Q2 Could you explain why you chose these items?

Answered: 466 Skipped: 3

#	RESPONSES	DATE
1	because they make the town a better place.	3/12/2025 9:18 AM
2	Housing is unaffordable. Flooding and climate change are challenges that impact the Town more regularly than other communities and requires addressing. Creating walkable communities and links between the hamlets.	3/10/2025 2:04 PM
3	I chose protecting and stewarding the natural environment because it seemed to encapsulate all other environment-related choices; I believe that any of the other items must be pursued with this in mind. But I don't think care for the environment needs to be at the sacrifice of meeting the needs and desires (mostly) of the humans who live here. The rest of my choices are those things most central to any government's reason for existing - providing the infrastructure necessary for people to address the remaining items themselves. A reliable means of communicating - whether it be a network of wires in the 20th century or a network of cell towers today in the 21st century - is essential to the a properly functioning community in America today. Transportation - including walking between destinations - is also essential. As for housing, it is time to recognize that the best thing NY governments can do to solve the housing affordability problem is to get out of the way and let those who would be more than happy to build housing for a living clean up the mess that government's misguided attempts to solve the housing crisis has created. With transportation, communication, and a thriving, competitive housing market, a sounder economy and job opportunities will happen on their own.	3/10/2025 9:18 AM
4	These things are related to the health and long-term viability of the community.	3/9/2025 9:51 PM
5	They affect me personally.	3/4/2025 8:40 PM
6	I feel these areas need strengthening to keep Shandaken strong and vibrant	3/4/2025 2:21 PM
7	First we should take of peoples basic needs.	3/3/2025 7:45 PM
8	I'm a weekender and would love to retire here but these would be the factors that would make me pause if they weren't readily available	3/1/2025 5:26 PM
9	Access to information because I want to be involved in the community. Protecting nature and public access because that's why I live here. Transportation and infrastructure so getting to and from Kingston and NYC is easier allows tourism but also easier access to services that aren't available locally.	3/1/2025 9:29 AM
10	I've been a visitor to Shandaken for 26 years and ever since (even before my time) there is no cell service. The town board has voted against it many times but now is the time to bring AT&T and over carriers to your area, especially in the times we are currently living in. You either have to go to Boiceville or Big Indian for the nearest cell service.	3/1/2025 1:56 AM
11	They are important	2/28/2025 6:38 PM
12	Shandaken Township is a jewel of the Catskills. Preserving and maintaining it as such is important to the health and well being of all residents and others who enjoy visiting the area, along with economic viability to support the area. Protecting the beauty of the forever wild is to honor those who gave up their homes and businesses, to create reservoirs for NYC to have clean drinking water, and future generations. Climate change is a reality in our world today and to ignore ongoing impact will have detrimental effects on all living in this area. It makes sense for our township plan in advance for disasters which could arise and have done so in the past history of the area. Part of the plan would be to have a well maintained infrastructure. It is also frustrating to see how poorly	2/28/2025 3:39 PM

Community Survey: Shandaken Comprehensive Plan 2025

some of the roads are maintained in our township. This needs to be addressed. For all those who choose to live and work in this area, having affordable housing is important. Watching current housing stock fall into grave disrepair is a disservice to the community as a whole. It shows a lack of concern and consideration for residents. Also, while the STR regs are very stringent, long term rentals should also have to abide by town codes and codes should be enforced. Seeing people living in rentals with plastic on windows, etc is of concern and shows again a type of disrespectful neglect to the tenants and township. Having access to food and other necessities is important. Shopping in food stores that are not well maintained and not clean is awful and a health hazard. Also perhaps more financial support can be given to our local farmers market to help encourage other vendors to participate and lower costs to vendors and shoppers would be helpful.

13	na	2/28/2025 11:40 AM
14	I moved up to this area because of the access to outdoor activities and space. I think it's important to make sure that the environment is protected, especially as it is under threat across the country. I feel that arts and culture is important for all humans to be able to participate in and experience and that affordable access to food and housing is necessary.	2/28/2025 11:35 AM
15	just turned senior.	2/28/2025 10:07 AM
16	Climate change- I worry about flooding and with our increasingly dry summers, forest fires. I know in history we weren't that at risk for forest fires but with what's happened in paradise and pacific palisades in recent years, I think we should have some type of plan in place and mitigation program for landowners with forested acres. Water Quality- with increasingly dry summers I worry about our water supply. I am always concerned with the smell of chlorine in our water. Infrastructure-our roads are crumbling on 214 and plank road. We have approx. 49 large dead trees leaning on powerlines down plank road. Creating a risk of fire or power outage. We often have power outages when the weather is perfectly fine, we have pot holes that pop tires in 28 and we have no sidewalks. In Phoenicia we have no sidewalks except for Main Street. People are always walking in the road. My daughter has no real safe place to ride a bike because the roads in Phoenicia are so rough and poorly patched and there are no sidewalks. Large chunks of concrete falling off esopus bridge on 28 (walk down Jay street). Access to parks- we have a lot of town parks but the playgrounds on them are extremely dated and have very little working equipment. I take my daughter to the parks in Olive instead. The parks department did a nice job with the swings at parish field this summer and I know they are working towards improving our playgrounds but the equipment is just so dated and nonexistent. I think our town should try to acquire the playground equipment at Phoenicia elementary before it rots like Hurley's playground. Emergency services- given our isolation, our med and fire are stretched so thin and have to miss calls while transporting to hospitals far away. Wait times are dangerously long.	2/28/2025 7:39 AM

20	Important to what my life requires. We need jobs in the area to keep the young employed. Roads and bridges aren't repaired they are removed. Our roads are an embarrassment.	2/27/2025 1:44 PM
21	...	2/26/2025 11:02 PM
22	I CHOSE 5 BUT every one of these things are important in creating a caring and collaborative infrastructure where there is inclusion and honoring everyones rightful place within this township including the protection and stewardship of our natural surroundings!	2/26/2025 6:39 PM
23	Simply, these are the top 5 topics I would like to see supported but including residential protections for residential neighborhoods.	2/26/2025 3:05 PM
24	My choices, affordable housing, Covid created a conundrum for local people who need housing. Parks, currently there is a softball game every Friday during the summer & early Autumn at the Phoenicia school, that is now closed. We will continue to play softball on that field. Cell service, no brainer, why is it taking	2/26/2025 12:15 PM

Community Survey: Shandaken Comprehensive Plan 2025

so long to have cell service in this region? Closed Phoenicia school, convert to Senior Housing , public use of gymnasium and arts and culture center. No brainer!

25	yes	2/26/2025 7:53 AM
26	No	2/26/2025 7:07 AM
27	Do I really need to explain it it is very easy to understand	2/25/2025 7:37 PM
28	Protecting the environment is important in general, but I think this area attracts so many BECAUSE its natural beauty is so special. Climate change and disaster preparedness is important given weather changes. The wildfires this past year were pretty eye opening. More cell phone access will mean more ability to work remotely which can rejuvenate the area with younger people who often need to be connected for work at all times. And being a full time resident, opportunities to get involved and have activities for kids are always good to have in a community.	2/25/2025 5:58 PM
29	Because there are no services available for most of Shandaken (except along the river's edge).	2/25/2025 5:12 PM
30	We have a "youth drain" happening in shandaken, and so i think we should focus on long term strategies to bring more families into the area. Create spaces and invest in infrastructure that families need. Community centers, parks, recreation facilities. Attract folks from elsewhere that want to be close to nature but also have things for their kids to do	2/25/2025 1:48 PM
31	I'm a human being and all of the above are my basic human necessities	2/25/2025 11:44 AM
32	No	2/25/2025 8:35 AM
33	No	2/25/2025 7:32 AM
34	Our primary concern is safety in the event of natural events such as floods or fires. As well as safety related to travel on Route 28. The fatal accident this year is terrifying. We also have a young child and Green space, parks and youth activities that don't require us to travel far are important	2/24/2025 10:11 PM
35	They are most important to me	2/24/2025 9:25 PM
36	I Want to preserve the area for the future kids, and I am always looking for local events to enjoy.	2/24/2025 8:18 PM
37	Phoenicia is a beautiful spot, that's why we chose to locate here, the town is stuck in the past with few relevant places to support. As a part timer who plans on relocating permanently we sometimes feel unwelcome.	2/24/2025 6:24 PM
38	Issues that need to be addressed.	2/24/2025 5:38 PM
39	Im a senior citizen concerned about my health and concerned about the towns infrastructure including flooding and protecting the natural environment.	2/24/2025 3:20 PM
40	These are the topics that have come up in our neighborhood over the last few years.	2/24/2025 3:07 PM
41	Because they are needed	2/24/2025 2:41 PM
42	It is very important to preserve the natural beauty of this special place where we live and to make sure that all residents have access to their basic needs of food, shelter and health care.	2/24/2025 2:36 PM
43	Because they all could use some improvement	2/24/2025 2:35 PM
44	Roads and bridges need attention. New bridges are built with dangerous area	2/24/2025 2:23 PM
45	These are the most important things for the survival of this town	2/24/2025 12:54 PM
46	All above have been lacking	2/24/2025 12:21 PM
47	Quality of life	2/24/2025 11:42 AM
48	As a small town we need to get together and be prepared for everything	2/24/2025 11:24 AM

Community Survey: Shandaken Comprehensive Plan 2025

49	Emergency services - police, fire, & ems are the most important at the end of the day. They are for us for our safety and protection	2/24/2025 11:07 AM
50	Yes	2/24/2025 11:06 AM
51	I live on a stream that floods and I don't have internet.	2/24/2025 10:58 AM
52	Lived here all my life	2/24/2025 10:57 AM
53	Shandaken needs to support local residents, tourist and part time / seasonal home owners and renters	2/24/2025 9:49 AM
54	I am really hoping this new cell tower gets approved	2/24/2025 9:06 AM
55	Cell service is a top priority from both a safety and convenience standpoint. Access to arts and culture is important to us and also to draw visitors and stimulate our local economy. We are STR owners but use our home on many weekends and for weeks at a time during the year with our young children. We love the community and simply rent the home when we aren't there so we can afford to have it. We truly aren't profiting much from it at all. But we feel so much hate from the locals and do not feel welcome into the community which is sad. Would love to find a way to bridge more of this gap, especially as we adhere to all of the STR requirements put in place and are a part of the community as well.	2/24/2025 8:59 AM
56	IMO THESE ARE PRIORITIES	2/24/2025 8:57 AM
57	Shandaken seems to be suffering from a rural doom loop of depopulation and decline. Revenue from tourism and second homeowner property taxes are the only things preventing a more precipitous decline. However, the NIMBYism of many full-time residents and second homeowners will make it either impossible or simply unappealing for younger residents to live here, and this will cause the labor supply required to prop up the tourism industry and services for second homeowners to dwindle. I care about all of the items above, but Shandaken needs the basic services of a modern town to compete for younger residents and maintain/grow its population. Those basic services include grocery stores, cell reception, and, of course, affordable places to live. More activities, both indoor and outdoor, for young children might actually entice families to want to live here. These are the fundamental needs Shandaken must address from which many of the other items should be addressed as well.	2/24/2025 8:56 AM
58	Important to address the critical services that provide safety and security. Also need to attract the next generation to make Shandaken a thriving commnity.	2/24/2025 8:34 AM
59	NO COMMIT	2/24/2025 7:59 AM
60	Why explain?	2/24/2025 7:42 AM
61	lack of quality selected	2/24/2025 7:22 AM
62	I look at this from a business perspective	2/24/2025 7:19 AM
63	I am concerned with the preservation of nature and the residents health	2/23/2025 11:31 PM
64	too expensive	2/23/2025 11:27 PM
65	Climate change	2/23/2025 10:06 PM
66	As time goes on we are losing more and more of these things.	2/23/2025 8:48 PM
67	Concern over how to get through natural disasters and frequent power outages, especially for seniors without help.	2/23/2025 7:56 PM
68	Flooding- we lived through two floods and it's of utmost importance Phoenicia is prepared for the next one. Cellular- having zero cell phone service in Phoenicia and surrounding area is a major safety issue and makes it hard to conduct usual business and track and call loved particularly teens as they drive around the local vicinity. Infrastructure- it is vital Phoenicia get a town sewer- it was a complete disaster that the town turned down the sewer offer several years ago leading to a complete lack of development/new business/sidewalks/streetlamps and a town which looks like a dead zone. Youth- we have a teenage son. There is very little infrastructure for kids, particularly teens .	2/23/2025 7:30 PM

Community Survey: Shandaken Comprehensive Plan 2025

The new skatepark in Smith Park will provide a healthy gathering place for kids to meet, make new friends and be creative- the Shandaken Skatepark Project deserves financial support to build a permanent concrete park . A Youth Center for Phoenicia is desperately needed.

69	We live here full time. These services would contribute to our quality of life.	2/23/2025 7:23 PM
70	It's what's needed	2/23/2025 6:46 PM
71	We need to protect against floods. Have access to emergency services have internet that is dependable and we need to protect our environment	2/23/2025 6:43 PM
72	Community health	2/23/2025 6:30 PM
73	Each represents the bare essentials needed.	2/23/2025 6:27 PM
74	These are necessities	2/23/2025 6:20 PM
75	We need to lift each other up. No more fighting. Can't stand this new president. We need each other.	2/23/2025 5:39 PM
76	Because it's 2025 and these are basic necessities	2/23/2025 5:22 PM
77	There are many other desirable things in this list, but the 5 I chose are critical for having the basics to just live.	2/23/2025 4:59 PM
78	They reflect my interests and priorities	2/23/2025 12:21 PM
79	The natural environment is the bottom line for me. In being good stewards we will take care of many other concerns. I would like to see quality low income housing so that many long time, generational residents can remain here.	2/23/2025 12:07 PM
80	we're running out of firemen, we have only one medical facility in town, we have no cell service in case of emergency	2/22/2025 10:09 AM
81	Airbnbs should be restricted to people actually living in their homes.	2/22/2025 8:53 AM
82	We need to reduce STR and ban corporate / LLC purchase of properties	2/22/2025 8:42 AM
83	Naturally, because they are important to me.	2/21/2025 3:05 PM
84	Many roads without cell service is dangerous .	2/21/2025 12:04 PM
85	The earlier anti cell decision is detrimental to safety- the condition of the forest is beauty of the catskills which involves all of the other items I checked	2/21/2025 11:54 AM
86	Town supervisor an idiot	2/21/2025 11:53 AM
87	Climate issues are existential.	2/21/2025 10:37 AM
88	Need cell service.	2/21/2025 10:03 AM
89	The whole list is important. Hard to choose. But we must prepare for climate change and make sure that people who work in the area can afford to live here as well.	2/21/2025 10:00 AM
90	I could, in reality they all are important. At this moment my concerns are the drainage on Main Street, and how the freezing puddles, or I should say lakes, is destroying the sidewalks. I have seen more people falling than I can count, including me who knows about the holes. But I can't get the vision of two mothers falling with infants in their arms, one I'm sure wasn't even two months old. This is so very dangerous, but the buck keeps being passed back and forth. Can we please come up with a solution before someone is seriously hurt?	2/21/2025 8:58 AM
91	Protection of the environment is important. I know a lot of the area is forever wild. But that could lead to issues with dry summers and lightning strikes. Maybe there is some stewardship when it comes to that I'm not fully briefed on it. It I never hear anything about it.	2/21/2025 8:36 AM
92	Jobs, housing, youth activities and supporting and building local	2/21/2025 7:15 AM

Community Survey: Shandaken Comprehensive Plan 2025

businesses are essential to the future of the community. Without these things we can have all the rest and our town will still wither away.

