STATUTORY LAW PREVAILS.

Resolution Supporting Governor Hochul not requiring Renewal of Exemption Applications

Whereas, Governor Hochul issued an executive order, No. 11.1, allowing Municipalities to pass a resolution that allows everyone receiving a Senior with Limited Income or Disability with Limited Income exemption to not have to submit renewal applications for 2022.

Whereas, Our Assessor feels this is in the best interest of our senior & disabled residents, keeping them home as much as possible being a huge part of keeping them well during the pandemic.

Therefore Be It Resolved that the Town Board of the Town of Shandaken, in accordance with Real Property Tax Law Section 459-C and 467, hereby directs the assessor to grant exemptions pursuant to such section on the 2022 assessment roll to all property owners who received that exemption on the 2021 assessment roll, thereby dispensing with the need for renewal applications from such persons, and further dispensing with the requirement for assessors to mail renewal applications to such persons.

Be It Further Resolved, the assessor may require a renewal application to be filed when she has reason to believe that an owner who qualified for the exemption on the 2021 assessment roll may have since changed his or her primary residence, added another owner to the deed, transferred the property to a new owner, or died;