93	We need to rebuild/repave our roads, we need to create actual jobs and stop relying on just tourists for income. We should also rebuild our railroad. No more rail trails.	2/20/2025 10:54 PM
94	School and property Taxes are too high especially for seniors . Protect the Scenic Byway	2/20/2025 9:03 PM
95	I am a Senior, would love to once again have a grocery store , concerned about young people being able to buy a home	2/20/2025 6:38 PM
96	I selected *Parks and open spaces along with *Protecting & Stewarding natural environment because we are in the Catskill Park and those are some of the main draws to its visitors.	2/20/2025 6:37 PM
97	I would have chosen all if I could have but these simply are important issues for me and I believe for our neighbors also.	2/20/2025 5:05 PM
98	having been a seasonal resident of Phoenicia/Shandaken, I have experienced the impact of floods, lack of internet/emergency notifications, quality of housing and township services, COVID only added to the challenges	2/20/2025 4:22 PM
99	I think they are areas that need attention. There is very little quality affordable housing. Health services are weak. We don't have proper cell service. Public transport is badly needed, especially for older folks.	2/20/2025 4:17 PM
100	Quality of life	2/20/2025 4:04 PM
101	Natural environment protection is one of the most important aspects in modern society. We can't lose the forests and lakes for unnecessary development. 2.celular reception is important in case of emergencies and to facilitate communication within the community. 3.water quality. Water affects everyone and should be protected from contaminants. 4. Social isolation: Having more activities to build community seems important. 5. Activities for youth: Having different projects to entertain/teach/nurture the youth is crucial to raise the next generation.	2/20/2025 12:58 PM
102	All good choices! Would like to choose 10!	2/20/2025 12:20 PM
103	Need businesses to build a thriving town Want a third space to hang out in!	2/20/2025 11:45 AM
104	Kids need to be engaged and social or they may become mischievous. Without infrastructure commerce stops. No commerce and a community can't thrive. Water quality housing and healthcare, should be obvious. Without clean water you have no life. Without fair cost homes you have no where to live. Without healthcare you have no quality of life.	2/20/2025 11:01 AM
105	Free broadband for all. The air waves used to be free. Cable changed that. We also need comprehensive cell phone coverage. (Free broadband would help example Main St Phoenicia) spot coverage one at a time cell phone towers is ineffective and stupid	2/20/2025 10:12 AM

108	They are important to me	2/20/2025 8:52 AM
109	Being remote is concerning when emergencies arise. Having the proper communications as well as emergency personnel nearby would help. Also, our schools are closing because no one can afford to live here. It's all short term rentals and weekend homeowners. I'd love to see some effort and incentives to encourage more affordable housing.	2/20/2025 8:40 AM
110	The natural environment is the whole reason to continue living here. Health services are currently minimal. We need better answer to internet/cell accessibility than 160' towers dotting the landscape.	2/20/2025 8:17 AM

116	I have small children and would like more activities for them. Cellular network is a safety issue. Phoenicia needs a sewer system to keep local businesses. And housing is outrageously expensive in our community.	2/19/2025 11:58 AM
117	I was born and raised here and now have my family here, would be great if it was easier for us to live and thrive here. We've considered moving out of the area several times, but we love our landlords so we choose to stay where we feel safe and comfortable and taken care of, although it's more expensive than we would like. The area floods as we all know so that one is self explanatory, I was around in 2011 when we had that last massive flood. Additionally, as a parent I really have nowhere locally to take my son to play that isn't just an empty field. The parks are sort of sad and not safe for young children. It's frustrating having to drive half an hour plus to just find something for my toddler to do either outside or with other kids. The only kids programs I know of locally is story time at the olive library, and swim lessons in Arkville. Seemingly nothing inbetween	2/19/2025 9:35 AM

128	Would like to see the area support its residents and not the tourists. protect the beauty and space and allow those who work here to live here. There's too many part time home owners, business that caters to weekenders. The history of the area is on its way to be forgotten and erased. Encourage families to live and work here, the youth who grew up here to afford to stay. Too much social media.	2/16/2025 2:53 PM

to support those trails and railtrails. Increased cell coverage increases the chances drivers on route 28 are not paying attention, decreasing safety. Bringing more people to the area brings more development destroying water quality while pushing up housing costs. As a lifelong resident of the area I chose to remain here for the isolation from major human populations. I look at how the area is changing and it isn't for the better.

131	It's 2025 we should have cell service in case of emergency's, I would love to hike yet I'm scared to break an ankle and can't get help	2/16/2025 8:32 AM
132	They are important. Seniors have no help , theres no dr within 20 miles, an ambulance takes 1/2 hr or more because there is only 1 and no help or incentive for anyone in the area to do it , theres no longer a place to grab milk or bread without driving 8 miles, if your house catches fire theres only 4 firefighters that can enter a burning building and they are all over 50 , and you cant drive anywhere without hitting a pot hole of some sort every 1/2- 1 mile . The influx of city folk have caused severe damage to the town and roads .	2/16/2025 7:42 AM

137	I worry about old people becoming isolated	2/15/2025 6:13 PM
138	As more young people move into the area, the needs of the community are shifting. Reliable cellular and internet access is essential for work, education, and communication, making it a foundational need for a growing and evolving town. Access to quality healthcare ensures that everyone, especially newer and long-term residents, can receive the care they need without traveling far. Opportunities for civic engagement are important because they empower people to take an active role in shaping the community, and I would love to have more ways to contribute. Stewardship of the land is crucial as development increases, ensuring we preserve our environment and natural resources. Finally, with climate change bringing more unpredictable weather, disaster preparedness is necessary to protect both residents and infrastructure. I want to be involved in making sure our town is strong, connected, and ready for the future.	2/15/2025 4:34 PM

148	Our community needs to always support emergency services with training and equipment in many facets to ensure we are prepared for anything. Water quality should always be ensured and maybe revisit the sewer plan to protect our environment as well. The sole of this community is the nature we are surrounded by which needs to be protected at all cost. Cellular service is unfortunately a necessity nowadays for so many aspects of our daily lives, so this topic needs to be addressed once and for all to provide for the entire community and the travelers that pass through to support it. Finally I wholly understand the housing issue and often the cost is	2/14/2025 1:55 PM

prohibitive, but there needs to be an incentive for people to actually "Live Here". To help ensure the community has a long range ability to prosper, and not just row after row of rentals.

149	The natural environment we live in is our greatest asset. Having affordable housing, and limiting short term rentals encourages a more robust and thriving community It would be great to have local transportation that crossed over in to Delaware county for local residents in pine hill to shop at Freshtown. The proposed rail trail between Highmount and pine hill could encourage more walking and cycling as transportation alternatives. A transfer station because it's expensive to have private garbage removal and our designated transfer station is too far away. Ideally, workshops could be held to help residents reduce garbage.	2/13/2025 5:18 PM
150	Cellular connection is one of the items I selected. Due to the lack of cell service, we have to be connected to WiFi calling. Hence when we loose power we also lose cell service. Would be nice to get more service in the area so we're able to get in contact with people in case of emergency during power outages	2/11/2025 10:40 AM
151	I lived here my whole life. Shandaken has always been a beautiful nature spot that needs to stay that way. Many seniors stay here and need help. Being a small town we need our Emergency services very important. Cellular Service NEEDED. After the floods we should have had them. I'm tired of having an emergency and NO CELLULAR SERVICE!!!! Also would be nice to have a Rail Trail	2/10/2025 10:47 AM
152	There is much potential for improvements in infrastructure as well as parks and recreations to make our community a thriving center for both locals and tourism	2/9/2025 11:50 AM
153	My wife and I love to cook and enjoy the outdoors. Exploring the area's trails and being able to walk about in nature is one of our favorite activities. There are a dearth of grocery and dining options as compared to some areas further east of us. Being able to to get quick and easy access to essentials as well as be able to support local farmers and producers is important to us. We also enjoy support local artists and to experience books, movies, music, shows, and other cultural activities. We work fully remote and access to reliable cell phone and internet is essential for our ability to continue to thrive here.	2/8/2025 6:01 PM
154	To many B&Bs	2/8/2025 12:04 PM
155	We choose to live here bc of the natural environment and the protection and acces to state and NYC land. I feel that protecting the environment includes water quality and climate change awareness and preparedness. Housing costs are prohibitive for many full time residents. This seems to affect the availability of quality workers for many local businesses.	2/7/2025 4:44 PM

158	What's with no cellular in Phoenicia yet? It's a safety issue now!	2/7/2025 12:28 AM
159	Nature and the environment are important to me, stewardship and keeping the area countrified. We must prepare for the climate changes that are happening While I do not need a job, it is hard to keep the young and middle age people here due to lack of job opportunities. Housing that is affordable is also a problem for renters. The infrastructure is important for safety and reliable transit. I could have chosen 5 more options if that was allowed .	2/6/2025 10:15 PM
160	Certain aspects of infrastructure water/electric are severely outdated. We need a solution for cellular service. The Phoenicia Playhouse should be funded more.	2/6/2025 8:48 PM

165	They are ALL important.	2/6/2025 2:36 PM
166	Things that make living here more sustainable for lower income people and vulnerable people are important to me.	2/6/2025 2:19 PM
167	If I could have chosen all of them, I would have. I tried to think about what is most beneficial for all of us. So chose the basics that I think create a good foundation.	2/6/2025 1:10 PM
168	This area needs to concentrate more on the community overall rather than making money from air B&B's etc.	2/6/2025 12:58 PM
169	More robust opportunities and availability in areas of housing, transportation/walkability, youth, and businesses that meet community needs are all central needs to attracting a younger demographic and families to our town and keeping those families here. Without continued investment in these services and resources, Shandaken will not be a place where people will be able to make a home full-time. Climate change (and flooding as part of that) will continue to affect our town long term, and it is critical that the town be taking every step possible to remain resilient and help families do so as well.	2/6/2025 12:35 PM
170	I hope for a healthy and stable future for all of the town's residents	2/6/2025 12:09 PM

179	For safety and protection. Keeping, maintaining and fixing our environment, roads, streams and bridges. For affordable housing - limited AB&Bs. *Also to stop the dangerous driving on Route 28.	2/2/2025 8:33 AM
180	The nearest hospital is in Delaware County & we have no local urgent care. Considering the status of current administration & in order to support local busines I would like to see a system developed for us to not only purchase locally but also opportunities for ways to barter & trade in kind services. Many small businesses stay afloat catering to tourists which is fine but that often prices out locals. Having a town supported hub if available services and those willing to exchange products for services would be awesome.	1/31/2025 3:37 PM
181	Internet in particular continues to be a challenge as I only have access to satellite currently. Everything else is to ensure safety for the community and nature.	1/31/2025 1:32 PM
182	The weather patterns have changed due to climate change that now we get this extreme weather that closes roads and strands people. We need to put in place resiliency measures to adapt and protect the environment we have.	1/31/2025 1:02 PM

Community Survey: Shandaken Comprehensive Plan 2025

That means improving our infrastructure. There is not enough housing and what is available is not affordable to many given the lack of jobs that a living wage. Folks shouldn't have to work multiple jobs to get by. There should be good jobs here so people can support their family and kids don't need to leave home to get a job.

183	Food access is important to me especially organic and without artificial colors and dyes one has to drive to woodstock or kingston to access unprocessed foods. Arts and culture, social isolation all goes together for increased mental health of all members of the community, Emergency services because we need the people that live here to become fire fighters there are many able bodied men and women who could volunteer but they don't I am not sure why, maybe some stigma or lack of access but the community would be more vibrant if the people that could would.	1/31/2025 6:18 AM
184	I think it is important to be prepared.	1/31/2025 5:48 AM
185	I could have chosen them all! For example, all the environmental issues are covered under number 1. Similarly, having good internet and cell service is important for anything involving necessary communications, from seeking health care, to bring able to call an ambulance without issues with service, to finding out any and every service the community offers. The arts are very important to me- a major part of the reason I moved here last year. I am a violist. I love the community center by the way, and all its offerings.	1/30/2025 7:52 PM
186	Power outages without any cellular service is very dangerous and causes a lot of accidents and deaths that are preventable. The cost of housing has skyrocketed, especially with the influx of city people and short term rental properties.	1/30/2025 3:24 PM
187	They have a more direct impact on my life	1/29/2025 6:41 PM

189	I wanted to move back to the area but without medical care , lower housing cost and the arts and culture. Am look at other areas in NY.	1/28/2025 6:56 PM
190	Addressing climate change will make us all healthier, more prosperous, and more resilient. Its important for our image too as a place that cares about nature. We also could really use a few more food options. Pine hill especially needs one, and the gas station project is thinking of putting in a dunkin doughnuts which is totally out of character with our town! (very sad) Also, if we could connect trails better and made biking more fun that would add another tourism draw. And if we had some improved bus lines that would help lower income people get established here, and improve the economy's robustness.	1/28/2025 5:26 PM
191	I have a house in the area because I appreciate all of the protected state land and open spaces. We need more affordable housing so service industry workers have a place to live and businesses can find staff to be open and remain open.	1/28/2025 5:18 PM
192	These all form the foundation of a unified but diverse community	1/28/2025 4:52 PM
193	The above will make our community more viable to all	1/28/2025 11:48 AM
194	The threats to the natural environment and the town's ability to respond through infrastructure improvements are the most defining issues we face.	1/27/2025 4:32 PM
195	Infrastructure, roads and bridges should be able to withstand the effects of climate change. I would like to see the rail trail come to Pine Hill and perhaps further. Sidewalks repaired & expanded in Pine Hill and Phoenicia. Families to afford housing to live and work in Shandaken and near by.	1/27/2025 3:59 PM
196	My wife and I chose to live in Shandaken for its natural beauty, its pristine environment, and the shared values of its residents. The priorities reflect our desire to preserve all of the reasons we chose to live the remainder of our days here. We are both in our 70's and retired.	1/27/2025 2:43 PM
197	I see these as the fundamental/core issues that can impact all the others, and have the most long term potential for helping our community evolve for the future.	1/27/2025 2:35 PM

natural environment so it's important to safeguard it. We need more useful businesses and more walkable paths and better public transportation for overall quality of life

199	It was really difficult to make just five selections since all of the options seemed so worthy. I selected the climate change option and the protection of the environment option since they are so broad and without them none of the other options really could exist. I also feel like staying one step ahead keeping up with the infrastructure of our bridges and roads is very important given or extreme winters and the propensity for flooding in the area. I would say number one and most important of all is the cellular service. We must absolutely must get this immediately. It is an absolute danger on so many levels to not have this available, especially for older people, but really for everybody. I will say, with the new iPhones there is a satellite option, but it's wonky and still in a sort of beta mode and doesn't work that well. Especially in the winter, without cellular service, I find it so frightening and dangerous thinking about old people, young people, people without good cars, people without the resources, driving around here. I have a performance vehicle that has a button that I can press and it goes to emergency services. The truth is, I don't even know if it works without a cell signal. I should probably look into that. Anyway, it's imperative that this gets sorted out ASAP. With the closing of the Phoenicia School, I think it's even more important to have options for our youth. It's such a sad thing that the school closed and I felt it's important to have a presence in our towns but show that we care about our youth. I think we've done a good job with Jake and rec and Bellayre Beach and the lake. I feel like we could do more. If we can somehow develop a rec center like the one they have an Arkville But closer to Mount Trump or I think it would be so amazing. I from One would be on any committee to assist with that and I think we could probably raise the funds somehow. A rec center with a swimming pool, maybe Pickleball courts, basketball court for youth, leagues, safe spaces, exercise classes for young and old, etc.	1/27/2025 8:11 AM
200	Those are what I feel is most important although all the options are.	1/27/2025 7:20 AM

202	Community needs	1/26/2025 4:58 PM
203	I'd like to see us provide more opportunities for full time residents in terms of affordable housing and decent jobs and also attract more businesses to the area while simultaneously protecting the environment.	1/26/2025 3:34 PM
204	As an avid outdoorsman, I don't appreciate driving by houses with yards cluttered with junk. These accumulations reduce property values, create eyesores, pose hazards to children, and present potential health risks. We need to enforce regulations to address this issue.	1/26/2025 3:24 PM
205	The town of Phoenicia feels stuck in the past, especially compared to other thriving towns in the area. While I appreciate the opportunity to unplug, the lack of cell service in 2025 is unreasonable and poses challenges, particularly as an avid outdoorsman. At the same time, it's crucial that we focus on protecting and stewarding the land, staying mindful of climate change, and fostering a welcoming community rich in arts and culture to ensure a vibrant future for the next generations.	1/26/2025 3:05 PM
206	1) We live in the most beautiful setting and I would love to see more done to ensure we are a) providing access to our natural habitat, b) protecting it 2) I am based by Phoenicia and half the businesses have been shuttered for years. We need to resolve whatever is holding back more businesses from opening (reluctant landlords? town water issues?). It is sad to see so many great local businesses open up in nearby Tannersville, while Phoenicia stays stagnant. Businesses like Bettina really liven the community. 3) Cell service needs to be figured out ASAP. It is unsafe, given the high volume of power outages and internet outages in the area. 4) I do commend the efforts of the town board to spread information on Facebook and to upload documents and information to the website - thank you. I do think more can and should be done to keep the whole community informed on important topics (elections, new developments, etc). Perhaps a regular newsletter? Or a more clear/streamlined website? 5) On the topic of housing, there are way too many dilapidated former homes in our town. That needs to be a high priority to address.	1/26/2025 2:58 PM

224	As a town nestled within the Catskill Park it is a priority to maintain and protect the natural environment that hosts us. I have personally suffered the near loss of my house due to flooding during Irene. I have spent subsequent sleepless nights worrying about flooding and protecting my home. We have made great progress in my 20+ years as a resident of Phoenicia, but it continues to be a priority concern. Clearly upgrading and maintaining our infrastructure is crucial to a thriving community. Living so far apart from each other and larger cities it is imperative that we have trustworthy and highly functioning emergency services. What we do have is shamefully taken for granted. While every item on this list is important, I know that I would not want to live in any town, regardless of services and beauty, in which I did not feel welcomed and treated with respect. Given the polarized political climate of our country, I want to know that I and my family will also feel safe in our hometown.	1/25/2025 1:05 PM
225	There is such a lack of health services for everyone but that can be critical for seniors who may have fewer travel options. Some people have to drive pretty far for food. Flooding really changed our part of Mt.Tremper. I am fully aware of the need for affordable housing.	1/25/2025 12:52 PM
226	The Catskills is a treasure that needs to be appreciated and protected. The other items are necessary things that everyone needs to thrive, affordable housing being a top priority as well as clean water and emergency services. I	1/25/2025 12:00 PM

would like to see the billboards removed along 28. They seriously detract from the natural beauty.

227	Obviously these are all priorities, and we should make some effort towards them all. If we choose a short list, though, IMHO focus on the basics.	1/25/2025 10:29 AM
228	Being connected, being prepared, quality of life, being able to choose where to live, not being forced to leave because it's not possible to stay	1/25/2025 8:39 AM
229	Our Mother Earth and the world are in a precarious place and our local community is a great place to begin protecting it all.	1/25/2025 7:31 AM
230	We are vulnerable climate wise and if we can be cutting edge in that area we have a better chance of surviving. We need housing that younger people can afford to rent and to buy to build community. Pubic transportation and walkability to essential services (food especially) will attract new people. It will certainly keep me here as I age. We don't have a newspaper and probably won't have one again. Better communication about public and private events and issues will get more people involved in civic life.	1/24/2025 8:04 PM
231	These items most interest me on a personal and community basis	1/24/2025 7:04 PM
232	The natural beauty is a given. Other things need serious attention - to allow current residents to age in place, and to attract new residents and visitors who will boost our local economy.	1/24/2025 3:09 PM
233	these are all things that are non existing in Pine Hill.	1/24/2025 2:24 PM
234	All of the items on the list above are important for creating and maintaining a vibrant community. I focused on the environmental dimensions as these topics often do not get the necessary attention of elected and appointed officials.	1/24/2025 12:53 PM
235	these are most important to me.	1/24/2025 12:22 PM
236	At a time where the federal government is turning its back on climate change, it is now our responsibility as a local municipality to do what we can to stop the trend towards global warming. This includes protecting the water quality for future generations.	1/24/2025 12:07 PM
237	So many great things to choose from. I am worried about Climate Change and how it might affect the town and it's response to any disasters that could occur. I also think it is past time to have cell service. Verizon can no longer maintain the lines as they are and it goes out frequently. I have a generate but if the power goes, so does Spectrum so there is no way to communicate.	1/24/2025 11:46 AM
238	Community is everything on a small town	1/24/2025 11:20 AM
239	I think these 5 items most closely represent basic human needs and providing them well will lead to many of the other items being fulfilled. Without these 5 items, the rest don't matter. Art without food is not an art that matters. These 5 items (maybe not jobs) are also exclusively the domain of cooperative government. Individual actions towards climate resilience are powerful but a changing climate demands broad, coordinated action that can only come from governmental institutions.	1/24/2025 10:52 AM
240	That's why we moved here.	1/24/2025 10:27 AM
241	I think Bellerye needs to get their own ambulance. The rest are just common sense necessities. Actually, we need almost everything on this list.	1/24/2025 10:14 AM
242	I think by updating our physical and technological infrastructure we can provide much needed jobs to locals in the area. I think we also need to focus on the cost of housing in Shandaken, particularly for those who have lived in the area a long time and are struggling with the rising cost of real estate.	1/24/2025 10:06 AM
243	protection against the green lawn people.	1/24/2025 8:56 AM
244	They are the most basic and therefore the most important.	1/23/2025 5:53 PM
245	Emergency services and cell services are critical to stay safe living in remote area. Cell service needs to be top priority. I	1/23/2025 5:03 PM

live here because of natural environment so that's important. More culture and opportunities to connect with the community would be great!

246	they need help and cell reception is not available.	It's dangerous for seniors if	1/23/2025 4:58 PM
247	They are what make me feel at home. Food at affordable price would be nice. And having clean water is imperative. I think there should be a four way stop sign at the corner of main st and Ava Maria dr.		1/23/2025 1:28 PM
248	My selections are based on the improvements I think are needed in the town and hamlets of Shandaken and excludes what the town already does well. For example, I think the town does a great job protecting the natural environment, welcoming people, and treating everyone with respect. I would like to see the town keep the money that has come in from new residents in the town by creating more job opportunities for the locals. It is very important to do this to create a prosperous future as more and more outsiders and money enter the town / western Catskills. My sense is that the beauty of the Catskills has been discovered and it's just a matter of time before more and more development occurs. This can be a great thing for the locals who want to participate in this new future!		1/23/2025 1:07 PM
249	I love the mountains and parks we currently have in shandaken/big indian. I want those to stay as they are and be protected by this county for countless others to enjoy as time goes on. I know the communities are a bit sparse up here and social isolation can happen, so i would like to see more community events		1/23/2025 12:28 PM
250	I am split in my desire to emphasize how important I feel it is to take care of our beautiful surroundings, now and into our uncertain climate future, as well as how essential it is that we provide care and compassion for our community members!		1/23/2025 12:20 PM
251	No cell sin rura areas am member of the fire co they can't get service in an emergency,an d no housing for folks that want to work here to many air b&b's		1/23/2025 12:09 PM
252	I see a decline		1/23/2025 11:52 AM
253	Cell service between Boiceville and Shandaken would be ideal for emergencies/power outages.		1/23/2025 10:46 AM
254	Hospitals are far away		1/23/2025 10:27 AM
255	We are a family of artists and art lovers with young children, and with property in a flood zone! We absolutely love the natural beauty of the area, and would also love if there were some closer coffee shops nearby ;)		1/23/2025 9:43 AM
256	They are important to me		1/23/2025 9:22 AM
257	It is only a matter of time before catastrophic disasters occur. When power goes out you literally have to travel to Boiceville or shandaken by car to get cell service . If roads are impassable or you can not drive to get help this could mean life or death! I think it's time to have cell towers in the Phoenician Mt Tremper area! Please advocate for this to be a priority		1/23/2025 8:12 AM
258	common sense		1/23/2025 8:09 AM
259	The natural environment, once it's gone ie; developed, lost by natural disaster or contamination, it's near impossible to get back. Prioritizing health, connectivity and supporting seniors, help communities thrive.		1/23/2025 7:57 AM
260	It's too easy for our seniors to get isolated, and it's hard for them to get to medical care		1/23/2025 6:46 AM

262	they are the most important to me		1/22/2025 10:52 PM
263	Town infrastructure is falling apart. Everything gets worse year to year and no one is doing anything about it. The lessening quality of the town means less outside investment which means dropping tax base which means fewer services.		1/22/2025 10:34 PM

Community Survey: Shandaken Comprehensive Plan 2025

264	I believe that outdoor recreation and preservation are the corner stones of the Catskill Mountains. Engaging and supporting our youth is also paramount in these pursuits. We must develop and support our future generations with quality outdoor activities and the ability to remain in the area and raise their future families here in the Shandaken hamlets.	1/22/2025 10:24 PM
265	The isolated nature of so many homes in Shandaken.	1/22/2025 9:41 PM
266	I am tired of explaining why cell service is needed and mainstreet sidewalks that are cracked, uneven , worn and in bad shape. Route 214 is public disgrace as is 28 in parts of Shandaken	1/22/2025 8:37 PM
267	Need more restaurants. Access to cellular an emergency services sucks. You also chase out all the tourist with your asshole rules of short term rentals. We need the tourists.	1/22/2025 8:22 PM
268	Phoenicia has so much potential to be such a cool town, but instead it feels a bit like an old age home, in the types of stores, activities, and infrastructure. The blighted, run down houses on Plank need to be torn down and that road better maintained by the county. We need to offer more cutting edge programming like concerts with new artists to draw in a younger crowd, vintage flea markets like the kind in LA, gatherings that appeal to diversity, etc. The lack of access to cell service is dangerous in such a wild, remote location. And we must do everything we can to help decarbonize all buildings including finding a location for community solar to lower electric bills, particularly in winter.	1/22/2025 6:30 PM
269	My top priority is protecting our natural environment. Life here is not easy but people come and people stay because of the precious and rare beauty of theses woods and mountains. Having access to these natural places is crucial. Then it is important for those of us who live here full time to have access to basic necessities like groceries, cell phone service, safe and passable roads and bridges. Additionally, maintaining the unique and historic character of the villages is a priority to me. Development should be thoughtful and purposeful.	1/22/2025 6:16 PM
270	1. cell phone coverage is important nowadays. 2. we purchased our house in 2014. There was a lot of country charm then. Slowly we saw the unique character eroding away to new enterprises that look more like fake Brooklyn than upstate. This does not impress us city folk who moved up here. What's next, McDonalds?	1/22/2025 5:39 PM
271	bc it's a llow income area and climate change is real and so many people will be affected.	1/22/2025 5:35 PM
272	Essential services	1/22/2025 5:26 PM
273	I was told the properties just east and west of me were commercial but my 90 foot wide property was "industrial", requiring 5 acres , and didn't allow residential use. This is so wrong on so many levels. I think my property was singled out as there are no "industrial zones" in Shandaken except mine ???? NYC is out of control. Corruption, local, NYC and State must be stopped. Next they will start thinking they can slap us with HOA fees. No way in Hell. Stop pushing us around.	1/22/2025 4:51 PM
274	They're all important. I just had to pick 5 that seemed most important	1/22/2025 4:45 PM
275	Environment is most important to me but how we support our youth and our elders is critical to being a compassionate and nurturing community. If we are to address housing issues, we can do it in a way that revitalizes our Main Street and provides ecologically conscious housing and sustainable options for people to age in place and doesn't require residents to drive everywhere. We need a walkable town!	1/22/2025 4:34 PM
276	building stronger community	1/22/2025 4:24 PM
277	All are important to why I live here.	1/22/2025 3:36 PM
278	It wasn't easy to limit it to five, it's hard to say why they felt most important. Job, youth, and housing all feel related and are essential to the future of our town. Cell service would be a game changer for so many people. It's a life safety issue. Feeling welcome and being respected is something everyone deserves and while I do (even as a member of LGBTQ community) I fear this may change based on the new leadership on the federal level. More businesses, disaster preparedness, water quality... also all important.	1/22/2025 3:15 PM

Community Survey: Shandaken Comprehensive Plan 2025

279	Personal concerns for family and future	1/22/2025 3:06 PM
280	1. Climat change and disaster preparedness: might not look like we're in a delicate position here, but with erosional concerns and increasing drought periods this is a great concern. 2.Protecting the Natural Environment: see above. Environmental balance is central. 3.Housing: higher density housing is important here. Our towns benefit from it, people would be able to live more economically and 4. mass transportation would be a more viable option for more residents. Improving pedestrian and bicyclist safety is also key. More people moving will keep our citizens healthier, air cleaner, roads clearer.	1/22/2025 3:05 PM
281	These are the areas of concern that most affect all of us in this community. Enhancement of these areas will be to betterment of all in our community.	1/22/2025 3:01 PM
282	I am a FT resident in my 80s and so medical access is important. I also value living in a natural environment and I am very concerned about the impact of climate change.	1/22/2025 2:57 PM
283	What is most important to me is not see this area over developed by turning it into a high tax, concrete jungle.	1/22/2025 2:55 PM
284	I didn't choose water quality or nature because NYSDEC and NYCDEP seems to cover these items. I selected housing because real estate is so expensive here that affordable housing is an issue for many along with all of the airbnb or similar places consuming our housing market for those who choose to make a living here. It is also impossible to get adequate health services in our area without going towards Kingston. We need to build our infrastructure since the water district ran out of water this year. They also increased fees without information. They also look to raise \$160k without ample explanation of how this money will be utilized. Lastly, I do not feel as if we are free to constructively criticize our local government without backlash. I don't feel welcome when I enter the town building. In fact quite the opposite.	1/22/2025 2:36 PM
285	I anticipate more climate change events and we need to be prepared. The town of Shandaken was a great resource in the early days of Covid, providing testing to residents.	1/22/2025 2:35 PM
286	would love to see more housing built -- especially more multifamily housing and affordable housing - specifically section 8. I am concerned that Shandakan is becoming prohibitively expensive for people who grew up here. I am also concerned about flooding. As a home-owner in the flood zone, I made the decision to get rid of my basement and move all of my electrical/hvac etc to the ground floor. This is not something that is financially or practically feasible for most residents. We need to find a way to make our housing stock flood resilient since flooding will only get worse. I'd love to have cell access on my street at my house (I have t-mobile)	1/22/2025 2:12 PM
287	Theses are my priorities	1/22/2025 2:03 PM
288	These are rising concerns that need to be addressed.	1/22/2025 1:56 PM
289	Because our roads are in very poor condition and more and more cars and trucks are traveling them everyday. Cell service is essential to communicate with the people around us and some areas you can't even us your cell phone and there aren't many phone booths left in this country. Seniors in our community should be a top priority to all of us, whether it be public transportation to a doctor appt or to get groceries or to just get out to get a breath of fresh air or talk to someone.	1/22/2025 1:49 PM
290	Isolation and escaping our primary home is important, so we enjoy the natural beauty of Shandaken, hiking, and being outside, but we also like to have access to culture, going out to eat, etc.	1/22/2025 1:46 PM
291	Important to feeling safe and welcome	1/22/2025 1:08 PM
292	They reflect the basic broad based priorities of the residents.	1/22/2025 1:05 PM
293	Climate change will bring challenges we may not foresee yet. Access, preparedness, and emergency services should be top priority. The rest always follows when the community feels safe and bonded (on the same page).	1/22/2025 1:03 PM
294	Why is Shandaken called Shackadaken by surrounding towns? School taxes are outrageous.	1/22/2025 12:53 PM

Community Survey: Shandaken Comprehensive Plan 2025

295	It is important that the town to serve the local community and to foster a sense of community amongst us as well as to protect our environment from inappropriate development	1/22/2025 12:46 PM
296	Being a homeowner with bills in otherwise-jobless Shandaken has been hellish, from the corrupt Building Dept to the squeezing of AirBnBs and homeshares while demand remains for the supply in a tourist-dependent local economy. Kevin said it best that as someone who grew up in Shandaken, he was finally able to afford to buy because he could AirBnB when needed. And the housing market being expensive is because it is indeed a tourist economy, now adding the work-from-home sect, which is an upper economic echelon itself. Just how many other jobs are there in Shandaken for all the tax-paying residents of all the houses - and if service or retail, who exactly will patronize these businesses? Tourists.	1/22/2025 12:44 PM
297	protect for future generations	1/22/2025 12:38 PM
298	We need to protect the reasons we live and visit here. Our world is warming and we need to be prepared. This falls drought was very concerning. We will create more revenue for our community if there is more art to consume.	1/22/2025 12:33 PM
299	It would be great to not interfere more with nature and that also allows the animals around to maintain their way of life. Preparing for the climate change is key as we are in a mountainous area and much will be affected with climate change. Water quality is key for human and animal life. I always encourage arts as it brings people together.	1/22/2025 12:32 PM
300	I have been a full-time resident + renter for almost 20 years, my household is queer/trans + working class + I want my town to be livable for people like me	1/22/2025 12:31 PM
301	I believe the mountain/wilderness environment deserves to be maintained as it is a precious recreational/natural resource for everyone. Flood mitigation is needed to minimize infrastructure damage and clean water is essential to health of the domestic residential population.	1/22/2025 12:31 PM
302	The most important improvement to promote the health and safety of residents is to provide cellular service - enabling 911 connectivity and ability to connect to other emergency services during FREQUENT power outages.	1/22/2025 12:29 PM
303	Quality of life issues	1/22/2025 12:26 PM
304	Shandaken needs infrastructure to attract residents and more visitors to stimulate the economy. Pine Hill, as an example was a vibrant town which has fallen to disrepair over the decades.	1/22/2025 12:26 PM
305	Floods are common, limited housing due to air BnBs and minimal job opportunities.	1/22/2025 12:20 PM
306	To preserve the natural beauty of the area and make it a hub for arts and culture.	1/22/2025 12:18 PM
307	because Shandaken is currently not providing the full standard of public/infrastructure services. This includes Unevenly and broken pavement on local roads (accommodates problems such as standing water). Street lighting is insufficient. Arts and culture? Why did the "Voice Festival move? Create an initiative to bring better internet and cable services. Create an environment that fosters NEW business. Fix the road and sidewalk on Main street.	1/22/2025 12:17 PM
308	I think these items potentially benefit the most Shandaken residents.	1/22/2025 12:16 PM
309	These are the most important to me.	1/22/2025 12:11 PM
310	In order for a town to thrive financially, upgrades need to be made to keep it running efficiently. Towns without facilities, stores, restaurants and broken streets are not inviting for residents or for tourism which brings income to the area.	1/22/2025 12:06 PM
311	While all of these issues are important, since resources/funds will likely be limited (and thus prioritization will be necessary), I think the safety of our people and the protection of our environment are most critical.	1/22/2025 11:55 AM

Community Survey: Shandaken Comprehensive Plan 2025

312	I would like to the area stay natural and not turn into mini NYC.	1/22/2025 11:51 AM
313	Because they are important to me.	1/22/2025 11:42 AM
314	I support focusing on basic needs, health and safety first	1/22/2025 11:38 AM
315	I think the most important one to address is health services. I returned to the area eight years ago and nearly all my health services have been subpar. I understand it's difficult to attract healthcare personnel to the area but I think it's one of the most important issues we face.	1/22/2025 11:38 AM
316	Wifi/internet access because my car got a flat on Rt 28 after shopping with my toddlers. I could not make any calls on rt 28 near the dinner. This is a dangerous situation, and I hope never to experience about. I could not call for help.	1/22/2025 11:36 AM
317	I think climate change could have a major impact on our town, so putting plans in place now to conserve our land and water seems prudent.	1/22/2025 11:34 AM
318	I have young kids and there doesn't seem to be a lot of activities around for them to do . There's been multiple instances of people being severely injured or killed because of no access to cellular service . Currently in the market to buy a house and nothing seems affordable.I've been through multiple flood events and there doesn't seem to be any resolution to the root of the problem causing them .	1/22/2025 11:34 AM
319	Climate change is upon us. We need to be more prepared for emergencies and proactively take care of our environment. I know we do some of this already, but it's all changing.	1/22/2025 11:29 AM
320	These are basic necessities to protect and enhance quality of life.	1/22/2025 11:29 AM
321	I'm on a stream that floods!	1/22/2025 11:28 AM
322	Protecting the environment and preparing for climate change are essential. If anyone needs an explanation for those, there's no help for those folks. Air B&Bs are creating problems as we've seen in many other towns. They should be stopped.	1/22/2025 11:28 AM
323	We are experiencing climate change and need to be prepared for it responsibly. More people need to be invested in how tax dollars and our government works.	1/22/2025 11:26 AM
324	I plan to be old.	1/22/2025 11:24 AM
325	Tourism depends on natural environment, which also includes climate change We need internet to stay current with the world at large. Limited housing options for locals. We need emergency services to cover the influx of downstaters. We need Arts and Culture to relieve the pressure of the modern world!	1/22/2025 11:19 AM
326	Important to protect our surroundings	1/22/2025 11:18 AM
327	Would like to see the natural environment well-protected in the coming years.	1/22/2025 11:17 AM
328	Changing environment patterns will impact greatly how we all live in the region	1/22/2025 11:17 AM
329	These are all important to me	1/22/2025 11:12 AM
330	I am concerned about climate change. We experienced the collapse of Burnham Hollow Road and the flooding of Oliverea Road. Big Indian/Shandaken has no cell service, it is dangerous for seniors or anyone who needs to call an ambulance or police.	1/22/2025 11:10 AM
331	Climate change and it's consequences need to preemptively dealt with. The second hurdle is dealing with the aging population.	1/22/2025 11:10 AM
332	Many more than five items are important and some seem to include others. Preventing and/or adapting to climate change and disaster preparedness could also involve climate and environmental protection. Clean water is	1/22/2025 11:09 AM

Community Survey: Shandaken Comprehensive Plan 2025

essential, as are emergency services. The older I become, the more I value support for seniors and improved transportation. Some of these issues are being addressed, it seems. MTC is expanding service in some areas.

333	Appropriate town roles Lasting benefits to all other concerns if done well	1/22/2025 11:08 AM
334	Only way to keep population from decreasing is creating local jobs. DEC and DEP already create environment guardrails. What we need is to incentivize hospitality projects and infrastructure to support transient visitors to our state park, Belleayre, and surrounding demand drivers.	1/22/2025 11:08 AM
335	There needs to be more addressed with flooding concerns, same areas are always hit and nothing is done to help the residents other than the city "buying them out". Although a current home owner, there is no affordable housing in the area, the town has allowed too many STR's. Though cell service is improving, more should be done, with more people in the area there is a more likely chance of someone needing help in an emergency and not having service to do so. The roads around the area SUCK! Some roads are not fixed while others get new surfaces every year, most town roads DO NOT have posted speed limit signs, not like they would be enforced anyway. And having a boil water notice in Pine Hill for in upwards of a month with little to no communication from the town was uncalled for! KEEP YOUR RESIDENTS INFORMED!! Other than the summer rec program the town has little to nothing offered for our youth, the Pine Hill Community Center is one of the only places in our town that does anything for our kids.	1/22/2025 11:07 AM
336	There was 1 metal pick up that I know of a year or so ago and there hasn't been one since. It would be helpful if there was also a bulk pick up day and if both metal and a bulk pick up were conducted at least several times a year and those times were widely communicated. Thank you.	1/22/2025 11:07 AM
337	There needs to be cell service for emergencies & internet access.	1/22/2025 11:06 AM
338	All to often we are without power and unable to make a cell call with no internet service for wifi calling. Critical during emergencies.	1/22/2025 11:04 AM
339	We need to be better stewards of the earth, and to recognize the harmful impact of human activity (e.g., over-reliance on cars and fossil fuels to heat and cool homes; overuse of plastics in packaging) on creating the worsening climate crisis. We need more opportunities for civic engagement in order to help our neighbors in need and to create stronger communities. We need environmental education and incentives to reduce, reuse, and recycle. We need more access to public transportation to mitigate the threat of the climate crisis through moving away from fossil fuels. We need more vehicle fast-charging stations for electric cars to encourage people to buy them. We need to protect the gifts of the natural resources and wild spaces in which we live. We need to make development and infrastructure decisions based on meeting people's needs and protecting the environment, and not on supporting harmful and extractive industries in the name of "economic development." We need to focus on developing a green economy.	1/22/2025 11:04 AM

community services can thrive.

350	SHANDAKEN needs to rise up and meet the future especially with a sewer system for Phoenicia while embracing and maintaining the past and cultivating an all Inclusive robust community	1/22/2025 10:53 AM
351	If we don't protect the environment, we have nothing, especially here where our economy depends on providing access to nature. Having experienced to floods here, and knowing that climate change may lead to more flooding, I believe we have to be prepared. Although economy is largely tourism based, there is no Community if we don't provide housing that's affordable. And if we can't get places on reliable roads, there's no community and no economy.	1/22/2025 10:51 AM
352	It's impossible to pick just five! All issues listed are important, but I chose the items that are vitally important to survival. If I were to pick five more, they would be: Cellular Infrastructure Arts and Culture Water quality Food access	1/22/2025 10:49 AM
353	Because that's what I believe in	1/22/2025 10:49 AM
354	As a community we are collectively getting older. With less children and more retirees the future begins with making more opportunities for people to afford to live and work here full time. We have always been a community that depends heavily upon outside money for our economy. We needed to make changes to our fire departments yesterday! Every firefighter and every citizen is at risk from understaffing and untrained volunteers. The median age for firefighters in the town is well above 50 years old and getting older every day!	1/22/2025 10:49 AM
355	people who live in or visit shandaken often have to leave shandaken to do pretty much anything. let's keep them in town, which will add jobs and increase spending in the area. before that, there's the risk of climate change disasters. we can't be too far away from a 1000 year flood.	1/22/2025 10:48 AM
356	To attract families to our community, affordable housing is a key factor. However, this alone is not enough. Local jobs and infrastructure improvements, including reliable cell phone service, are essential to ensure the safety, well-being, and overall quality of life for our residents. Reliable communication is not just a convenience; it is a necessity. Recent power failures have highlighted a critical issue: the inability to make emergency calls when cell service is inadequate. This places residents at significant risk during emergencies, leaving them without access to life-saving assistance. Improving cell phone infrastructure, such as adding more towers, will address this safety concern and make our community a more attractive and secure place for families. Reliable communication is a cornerstone of modern living, supporting not only emergency response but also economic growth and connectivity for local businesses.	1/22/2025 10:48 AM
357	Cellular is really my only concern. We need cell service in Phoenicia, I've had multiple cars crash in front of my house and if I wasn't there with wifi calling from my house these people wouldn't have been able to call emergency services.	1/22/2025 10:46 AM

375	Being some one who grew up in Shandaken I love this town, but have seen it change in both good and bad ways. I love that there is more diversity, arts and culture with new transplants but I'm worried that locals are being pushed out by airbnbs, vrbos, outrageously priced long term rentals etc because of all the transplants. I enjoy having new perspectives and neighbors to learn from but there needs to also be a place for the people who already live here. There also seems to be an influx of litter and disrespect for the environment and wildlife when tourist season is at its highest. I lived through hurricane Irene as a teenager and that has stuck with me. I still become fearful when the water gets very high.	1/21/2025 8:48 PM
376	Flooding-I have witnessed the damage to homes, businesses and whole communities caused by flooding in several areas. This needs to be addressed. Water Quality- Our drinking water is so valuable to our very survival and existence preserving its quality and availability is important to each and every one of us. We were under drought conditions this past summer (it was scary). Cellular/Internet/Broadband- We desperately need access to better cell service coverage, affordable high-speed internet and an alternative to SPECTRUM for high-speed internet. Emergency Services-The people who take on these jobs and responsibilities are an exceptional group and should be commended and those who are available to volunteer in any capacity should. We look for their help, guidance and support when the situation arises. We need to encourage, support and praise them whenever and how ever possible. Support for seniors-let's face it we are all getting there and knowing that we'll need some type of assistance in the future is a question we need to address. Transportation to and from an appointment, access to a pharmacy or to attend a town hall meeting? Thank you for this opportunity.	1/21/2025 7:41 PM

but also for physical therapy for seniors. And lastly, a walking/bike lane on Rt. 214 between School Lane and Main St. and a 45 mph speed limit on Rt. 28 from west of Phoenicia to Onteora high school. (One can dream.)

381	Making smart decisions to both mitigate and adapt to climate change are my number one priorities in life. Moving beyond that, I hate seeing the pleas for housing on Facebook when one of the houses on my block is owned by someone who has five other Airbnbs.	1/21/2025 12:50 PM
382	The climate and water are already well protected in the area. But without emergency preparedness and infrastructure upgrades, residents properties and quality of life will suffer. We've already seen what happened in LA.	1/21/2025 11:01 AM
383	I am 77 years old and moved here in 2021. We need reliable cell phone and internet all over town. There should be more publicity of town activities. Roads should be pedestrian and bicycling friendly. Walking on some of them, like Route 47, is downright dangerous. I would like to participate more in the community, but it is hard to find info on how to do this.	1/21/2025 10:43 AM

386	Because of climate change and the fact that it will only get worse, we are increasingly vulnerable to flooding and fire, and after a fire, potentially mudslides. I would like to see town-wide programs that help protect residents from these dangers as well as assistance in case of such disasters. I don't know what this should look like, but I feel that it needs much more community discussion and planning. I don't believe we can rely on the federal government for much if any help, and we need to get plans in place and advocate for our needs, likely best along with other Catskill communities.	1/20/2025 11:24 PM

414	Being a senior citizen these are things I worry about.	1/7/2025 8:41 AM
415	Before the pandemic any one could afford to live here. Now too many of our local families can no longer find affordable housing. I feel very very strongly the the air b&b applications have gone beyond what is good for this town. We lost Phoenicia School because we care more about the air b&b population than our own. How is it possible that there can be cell service in Afghanistan, the moon but still in 2024 Shandaken has no form of current communication that the rest of the world does? It is dangerous in emergencies. Especially since Spectrum is 100% unreliable. What could possibly be the problem.	1/6/2025 4:16 PM

417	Affordable housing is important as many “ local” or full time people chose to live here for the beauty and serenity and live on a fixed income or do not make a lot of income sometime one needs to work 2 or 3 jobs to survive. Senior housing is also very important especially when they no longer are able to stay on their home. And our area is so beautiful would like to keep dollar stores Dunkin' Donuts and those commercial businesses out of the catskill park.	1/6/2025 5:15 AM
418	Protecting and preserving our environment is crucial. Most of us are struggling with cost of housing, food, healthcare, etc.	1/6/2025 2:47 AM
419	About 1/3 of local residents are over 65 and services for seniors are scarce. Our main asset is the pristine beauty of the natural world and the wildlife.	1/5/2025 10:13 PM
420	Without the natural environment we do not exist. Invasive species, lead bullets affecting our wildlife and birds, safety on 28 for our animals with the increasing visitation of the area. Disaster preparedness and cell service are vital for the safety of our community as the weather becomes more extreme. Having cell service also enables people to help eachother more easily especially on our roadways. Serious food dessert as we move towards pine hill etc. also would like to know more about what we can do about the dangerous turn just past the bridge in mount tremper that took the lives of two boys.	1/4/2025 10:03 AM

433	1. Protect the environment - No Mega Resort 2. Prepare for the inevitable wildfire in Shandaken 3. Provide low-cost housing for low-income residents 4. We desperately need cellular service. 5. Phoenicia needs a sewage treatment plant. The town businesses are suffering without it.	1/1/2025 11:02 PM

444	We have to drive all the way to Kingston to go to a decent grocery store that isn't disgustingly overpriced (targeting tourists). I would like a place that isn't just sundries and artisan products so I can feed my family. And I don't want to have to go to boiceville for one bag of mediocre produce and meat for over 80 dollars.	1/1/2025 10:38 AM

I am also looking ahead with an eye to wanting to feel safe here when I am older and I also wish to future homesteaders reap the benefits of the good things being put into place now. For instance, a sewer in Phoenicia and cell phone service. The sewer is bigger picture for the town's prospects but the cell item addresses how I really don't feel very safe living here so cut off during emergencies and I'm not getting any younger. None of us are!	12/31/2024 11:05 PM

Q4 What place(s) in Shandaken would you miss the most if it/they suddenly disappeared? Why?

2	Any of the hubs of economic activity. It would be sad to see Phoenicia get as hollowed out as a place like Hansonville. I would like to see hamlets like Shandaken and Mt. Tremper become mini-hubs of walkable economic activity.	3/10/2025 9:38 AM
3	1. The Phoenicia Library because it is the closest thing that we have to a community center and is an indoor space to meet with friends. 2. (Clean water in) the creek because it is an outdoor recreation place. 3. The fire department because having emergency responders is critical.	3/9/2025 10:19 PM
4	Libraries, Pine Hill Community Center	3/4/2025 8:45 PM
5	Hiking trails. I love to hike	3/4/2025 2:27 PM
6	The businesses and restaurants in downtown Phoenicia	3/1/2025 5:36 PM
7	All the open space and public land we have access to and the small businesses that make the area unique	3/1/2025 9:45 AM
8	Downtown Phoenicia. It has been an iconic staple for many decades. Bring back the festival	3/1/2025 1:58 AM
9	A vibrant and healthy town center. Main street in Phoenicia is looking more and more sad. There are now 4 or 5 vacant store fronts. Letting these spaces sit empty continues to reflect on the town and limits the ability of residents to support local businesses and also limits the ability to attract more businesses. The loss of restaurants, local deli, local hardware store is regrettable. It affects community within Shandaken and continues to degrade our township. We need to find ways to "incentivize" healthy economic business and attract visitors of all ages to our township. Imagine another thriving business like the Phoenicia Dinner right off of Rte 28 for all the skiers passing by on the way to or from Belleayre Ski Resort and from Hunter Ski Resort via 214 -	2/28/2025 3:59 PM
10	Phoenicia Farmer's Market - as a community we need access to and to support local farmers and small businesses The Pines, Mt Tremper - Olivers, Mt Tremper - Tito Banditos, Pine Hill - Peekamoose, Big Indian - I love having local restaurants nearby that I can go to with my husband during the week and bring visiting friends to on the weekends	2/28/2025 11:55 AM
11	Brio's.	2/28/2025 8:57 AM

14	The water ways.	2/27/2025 1:49 PM
15	THE TANBARK TRAIL BECAUSE ITS THE MOST MAGICAL WALK I TAKE AS OFTEN AS I CAN . PINEHILL COMMUNITY CENTRE AS IT OFFERS SO MUCH AND IS FILLED WITH THE LOVE AND CARE AND CONSIDERATION TO ALL WHO GO THERE. BELLAYRE AS IT PROVIDES SO THE OPPERTUNITY FOR MEMBERS OF THE COMMUNITY TO WORK THERE AND TO THE YOUNG PEOPLE WHO CAN BE INVOLVED IN A WONDERFUL ACTIVITY THAT EMERSES THEM INTO THIS INCREDIB;E NATURE WE HAVE ALL	2/26/2025 8:00 PM

AROUND US. IT PROVIDES OUR TOWNSHIP WITH ALOT OF BUSINESS FROM ALL THE VISITORS AND SKIERS. THE SHANDAKEN SKATEPARK AT SMITH PARK AS IT HAS CREATED HOPE AND IS INSPIRING US ALL TO THINGS THAT ENGAGE AND BRING THE WONDERFUL SPIRIT AND KINDNESS OF THE COMMUNITY INTO PLAY. THAT YOUNG PEOPLES CONTRIBUTION AND VOICES REALLY MATTER AND ARE VITALLY IMPORTANT TO BE LISTENED TO IF WE WANT THEM TO FEEL THAT THEY ARE PROUD TO BELONG AND BRING NEW FRESH ENERGY AND CREATIVE IDEAS TO THE PLACE THEY GROW UP IN,

20	The woods. The stores in Main Street.	2/25/2025 8:38 AM
21	Library	2/25/2025 7:35 AM
22	Ivan's antique stand because his demeanor and hitchhiking down Woodland Valley is a highlight for any who know him. Foxfire, but they're so rarely open for dinner. Oliver's, but the owner seems to hate people? Woodnotes, really just because of Tammy, but it also has unexpectedly amazing food. Maeve's! The only actual coffee shop until Bread Alone. Then Bettina, even if their service is adorably terrible. Ambiance matters most! The freezer at Phoenicia Market with its Indian food and other healthy meals for when driving home hungry later-night. I guess Brios because they're often the only choice; but the lack of ambiance means take-out only. Denise loves my mom, so...cute. And I guess the diner because it brings the most tourism and therefore industry to Phoenicia. The food is secretly not fantastic and wildly overpriced. You'd think the size of their audience would mean lower prices, or perhaps they could have priority seating and a discount for locals.	2/24/2025 11:26 PM
23	Any parks or hiking trails. Shops, local restaurants and breweries. Woodland playhouse has been very impactful for us. The arkville rec center is also wonderful and would be a shame to lose.	2/24/2025 10:19 PM
24	Unfortunately can't think of any. That's unfortunate	2/24/2025 6:29 PM

127	Peekamoose the food is great and it's close by	1/31/2025 1:34 PM
128	The Catskill Center. Lots of amazing programs, FREE, high speed wifi for the public.	1/31/2025 1:10 PM
129	the phoenicia plaza, the phoenicia fish and game club, the gas station in pine hill, I am tired of people making it difficult for companies to come here and provide services, or now legislators attacking businesses like the phoenicia plaza, stop going crazy we require local services to come here to serve us and the visitors of Shandaken	1/31/2025 6:27 AM
130	The community center, the mountains, and environment! (See above.) So many places in the world are spoiled or compromised in one way or the other. The mountains offer a sense of place with something whole and larger than ourselves- critical, for me anyway, to have a sense of Home that extends beyond ourselves. I also love the Historical Society, and the libraries!!!!	1/30/2025 8:00 PM

150	Brios in Phoenicia because it serves moderately priced and delicious food and the Pine Hill Community Center because it provides good company and wonderful entertainment experiences for kids, seniors, and everyone in between. A really fantastic place with activities that serve the community at large.	1/26/2025 1:54 PM
151	Access to the Esopus Creek and the hiking trails. Outdoors means a lot to me.	1/26/2025 12:43 PM
152	I deeply miss the Bellayre Plaza market and gas. I hope its not replaced by a useless dunkin donuts. I would miss Peekamoose restaurant.	1/26/2025 11:48 AM

245	If local businesses or community spaces in Shandaken suddenly disappeared, it would leave a significant void in both the town's character and its day-to-day functionality. Places like small shops, restaurants, and community gathering spots are not just businesses—they're hubs that bring people together and create a sense of belonging. For example, our local stores might serve as a meeting place where residents exchange news and build connections, while a favorite hiking outfitter might draw visitors and sustain tourism, which benefits the broader community. These spaces contribute to Shandaken's unique charm and economic vitality. Without them, the sense of community would diminish, and residents would lose not only the services these places provide but also the relationships and memories tied to them. Supporting these businesses and ensuring reliable infrastructure—like communication and power—is essential to keeping Shandaken vibrant and connected.	1/22/2025 11:23 AM

280	Pinehill Lake - We wouldn't have a place to enjoy during the spring, summer and Fall. Pine Hill community center - We wouldn't have a place to gather as a community. Gift shops- Phoenicia - No where to get a gift for your family, friends or neighbors. Ice Cream/Candy store - Phoenicia - a treat for the kids and family after dinner. Restaurant's - Phoenicia / Big Indian - A night out with friends /neighbors. Quality food is hard to find.	1/22/2025 9:23 AM
281	Seeing the towns get overdeveloped as tourist destinations instead of towns in the wilderness. We live here for the quiet, secludedness, connection to nature, and small town charm. There arent many places left like this, it would be a shame for it to go.	1/21/2025 8:59 PM

291	Post Office	1/20/2025 8:37 PM
292	The library, ZMM, the Stoney Clove. Plank Road. I miss the school.	1/20/2025 7:58 PM
293	I would miss the historical buildings and hidden gems hidden throughout the Catskills. The natures gorgeous but something about the buildings. I love figuring out the history of a neighbors property and bonding with it over them. I wish more houses were on the historical register such as Hideyo Noguchi's home on Route 42, which is of important cultural and historical value to our town, Japanese culture, and medical science.	1/20/2025 7:38 PM

345	Parks and trails	12/31/2024 3:21 PM
346	I worry about the health of our creeks, especially the Esopus. I already miss what it once was.	12/31/2024 1:17 PM
347	The pine hill community center, the Phoenicia farmers market, the American legion, and our libraries. These are the places our community's connections are nurtured. If these places disappeared, those connections would fray.	12/31/2024 11:05 AM
348	The homes and businesses along the Esopus Creek in Phoenicia.	12/31/2024 10:46 AM
349	The library. It is the central meeting place in Phoenicia without food.	12/30/2024 1:53 PM
350	Belleayre. It provides a great outdoor experience and is a main employer for the area	12/27/2024 6:34 AM
351	Already miss the Pine Hill Arms.	12/25/2024 12:22 AM
352	Phoenicia Playhouses because it provides art and culture. Pine hill library because it provides programs, and food bank for under served communities. PHCC because provides focus in Pine Hill. Phoenicia Farmers market because they provide fresh locally sourced food to Shandaken.	12/23/2024 9:15 PM
353	Plank Road. Phoenicia Elementary needs to be put to use, don't let the bldg rot.	12/23/2024 3:25 PM

Q5 What types of places or services do you want to see more of in Shandaken? Where specifically should they be located?

#	RESPONSES	DATE
1	Food sellers and pharmacies.	3/10/2025 2:06 PM
2	Stores for daily needs, apartments, work-spaces for individual entrepreneurs (from artists and artisans to start-ups). They could be located in the existing (and formerly existing) hamlets to create small villages of economic activity and population. Definitely not on 28.	3/10/2025 9:38 AM
3	1. Affordable housing, 2. a community center (in Phoenicia), 3. more indoor or outdoor recreational areas, such as pickleball courts near Phoenicia	3/9/2025 10:19 PM
4	Walk-in medical clinic. Phoenicia.	3/4/2025 8:45 PM
5	Cell phone service located in an unobtrusive place	3/4/2025 2:27 PM
6	More and better cell service west of Phoenicia along route 28 as well as another gas station and convenience store between Phoenicia and Margaretville along 28	3/1/2025 5:36 PM
7	Not sure but anything that helps local small businesses or promotes the outdoors. Phoenicia has too many vacant store fronts	3/1/2025 9:45 AM
8	More activities that keep up with our times	3/1/2025 1:58 AM
9	I would love to turn the old hardware store into a General Store. And a place to buy bulk food items/dry goods.	2/28/2025 3:59 PM
10	Creative Reuse Store - Phoenicia	2/28/2025 11:55 AM
11	Better restaurants / Hardware store /Deli	2/28/2025 8:57 AM
12	Health services. Child care or activities. Entertainment.	2/28/2025 7:48 AM
13	Better access to Esopus and hiking trails (parking). Sewage system in village to spur growth. More policing of speeders and reckless drivers. Improvement to dangerous intersections. Fixed roads and bridges.	2/27/2025 4:27 PM
14	Mom and pop shops. Anywhere	2/27/2025 1:49 PM
15	THERE NEEDS TO BE A REALLY GOOD PIZZA PLACE THAT IS AFFORDABLE IN PINEHILL , WHERE THE YOUTH CAN GO AND BE SAFE AND HANG OUT AFTER SKATEBOARDING OR GOING TO THE COMMUNITY CENTER OR LIBRARY. THERE NEEDS TO BE A GOOD QUALITY FOOD STORE WHERE YOU CAN BUY FRESH PRODUCE THAT IS AFFORTABLE . IN PINE HILL AND PHOENICIA- THERE NEEDS TO A FEELING OF A CONNECTION AND AFFORTABLE FOOD WHERE PEOPLE CAN WALK TO IN THIER LOCAL HAMLET. WE NEED A BAKERY AND BUTCHERS STOP IN PHOENICIA, A SEWER IN PHOENICIA SO NEW BUSINESSES CAN OPEN AND NEW SIDE WALKS, WE NEED TO CREATE HAMLETS WHERE RESIDENTS ARE PROUD TO LIVE AND PEOP;E WANTI TO VISIT AND BENEFIT OUR LOCAL ECONOMY! ITS ALWAYS BEEN A TOURIST DESTINATION SO WE NEED TO HONOR THAT BY CREATING ALL THE BEAUTIFIL SPACES WE CAN, WELL DESIGNED PLAYGROUNDS AND YOUTH AREAS LIKE THE SKATEPARK AND BUSINESSES THAT PEOPLE ARE EXCITED BY, WATER - THE WATER	2/26/2025 8:00 PM

NEEDS TO BE CLEAN AND PROPERLY LOOKED AFTER, HELP TO PROVIDE PROTECTION AND INFRASTRUCTURE IN THE EVENTS OF FLOODING.

16	More policing of rte 28 and Wittenberg Rd,	2/26/2025 3:15 PM
17	Can't think of anything	2/25/2025 6:58 PM
18	A community center that is centrally located - say in phoenicia.	2/25/2025 1:52 PM
19	Sheltered public transportation, Health services Hospital/clinic, grocery store	2/25/2025 11:52 AM
20	Emergency care. Hardware store	2/25/2025 8:38 AM
21	Community center	2/25/2025 7:35 AM
22	AFFORDABLE CAR SERVICES, please please please. Uber, Lyft, Cabs, etc. Reasonably-priced options for people to call for a ride from the Kingston bus, from anywhere along 28, and from Phoenicia's Main Street. Easy-pick-up healthy food on Main Street that isn't Brios - but our neighbors and others have said its mafia owner staved off CWC's offer for sewers in town because he wanted no restaurants competing with his (what restaurateur wants septic, etc)...? ...Fingers crossed! A movie theater would be fun, especially if in a novelty small space with a projector - maybe in the Phoenicia Playhouse or the church that's been for sale? Something that becomes listed on Google when anyone searches for movie times within a distance they define. If just listed on a banner in town, it won't gain audience, but I can help put it online and searchable / ticket purchase savvy, and it could announce in Chronogram. I've an industrial projector to use until it gains traction and revenue. In the summer, using the farmer's market field as a drive-in movie theater would be wonderful. The grass wouldn't be disturbed, as it isn't a delicate type of sod. The screen and projector and sound system is rentable, consult with the owner at Warwick Drive-In, she's great, and it's very successful. And the lot Declan owns where the Brios owner's son burned the hotel down - is Paul still running fishing and retail out of the cute cabin far back on that lawn? It didn't feel like it was going to have enough customers. That lot seems very opportunistic, and Declan amenable. -- Maybe this for a summer film series, but bring-your-own folding chair?	2/24/2025 11:26 PM
23	Restaurants, breweries, shops, kids activities. The extension of the rail trail would be wonderful so we don't need to drive to the current access points	2/24/2025 10:19 PM
24	Find tenants for all the empty storefronts in Phoenicia.	2/24/2025 6:29 PM
25	Cell service is #1 on my list. Reliable/affordable garbage pickup.	2/24/2025 5:48 PM
26	Better medical care in the near vicinity.	2/24/2025 3:24 PM
27	Hardware store, laundry, elderly support community center, civic engagement services	2/24/2025 3:18 PM
28	Hardware store...back in Phoenicia!	2/24/2025 2:50 PM
29	Youth activities,old phoenicia school.	2/24/2025 2:46 PM
30	Rest/shops/ Services	2/24/2025 2:26 PM
31	Cellular communication Broadband competition	2/24/2025 12:25 PM
32	More of a community center for the young generation	2/24/2025 11:27 AM
33	Cell phone service	2/24/2025 11:12 AM
34	Cellular service	2/24/2025 11:11 AM
35	A place where kids can go and hang out Phoenicia area	2/24/2025 11:02 AM
36	A community center like Pine Hill at the site of the elementary school.	2/24/2025 11:01 AM
37	A proper grocery store on the main streets of Phoenicia and Pine Hill, or at least a year-round	2/24/2025 9:14 AM

Community Survey: Shandaken Comprehensive Plan 2025

produce stand. More comprehensive cell coverage. Some kind of "third place" that doesn't revolve around alcohol. Blue sky? A board game cafe.

38	doctors office hardware store in Phoenicia	2/24/2025 9:14 AM
39	More restaurants for families. Woodstock brewery is a great example as they have wonderful food and space for families. I'd love to see something in the 214 Tavern space or in any of the downtown storefronts. A bagel place or bakery would be incredible. And a better grocery store. The supermarket in Phoenicia is disgusting and the people that work there are extremely rude especially to weekenders.	2/24/2025 9:06 AM
40	Local concerts, theatre,	2/24/2025 9:01 AM

44	Trails	2/23/2025 10:10 PM
45	gas stations, convenience stores. Trains we need our Railroad back! Ware they use to be.	2/23/2025 9:13 PM
46	1. Permanent skatepark in Smith Park for the youth of our town 2. Youth Center in Phoenicia either at the present doctor's office on Ava Maria Drive (town owns the building) or at the formerPhoenicia Elementary School 3. More retail in Pine Hill, particularly food businesses such as a pizzeria or similar- there is nowhere casual and less expensive accessible for working families and kids	2/23/2025 8:01 PM
47	Open mic, live music	2/23/2025 7:42 PM
48	Help for seniors.	2/23/2025 6:35 PM
49	Youth and Snior Activity and resource centers in the hamlets.	2/23/2025 6:32 PM
50	Access to organic foods. Better affordable restaurants. No more Riccardella monopolies	2/23/2025 5:42 PM
51	Cell service everywhere!	2/23/2025 5:23 PM
52	Hardware store in Phoenicia	2/23/2025 12:31 PM
53	General store, cafe...in Big Indian. We have a 15 minute drive to get coffee, food, to see neighbors, etc. 2 large buildings have been vacant for years (one our last general store) in Big Indian at the crossroads of 28 and Oliverea Rd.	2/23/2025 12:28 PM
54	cell service in the whole town, a hardware store in Phoenicia, more volunteer firemen	2/22/2025 10:22 AM
55	Once again, services have declined because of Airbnbs. Who in their right mind would be a volunteer fireman under these conditions?	2/22/2025 8:59 AM
56	The sidewalks on Main Street Phoenicia are inaccessible for many seniors and for walker and wheels chairs on sunny days. Now town doesn't bother to remove snow from sidewalks. Town isn't fulfilling basic functions anymore.	2/22/2025 8:46 AM
57	No places or services. They should be located in secluded places.	2/21/2025 3:15 PM
58	Hiking area more geared to older people - easy to walk - other then rail to trail	2/21/2025 12:10 PM
59	Bring back the train and make it a operational means of public transportation from Kingston to Phoenicia and beyond.	2/21/2025 12:06 PM
60	Community activities	2/21/2025 11:57 AM
61	Community Center in town	2/21/2025 10:42 AM
62	Hardware store in Phoenicia.	2/21/2025 10:11 AM

Community Survey: Shandaken Comprehensive Plan 2025

	Pickleball courts indoor and outdoor (but not where noise would impact residents).	
63	More local apartments to rent.	2/21/2025 9:12 AM
64	We could use a grocery store between Highmount and Boiceville that supports local food and is priced to locals pocketbooks.	2/21/2025 8:45 AM
65	I would love to see a plant/gardening/flower shop, a pet supply store, the return of a hardware store. I would like a real community center in Phoenicia and a gym.	2/21/2025 7:25 AM
66	We need a true 24/7 gas station. Tourists are stranded and so are truckers when the next fuel station is 20 miles away and without cell coverage.	2/20/2025 11:01 PM
67	A decent Medical practice	2/20/2025 9:36 PM
68	Terribly miss a grocery store and would b nice to have a coffee shop. Location right in town	2/20/2025 6:47 PM
69	Coffee and or breakfast along with something similar to the Belleayre Plaza	2/20/2025 6:46 PM
70	Trash pick up at the recycling center! We find someone with a truck. They charge a reasonable fee (over the bag fee at the Hunter Transfer station). Voila, they're happy to make some money, fewer bags of trash get tossed on the hwy so we're all happy about THAT, people who can't afford the steep cost of trash pick-up are nicely taken care of. Win Win Win.	2/20/2025 5:21 PM
71	Electric Charging stations, Food/Drug store and an affordable gas station along the Rt 28 roadway	2/20/2025 4:30 PM
72	Better stores on Main Street in Phoenicia. A book store? A good clothing store?	2/20/2025 4:23 PM
73	Rec Center/third space - place to hang out, pool/sauna, etc Or dedicated water-based location for residents	2/20/2025 11:48 AM
74	It might be a lot to ask because of our low population but I'd love a good quality clean large supermarket. So I didn't have to travel to Kingston. In the summer I get my produce from farmers market. But in the winter you got to travel for good quality food.	2/20/2025 11:11 AM
75	Free broadband for all. Why just Phoenicia? Comprehensive Cell phone coverage, maybe start with a plan? A transfer station, use gravel pit at Glenbrook	2/20/2025 10:17 AM
76	Coffee shops	2/20/2025 10:00 AM
77	Better cell service. But where do we put the cell towers?	2/20/2025 9:58 AM
78	Cell service would be wonderful. A gas station as well. There is quite a large gap on 28 without a gas station.	2/20/2025 8:45 AM
79	More/ better health services. Phoenicia is probably the best place.	2/20/2025 8:28 AM
80	More goods and services, especially restaurants and retail. I prefer Phoenicia and Mt Tremper for convenience sake.	2/20/2025 8:17 AM
81	New hardware store no that we've lost the one in phonicia	2/20/2025 8:06 AM
82	Some strategic placed fire houses with the equipment for quick response which could also double as a place for seniors and youth recreation space.	2/20/2025 8:02 AM
83	Auto repair, restaurants,	2/19/2025 8:18 PM
84	Any business that creates jobs for young people to be able to work locally.	2/19/2025 12:09 PM
85	Would love better parks for young children, and places that	2/19/2025 9:42 AM

	host activities for kids that are open to all children.	
86	Mama's Boy back. A hotel in the village.	2/18/2025 6:53 PM
87	Phoenicia sewage system b	2/18/2025 6:38 PM
88	We could use a grocery store! I think it should be located on Route 28.	2/17/2025 6:08 PM
89	New deli or meat market where Margaret's was or Riccadella's restaurant was. General store, camping supplies, et al - where Morne Imports was. A cafe or cheap breakfast place anywhere it fits. Town Hall and community center for the kids at the Phoenicia school. Open gym for the kids at the Phoenicia school.	2/17/2025 3:08 PM
90	Renewable energy infrastructure and sustainable practices and, as a member of the CAC, we are trying to make that happen.	2/16/2025 8:12 PM
91	A gas station , affordable hotel/house for out of town family , another store/affordable grocery store not a DD	2/16/2025 7:53 AM
92	S	2/15/2025 9:24 PM
93	Waste management transfer station	2/15/2025 8:34 PM
94	DK	2/15/2025 6:55 PM
95	I like it just the way it is	2/15/2025 6:35 PM
96	I'd love to see Phoenicia built up with more small businesses, cafes, and community spaces that encourage gathering and local engagement. A co-working space or more work-friendly spots would be valuable, especially as more remote workers and entrepreneurs move to the area. Expanding essential services, like a small grocery store or improved healthcare access, would make daily life more convenient for residents. Thoughtful development in Phoenicia—while preserving its charm—could strengthen the local economy, provide more opportunities for both locals and visitors, and create a stronger sense of community.	2/15/2025 4:42 PM
97	Gas stations / corner stores	2/15/2025 9:25 AM
98	Outdoor access for seniors	2/15/2025 8:28 AM
99	apartments for people to live	2/15/2025 8:22 AM
100	Something that will offer more jobs and cellular service	2/15/2025 8:06 AM
101	Recreational water activities, to engage to creek access but not overwhelm it!	2/14/2025 2:00 PM
102	maybe an expansion of UCat. More frequent running times and expanded routes with cross county service. A transfer station, or perhaps an agreement with Middletown transfer for residents on the county line to use that transfer station.	2/13/2025 5:36 PM
103	On Rte 28. A cleaner Grocery store (Small) Boiville Supermarket is nasty and run down. Brios is also dirty and caters to the city. Cellular Service. Better shops that also cater to locals.	2/10/2025 11:01 AM
104	Rail trail from Phoenicia to line hill	2/9/2025 11:52 AM
105	'Third places' Somewhere to casually ge ta cup of coffee, read a book, play a game, etc. More access to groceries in Phoenicia.	2/8/2025 6:11 PM
106	Grocery store	2/8/2025 12:13 PM
107	More places like the pine hill community center. They offer diverse programs for all ages. It's a welcoming and positive place. But for residents	2/7/2025 5:22 PM

Community Survey: Shandaken Comprehensive Plan 2025

in parts of Shandaken, it's a bit far to travel each way. It would be great to have something in Phoenicia or Mt Tremper

108	I think it's outrageous that one family/man owns nearly all eateries. Where's the diversity?	2/7/2025 7:17 AM
109	I forgot to mention previously that medical care needs to be improved. More health care workers	2/6/2025 10:20 PM
110	Bars, restaurants, night life. Anywhere!	2/6/2025 3:37 PM
111	Recreational swimming areas supported similarly to the fishing areas, supported by local authorities with permitting	2/6/2025 3:23 PM
112	More shops, restaurants, and galleries in the town of Phoenicia.	2/6/2025 3:16 PM
113	A second restaurant option on Main Street in Pine Hill. I may be dreaming.	2/6/2025 2:52 PM
114	Not sure about that.	2/6/2025 2:22 PM
115	Trash disposal at the recycling center. Organic community garden--I'd donate my own space if that would help. Swimming pool would be nice. Rideshare.	2/6/2025 1:35 PM
116	More relevant shops in Phoenicia and Pine Hill. More restaurants not owned by the Richardella's	2/6/2025 12:16 PM
117	Better grocery stores that don't price gouge. Places for kids to hang out.	2/6/2025 12:11 PM
118	More places open on weekdays for locals. Within hamlets, also on 28	2/6/2025 10:11 AM
119	community center for Phoenicia thers' no adequate space- if we had a waste water tx this might not be true.	2/5/2025 4:24 PM
120	Want to see organic supported independent development. Harness the broken-down charm! Maximize our outdoor strengths. Music. Arts. Trails. Mntn biking development. Walkability. An urgent care. Pine hill needs help to go from diamond in the rough to balanced creative walkable fun community!	2/5/2025 12:00 PM
121	Community center, pool facility	2/5/2025 11:41 AM
122	I'd like to see a gas station/convenience store on 28. I think Phoenicia would be more vibrant with sewer and cell service.	2/4/2025 5:16 PM
123	Less truck traffic on Rte. 28.	2/3/2025 10:22 AM
124	COMMUNITY CENTER!! in Phoenicia. Pine hill community center us wonderful but too far for some and each hamlet has their unique character.	2/3/2025 10:04 AM
125	More doctors, another community center in Phoenicia for children, teenagers and all age adults. A community pool like Olive's.	2/2/2025 8:46 AM
126	Center for childhood where parents can meet find resources & children can socialize - not a school a public center that links families, professionals, town and natural environment.	1/31/2025 3:47 PM
127	Rail trail for walking and biking	1/31/2025 1:34 PM
128	I would love to see some kind of corporate park, large state facility, healthcare facility or other job creating development that would allow us to live and work locally. Something that creates a lot of jobs.	1/31/2025 1:10 PM
129	we need a supermarket that provides good food at a good cost, we need a store in pine hill again, we	1/31/2025 6:27 AM

need to also think about why most stores close on a wednesday and figure that out as well.

130	A list of help finding resources and services, such as accountants for those familiar with the intricacies of someone employed by the arts. Maybe increased Healthcare options? There are some vacant commercial buildings that might be a good location for these things.	1/30/2025 8:00 PM
131	More food options, grocery and food delivery options would be nice. Only possible with cell service!	1/30/2025 3:26 PM
132	We need a better grocery shopping, in a location that would cut the driving (now we have to go to Margaretville or Boiceville or Kingston	1/29/2025 6:50 PM
133	A better grocery store and better medical facilities with DOCTORS.	1/28/2025 7:14 PM
134	Food options in Pine Hill.	1/28/2025 5:32 PM
135	I would like to see the town provide funding to landowners and/or property owners for creating affordable housing.	1/28/2025 5:26 PM
136	Urgent care, on 28	1/28/2025 11:54 AM
137	See above: useful retail. Reasonably priced restaurants. More reliable public transit.	1/28/2025 12:04 AM
138	Doctors offices or clinics: in a hamlet that is centrally located, easy to get to, and safe from flooding. Public transportation: frequent buses that stop in each hamlet as they make their way to Kingston and back. Private and public meeting spaces: Pine Hill would be a model if it had a coffee shop/cafe to complement the Community Center. Other hamlets have coffee shops but not a clearly defined space to act as community center. Food stores: hamlet-based grocery store that complements weekly farmer markets, could be run on a collective model, staffed by the various vendors who have products in the store.	1/27/2025 4:52 PM
139	It would be great if there was a store in Big Indian or Pine Hill. Where you could get coffee and a breakfast sandwich, milk, bread & eggs.	1/27/2025 4:18 PM
140	Would love to see an outpost (could be PT) for one of the major hospitals out of Kingston for health related services. Location can be anywhere in Shandaken.	1/27/2025 3:14 PM
141	Transfer station at Town Hall or highway garage Another gas station, to replace the closed one in Big Indian	1/27/2025 2:55 PM
142	I wish we had a really good but independent grocery store somewhere in the town. We also need a good gas station. And an urgent care center.	1/27/2025 11:39 AM
143	I think the Phoenicia food bank could be expanded. It could be located somewhere between Phoenicia and Pine Hill. For several years, I offered a fresh soup program to Jane Todd who runs the program. With a group of volunteers I offered to make fresh soups in the church kitchen and stock a freezer at the food pantry located at the church. I was rebuffed time and time again to the point where I reached out to the former town supervisor to talk to him about it. At a certain point I just gave up. I would like to reopen that conversation. I feel there are a lot of people in need that could use not only canned and pantry products, but access to fresh foods. Rec Center Pickle Ball/ Tennis Courts- indoor and outdoor	1/27/2025 8:30 AM
144	A community center for all ages..mmmm, I think the Phoenicia School is available. Heck, the town offices should move to the Phoenicia School also.	1/27/2025 7:57 AM
145	More trafic control. People are driving faster and recklessly in the last few years. Route 28 is becoming more dangerous.	1/26/2025 5:10 PM
146	Healthy, locally sourced groceries available 7 days a week, better health care services, including an urgent care clinic, and affordable housing.	1/26/2025 3:38 PM

Community Survey: Shandaken Comprehensive Plan 2025

147	Thriving business not empty storefronts or outdated/dirty businesses.	1/26/2025 3:26 PM
148	I'd like to see more thriving, welcoming businesses in Shandaken, such as cafes, grocery stores, cultural spaces, and restaurants. These could be located anywhere in Shandaken to attract visitors and better serve the community. The water issue in Phoenicia is ridiculous. Some existing businesses feel stuck in the past and empty storefronts don't help and could use revitalization, as they've become quite the eyesore. A more vibrant and cohesive business scene would make Shandaken more appealing while preserving its unique character.	1/26/2025 3:18 PM
149	I want to have more restaurants, delis, bakeries, bars, and places for gathering. As stated, I am based by Phoenicia and there is a staggering lack of business on the main street for this especially as compared to our neighbors in Tannersville or Woodstock. I'd like to see places that appeal both to the high volume of tourists that come and the locals that require goods and services.	1/26/2025 3:11 PM
150	Pine Hill currently is literally a food desert! We need a small grocery store where one could pick up a quart of milk or a bottle of aspirin. We also need a cafe/ lunch spot where friends could meet for a cup of coffee and folks can grab a sandwich without having to get in a car, drive to another town, and lose valuable time from their workday.	1/26/2025 1:54 PM
151	A real grocery store would be nice. It's a shlep to get to Boiceville IGA (and rumor has it that there factions that want it to go!)	1/26/2025 12:43 PM
152	Cell service.	1/26/2025 11:48 AM
153	Hardware store, viable and reasonably priced food store, laundromat, carwash	1/26/2025 11:20 AM
154	Better grocery store(s), cell and internet services, and transportation options for those with cars or the ability to drive. Regarding location(s), preferably out of the flood zones and within the hamlets	1/26/2025 11:05 AM
155	UPS/Federal Express drop boxes/office supply store cafes	1/26/2025 10:07 AM

160	retail stores and restaurants in Phoenicia and Pine Hill. Since Belleayre Plaza closed there is no gasoline between Phoenicia and Fleishmans or even the most basic of household goods to say nothing of a cup of coffee or a bagel	1/25/2025 3:55 PM
161	3	1/25/2025 3:54 PM
162	Pine Hill- a grocer with local products	1/25/2025 1:34 PM
163	Affordable and healthy grocery store along Rte 28 in Shandaken Hardware store UPS return store (we shop sadly too much online and have to make returns...which means a trip to Kingston)	1/25/2025 1:17 PM
164	I like it just the way it is but it would be great to have more fun things for families to do together. A skating rink, snow tubing, outdoor spa.	1/25/2025 12:06 PM
165	dunno	1/25/2025 10:37 AM

potential asset for a community space...maybe artist/crafters/woodworkers/small business etc studios for rent. The individual classrooms seem to be perfectly set up for some kind of center.

168	A complete rail trail so people of all abilities can walk, exercise, be together outdoors A food market with local milk, eggs etc. in Pine Hill A makers mart where people can produce products from food - in Pine Hill A coffee shop in Pine Hill	1/24/2025 8:15 PM
169	Pine Hill and Phoenicia- restaurants, grocery, more activities for residents, winter sports other than skiing! Skating anyone?	1/24/2025 7:11 PM
170	A subsidized Senior Center in Phoenicia - possibly located at the elementary school site, along with affordable senior housing, OR on Main St. in one of the empty storefronts. ALSO, I'd like to see new businesses thriving in the vacant Phoenicia shops - rented at reasonable rates - NOT NYC rental rates. If possible, develop NEW businesses on a NEW boardwalk that faces the stream in Phoenicia.	1/24/2025 5:03 PM
171	Local businesses that operate in a sustainable fashion, building on our natural endowment and human-scale communities without destroying these rare features of Shandaken.	1/24/2025 1:06 PM
172	more youth services, more hiking trails!	1/24/2025 12:23 PM
173	A decent food market, hardware store, EV charging infrastructure.	1/24/2025 12:16 PM
174	A community center with an effective 3rd space as well as useful support for navigating housing, health, and employment resources. Should be located near a transportation center like Phoenicia or Emmerson sections of 28	1/24/2025 11:05 AM
175	Medical services, Like blood draw or physical therapy. The Phoenicia school. Also can contain a senior center.	1/24/2025 10:37 AM
176	Pharmacy Pharmacies	1/24/2025 10:36 AM
177	We need better transportation options for folks who are without vehicles, particularly our seniors.	1/24/2025 10:10 AM
178	historically there have been little services. I accept that when my life in the Catskills becomes too difficult I will move to where there are more services	1/24/2025 9:03 AM
179	1. Breakfast restaurant (casual) on Rt 28 near Oliverea Road intersection open every day. Maybe next to the post office. 2. Small 7-11 type store that carries essentials and laundromat. 3. Voluntary community listservs to bring local information and news to neighbors who want to participate.	1/23/2025 6:20 PM
180	Downtown Phoenicia could have more shops, restaurants, music. I love the farmers market in summer.	1/23/2025 5:12 PM
181	More open shops and restaurants on main street.	1/23/2025 5:04 PM
182	A community center at the church just sold	1/23/2025 1:31 PM
183	Pine Hill, in particular, could use a cafe, a grocery store, another restaurant, and more shops to entice all the folks that visit Belleayre to stop and spend money in the town. I also think that town is missing out on a huge opportunity for a Christmas festival of sorts. This would bring a lot of people to the town and help raise money for the projects that the town wants to do. USPS absolutely needs to deliver to homes.	1/23/2025 1:16 PM
184	Affordable Groceries! I know many people in town travel to Kingston to shop, myself included. Revive the Phoenicia market!	1/23/2025 12:25 PM
185	A local store and gas station in the upper part of Shandaken not everything needs to surround Phoenicia	1/23/2025 12:24 PM

197	mountain biking trails glenview park	1/22/2025 10:34 PM

201	Groceries! It would be nice if there were access to decent food in each village. I also wish Pine Hill and Phoenicia had more thriving downtowns with various businesses.	1/22/2025 7:05 PM
202	An outdoor concert venue would be amazing, like what they've been doing with farms like Arrowood Farms in Accord. Pop up pizza parties, pop up trivia nights... things to make it feel more fun and attract a Younger crowd!	1/22/2025 6:39 PM
203	NYC be REQUIRED to compensate the ENTIRE WATERSHED for the water they take from us, not just pay Olive for the land they took. NYS compensate locals for the land they took and stop all the restrictions by both NYC and NYS. We don't want polluted water but they are destroying us with overly harsh restrictions. Phoenicia and Chichester have to filter their water but NYC doesn't have to because they are exempt ??? Why ??? It's the same water ! NYC cops pull locals over while driving on Rt 28 for going 40 at lunch time in front of the school that only requires slower speeds when school traffic is entering or leaving, not during lunch time. Offensive. Free internet access over the entire township. Loosen zoning. We can only build in flood prone areas. Just look at the zoning maps . Rediculous. Ban sale of land to NYC OR NYS. They have enough. Encourage shopping for locals, not just small expensive shops. Human services so those in need don't need to impose on others to drive them to Kingston for every little thing. I suffered an arson fire and someone had to drive me to the State Police down Rt 209 below Kingston to only sign a statement that as the owner of the property I did not ask the arsonist to set my home on fire while I slept inside. I had to appear in Kingston to theGrand Jury that took my photos of the damage. The people of the State of New York are offended by arson and it is THEIR case, not mine. I was never reimbursed for anything, not even my photos. I wish I had someone local to turn to.	1/22/2025 5:32 PM
204	I would love to see the old Hotel site developed as a sustainable housing for seniors, artists and teachers, we need them all to have a walkable town that they can afford to live in!	1/22/2025 4:41 PM

209	Nothing comes to mind at this time.	1/22/2025 3:09 PM
210	None	1/22/2025 2:57 PM
211	playgrounds, ponds, lakes and community centers where people can come together	1/22/2025 2:41 PM
212	More shops and restaurants. would love to have a gym in town	1/22/2025 2:15 PM
213	Please turn the old sand salvage building into something!	1/22/2025 2:02 PM
214	Lab facility so we don't have to travel to Kingston. Affordable grocery store. More medical services.	1/22/2025 1:59 PM
215	Coffee. Breakfast. Convenience store. Close to Belleayre (where The Cave) used to be.	1/22/2025 1:54 PM
216	Hardware store. The loss of Eric's store has not gone unnoticed. It was quite a convenience and is missed. Would be nice to see another one take its place.	1/22/2025 1:17 PM
217	Small Restaurant such as Oakleys and located between Pine Hill and Phoenicia.	1/22/2025 1:16 PM
218	Cafes, wine bars, places for folks to gather more. This would become more possible if there was municipal sewer in Phoenicia. Hamlets all around us are attracting and growing small businesses, but we seem to be at a standstill. It would also be amazing if we could get a functioning laundromat.	1/22/2025 1:16 PM
219	Restaurants where they are sensitive to neighbors and nature	1/22/2025 1:13 PM
220	Coffee/bagel shop in west end of town, like Big Indian or Pine Hill or Bellayre. Something to replace shut down Bellayre Plaza. Handy small hardware store like we lost in Phoenicia. At least ONE Post Office that is open all day and sends out mail at the END of the day instead of the next morning.	1/22/2025 1:10 PM
221	We could use more restaurants open on Tuesday and Wednesday. A medical walk in clinic (like Emergency One in Kingston) would be helpful, anywhere along Route 28	1/22/2025 1:02 PM
222	Actual cellular service in the Phoenicia area. Having to depend on Wi-Fi alone is problematic when we lose power. More places to play and see live music and theater	1/22/2025 12:46 PM
223	youth opportunities	1/22/2025 12:42 PM
224	a hardware store, a more robust grocery store, both on Main Street (dream: bookstore, esoteric shop, community arts space)	1/22/2025 12:36 PM
225	I would like to see greater information sharing of where to go if you're having a medical emergency. You're pretty SOL if you have a heart attack or something equally dire.	1/22/2025 12:36 PM
226	No suggestions here.	1/22/2025 12:33 PM
227	Better promotion access to Belleayre ski resort and Belleayre beach	1/22/2025 12:31 PM
228	Love the outdoor concerts in Big Indian park. Would like to see more classic rock covers.	1/22/2025 12:29 PM

	great, especially for locals.	
231	you need to contact an urban planner. This isn't a DIY proposition. Hire a real consultant.	1/22/2025 12:22 PM
232	I would like to see a safe walkway built on the Route 28 bridge crossing the Esopus in Big Indian. I would like to see more hiking trails within walking distance of the hamlet, and sensitive rail trail development that does not invade the privacy of homeowners' homes by passing too close, within sight of the windows of those homes, and without being so close as to be within hearing distance of walkers and bikers. Big Indian Park could be redesigned, to provide for both children's play and to provide walking trails. A bike lane on Route 47 going toward Oliverea and beyond would be wonderful, so that the road can be more safely shared between bikers/walkers and motor vehicles. We would recommend that a 25-mile-an-hour speed limit be posted on Lasher Road where cars and trucks regularly behave as though they were on a race track.	1/22/2025 12:20 PM
233	General stores such as Belleayre Plaza and Morra's - both are very much missed (location does not matter).	1/22/2025 12:18 PM
234	More restaurants and shops in Pine Hill.	1/22/2025 12:15 PM
235	Urgent Care facility somewhere between Kingston and Margaretville; More stores and restaurants for convenience in the smaller hamlets as it's an inconvenience to drive to Margaretville for everything.	1/22/2025 12:15 PM
236	It is fine the way it is.	1/22/2025 11:54 AM
237	More and better health services. Also, better access to cell phone reception.	1/22/2025 11:44 AM
238	Youth programs/ playground/ services We must do more for our future adults.	1/22/2025 11:44 AM
239	Affordable housing.	1/22/2025 11:41 AM
240	I'd love for their to be more commerce and small businesses. Phoenicia seems underutilized.	1/22/2025 11:39 AM
241	Healthcare up here is tough, more medical services would be good.	1/22/2025 11:38 AM
242	Public transit. Walking/biking/hiking trails adjacent to rte 28	1/22/2025 11:36 AM
243	A community Center in Phoenicia	1/22/2025 11:31 AM
244	Breakfast place in pine hills	1/22/2025 11:24 AM
245	The inability to make emergency calls during power outages is indeed a serious concern. Expanding cell phone infrastructure, such as adding more towers, is essential to ensuring public safety and supporting our residents' needs. Additionally, reliable cell service is a vital component of modern living, aiding not only in emergencies but also in fostering economic development and supporting local businesses.	1/22/2025 11:23 AM
246	Transfer station, hamlet of shandaken	1/22/2025 11:22 AM
247	A moderately priced dinner restaurant with healthy selections. Cell service for Oliverea Road and 28 from Mt. Tremper to the Ulster border. A hardware store in town.	1/22/2025 11:22 AM
248	More farmers markets and farm stands along Route 28	1/22/2025 11:21 AM
249	Community center / theater / activity locations	1/22/2025 11:19 AM
250	Swimming pool/rec center/gym - maybe the old Phoenicia Elementary School? More consistent and stable cell phone coverage Car service - Uber, Lyft, etc. I believe there are a lot of people who drive under the influence who wouldn't if there was an alternative option.	1/22/2025 11:19 AM

259	Food market, eating establishments, CELL SERVICE(!) & INTERNET in Phoenicia.	1/22/2025 11:04 AM
260	An affordable simple food restaurant A sports shop a larger medical center a senior citizen and youth center a arts center with continuous workshops classes and overnight housing and food	1/22/2025 11:00 AM
261	The town is already built up enough.	1/22/2025 10:59 AM
262	Cultural programs	1/22/2025 10:58 AM
263	town-wide cell service	1/22/2025 10:58 AM
264	A store in Pinehill that has real food and maybe hardware.	1/22/2025 10:53 AM
265	More than one cable/internet provider. Spectrum is too expensive. MTC needs to be encouraged to run a line here, so we have another choice. I would encourage Peter DiSclafani to call them.	1/22/2025 10:53 AM
266	More eating and drinking establishments. Wherever.	1/22/2025 10:50 AM
267	family oriented bar/restaurants.	1/22/2025 10:49 AM
268	Bring back the corner deli in big Indian.	1/22/2025 10:48 AM
269	CELL SERVICE for all of Shandaken. Grocery Stores with delivery for seniors and people who can't get out. A restaurant with delivery	1/22/2025 10:48 AM
270	Actual gym/workout facility. Also love to see more community events not just directed toward children/families exclusively, also more "third places" like maybe live music venue(s), bowling alley, etc. Maybe an annual Shandaken festival	1/22/2025 10:44 AM
271	More music and nightlife...like the Belleayre Summer Festival and the Festival of the Voice	1/22/2025 10:42 AM
272	Cell service	1/22/2025 10:40 AM
273	Children's indoor play area. Location is less important that existence of.	1/22/2025 10:40 AM
274	None	1/22/2025 10:40 AM
275	Gas food grocery healthcare	1/22/2025 10:40 AM
276	Chucks should be a gas station we need a store also	1/22/2025 10:38 AM

Community Survey: Shandaken Comprehensive Plan 2025

277	Clean up the roadside dilapidated structures on 28.	1/22/2025 10:38 AM
278	Market in pine hill	1/22/2025 10:35 AM
279	Tennis Courts	1/22/2025 10:35 AM
280	Food market-Big Indian/Pine Hill. Breakfast / Lunch / Cafe - Big Indian/Pine Hill Laundromat - Big Indian / Pine Hill. Fuel - Big Indian / Pine Hill.	1/22/2025 9:23 AM
281	More diverse restaurants, art centers, more robust educational and recreational programs at libraries and community centers with a variety of topics at low or no cost. Talks about the native americans, movies shown at the phoenicia playhouse- stuff like that. I suppose it would be best if they were located in the hamlets for easiest access	1/21/2025 8:59 PM
282	Pine Hill is food poor and lacks most services, no gas, no laundry, no place to get breakfast or lunch	1/21/2025 5:46 PM
283	As I mentioned above, a community center in Phoenicia.	1/21/2025 2:08 PM
284	More cell phone service. I work from home and when the internet goes out I'm unable to do my job.	1/21/2025 12:53 PM
285	Arts festivals (really miss Festival of the Voice), coffee shop on main street Phoenicia, to go sandwich and foods convenient to Route 28, a rec center with swimming pool in old Phoenicia School building	1/21/2025 11:16 AM
286	supermarket...something like a Trader Joe Return of the Belleayre summer concert series	1/21/2025 8:04 AM
287	Rail trails! I'm very excited about the rail trail from Highmount to Pine Hill and eventually to Big Indian. I would also like to see a big community space in Phoenicia that could be used for events by community members. More art galleries and affordable but good quality restaurants would be nice, too. (I love the Garden Cafe in Woodstock.) And more affordable places for people to live. Affordable daycare for parents with children would help support the community.	1/20/2025 11:44 PM
288	Remote work office space, general store/hardware/houseware, Community center and town hall in the Phoenicia School,	1/20/2025 11:21 PM
289	Bike paths	1/20/2025 9:12 PM
290	- gas station - grocery store - cafe where you can work remotely - thrift store (vs antique)	1/20/2025 8:46 PM
291	Delicatessen on Main Fuller medical services providing urgent care	1/20/2025 8:37 PM
292	Better restaurants, a full service recycling (we have but short hours)with garbage collection (transfer station), real grocery store aside from Boiceville, a bookstore? A sandwich place, no empty storefronts - small cafe in Chichester? A bakery?	1/20/2025 7:58 PM
293	I wish there were more family owned shops and stores like I've heard there used to be. The single hamlet of Shandaken once had a butcher shop, general store, ice cream shop, gas station, grocery, and more. But we have dollar generals in Olive and big box stores to blame for undercutting these mom and pop shops. Most importantly crosswalks and sidewalks in Phoenicia and in Pinehill!!! I want more attention as previously mentioned on the Shandaken historical museum.	1/20/2025 7:38 PM
294	A clean grocery store. Cafes open tues and wed western shandaken	1/20/2025 7:16 PM
295	Play areas for kids and teens- and after school and vacation programs for preteens and teens. Old Phoenicia school, town owned land in Phoenicia or other	1/20/2025 6:01 PM

	hamlets.	
296	New businesses and most activities should be focused in the hamlet centers of Pine Hill and Phoenicia. We can distribute wealth throughout the town by encouraging arts and cultural activities and by regulating short-term rentals well.	1/20/2025 4:43 PM
297	Groceries	1/20/2025 3:34 PM
298	Affordable housing, a wastewater treatment plant in Phoenicia, more rail trail development.	1/20/2025 3:08 PM
299	Cultural activities and public art- in the hamlets and along the main roads	1/20/2025 2:07 PM
300	Closer transfer station for trash removal, a well-resourced grocery store with competitive pricing	1/19/2025 8:12 AM
301	Main Street Pine hill would be a good place to start. The Wellington hotel is part of that "start".	1/18/2025 11:31 PM
302	Can't say	1/18/2025 9:55 AM
303	Restaurants, auto mechanics, hardware store...anywhere.	1/17/2025 11:02 PM
304	More local raft stores and better cel service along RT 28.	1/17/2025 8:03 PM
305	None	1/16/2025 9:17 PM
306	Community Center where residents can go, especially for our children and our seniors. The Phoenicia Elementary School would be a good site.	1/15/2025 5:07 PM
307	hardware store, art supplies, gear, laundry, public 'rest stop'. Main Street hamlets, on Route 28, consider expanding HC in Mt. Tremper to include all of the properties across from the Emerson, including Andrew Lane.	1/9/2025 12:15 PM
308	It would be great to have more retail goods and services. On 28 and in the villages.	1/7/2025 7:18 PM
309	Don't think we need increased services, but rather improved town cleanups for pinehill and phoenicia. Personally I feel there is too much emphasis on the cell tower, will it actually be helpful or will we find it brings more texting and driving type accidents? at the same time, I know for emergency persons its needed to assist better.	1/7/2025 12:01 PM
310	Health care (doctor, NP, PA) even a couple of days a week.	1/7/2025 11:35 AM
311	Laundromat. A wish would be a cafe that is truly a place to drop in with a newspaper or laptop to pass time and - more importantly - catch up with neighbors. Margaret's deli?	1/7/2025 9:54 AM
312	A good affordable bakery. Margarets store or Riccadella's	1/6/2025 4:26 PM
313	I wish we had more "regular" stores, and less boutiques. A good hardware store, shoe store, etc. I hate driving to Kingston all the time! Phoenicia is a great location for me!	1/6/2025 12:09 PM
314	A clean small grocery shop with discounted prices for seniors and others in poverty level More entertainment A service for those that do not drive or can not drive anymore that is reasonably priced And for those who can not dig themselves out of a snowstorm perhaps a volunteer program or something like that.	1/6/2025 5:27 AM
315	Another restaurant would be nice in Phoenicia.	1/6/2025 2:55 AM
316	Walk-in medical facility in Phoenicia or Pine Hill. Better transportation options. Perhaps on-call.	1/5/2025 10:20 PM

Community Survey: Shandaken Comprehensive Plan 2025

317	Cell service for safety—no dead spots. A way for more homeowners to afford solar energy. Better more affordable supermarkets with healthy food available in our town of Phoenicia down through to pine hill. Affordable housing.	1/4/2025 10:13 AM
318	Respecting existing wildlife and ecosystems education.	1/3/2025 4:16 PM
319	Supermarket, bakery, another gas station	1/3/2025 3:08 PM
320	Cell service, more housing, less tourism.	1/3/2025 3:05 PM
321	I'd love to see a mini mart (not chain) where Mara's used to be. Closer store for necessities.	1/3/2025 2:50 PM
322	Cultural and educational spaces, in and around Phoenicia up to Andes	1/3/2025 1:31 PM
323	I would love to see a any of the following: good quality grocer (the Phoenicia Supermarket is NOT a grocery store) on Main St. in Phoenicia.	1/3/2025 8:19 AM
324	A good quality grocery store.	1/1/2025 11:33 PM
325	Nursing, rehabilitation, and emergency medical services. The disused elementary school might be a good location for this.	1/1/2025 11:17 PM
326	Phoenicia needs a community center.	1/1/2025 11:15 PM
327	More arts workshops whereby local artisans can teach and exhibit their trade.	1/1/2025 9:30 PM
328	Not sure	1/1/2025 9:12 PM
329	More options for groceries and dining, and how about a legitimate hardware store! Particularly in Phoenicia, where I'm afraid we're losing important/necessary services to artsy establishments (fine if they can coexist though).	1/1/2025 4:35 PM
330	More dinner options, or a wine/cafe bar that sells good cheese and a loaf of bread that is in town	1/1/2025 4:18 PM
331	A better grocery store in Phoenicia or Pine Hill. A deli in Phoenicia.	1/1/2025 3:21 PM
332	cell phone service.	1/1/2025 12:10 PM
333	Strong cell service throughout the town, esp. in and around Phoenicia/Chichester. That would solve a myriad of problems.	1/1/2025 11:57 AM
334	dependable cell service; low income housing; gas station (anywhere on 28); Trailways bus stop needed in Pine Hill; prepared food stores (takeout)	1/1/2025 11:41 AM
335	Affordable restaurants. Affordable groceries that are decent quality. Phoenicia.	1/1/2025 10:41 AM
336	Restaurants, food shopping. On the western side of Phoenicia	1/1/2025 10:25 AM
337	Phoenicia needs businesses in all of those empty buildings. Including the old school. Pet food store, hardware store, senior center, youth center. Arts center.	1/1/2025 10:14 AM
338	Happy with what we have. Be great if someone reopened tubing.	1/1/2025 1:15 AM
339	We should have good cellular coverage throughout the town, as it is a safety issue because phone booths no longer exist.	12/31/2024 11:16 PM
340	It would be great if we could attract more medical practitioners,	12/31/2024 11:15 PM

ideally in Phoenicia or Mt. Tremper. And I miss the hardware store. I'll take one anywhere at all within the town limits. I would love a prepared food option a la Bistro to Go, also anywhere at all but ideally Phoenicia or Mt. Tremper . If the sewer ever comes into Phoenicia, it would be nice to see a small hotel pop up in town to serve as a flagship for visitors and locals socially. We lack such a core. On a related note, it would be great to have a rec center in Phoenicia, ideally one with a gym. The only one in town (the Emerson) is not very well equipped.

341	Auto Service stations, Grocery stores, butcher shops, like what main street Phoenicia used to be	12/31/2024 8:35 PM
342	Xy	12/31/2024 6:25 PM
343	Day care, health services, located along major roads for accessibility.	12/31/2024 6:20 PM
344	Fed ex	12/31/2024 4:12 PM
345	More restaurants and cafes. Would love to see main St Phoenicia with more thriving businesses	12/31/2024 3:21 PM
346	A better grocery store with more fresh foods, in Phoenicia.	12/31/2024 1:17 PM
347	Housing. Housing for working people. Housing for seniors. Housing for artists and musicians. Housing for families. Also more shared spaces.	12/31/2024 11:05 AM
348	Cellular service widely available in the area particularly in Phoenicia	12/31/2024 10:46 AM
349	A good market in Phoenicia. More places for people to stay, also Phoenicia. Hardware store. The stores in Phoenicia all need to be occupied. We need a water system to support them.	12/30/2024 1:53 PM
350	An up to date town hall with community center.	12/27/2024 6:34 AM
351	More restaurants, stores, entertainment in Main St. I'm Pine Hill.	12/25/2024 12:22 AM
352	Better food markets in Phoenicia and Pine Hill. medical offices, along route 28 corridor .	12/23/2024 9:15 PM
353	Would love tennis courts! Would love to see the boarded up storefronts utilized. A deli!!	12/23/2024 3:25 PM

Q6 What do you not have in Shandaken that you wish was here rather than having to travel? Where do you go for this now?

#	RESPONSES	DATE
1	Access to food shopping at cheap prices.	3/10/2025 2:06 PM
2	Hardware store, non-designer clothing store, children's store, family activity place (bowling, arcade, batting cage, roller-skating, etc.)	3/10/2025 9:38 AM
3	1. Dance studios - I travel to Saugerties and Red Hook, 2. work - I travel to Woodstock, Kingston, and Saugerties, 3. Health food store - I travel to Woodstock and Kingston	3/9/2025 10:19 PM
4	Medical care. Access to supermarket. Travel to Kingston.	3/4/2025 8:45 PM
5	A small grocery store that offers real food at a reasonable price. Boiceville store, but I'm thinking of something smaller	3/4/2025 2:27 PM
6	Larger grocery store and gas station west of Phoenicia along route 28 (we currently go to Kingston, Boiceville or Margaretville)	3/1/2025 5:36 PM
7	I go to Kingston to shop at big box stores and am happy that the local stores are small businesses	3/1/2025 9:45 AM
8	A mall, a laundry mat, pharmacy or movie theatre	3/1/2025 1:58 AM
9	Currently, most food and household supply items need to be sourced from Kingston, Woodstock or Hunter. Having a local general store would be amazing to our community.	2/28/2025 3:59 PM
10	Cell service	2/28/2025 8:57 AM
11	Playgrounds and a place for my daughter to ride her bike. We go to olive playgrounds and rail trail. I wish our town would put a walking path along the portion of rails we have thru town so at least we would have a place to go for a run or walk (since we have no sidewalks) or ride a bike with my daughter without having to put bikes in a car and drive to the rail trail.	2/28/2025 7:48 AM
12	Affordable groceries.	2/27/2025 4:27 PM
13	Good food	2/27/2025 1:49 PM
14	SEWER IN PHOENCIA, A YOUTH CENTRE IN PHOENCIA ,AN OUTSIDE SWIMMING POOL IN PINEHILL . A LARGE INDOOR SPACE FOR KIDS TO DO PARCOUR OR RUN AROUND IN THE WINTER TIME. A BUTCHER, BAKERY. AFFORDABLE FOOD STORE THAT SELLS FRESH PRODUCE,	2/26/2025 8:00 PM
15	easy access to swim in the Esopus w/out harassment	2/26/2025 3:15 PM
16	The only thing I travel for is to go to big shopping centers, but I'm fine with that being a distance away.	2/25/2025 6:58 PM
17	I cant think of anything that should be here that could be supported by the current population. A better grocery store, more restaurants, doctors would be good, but i don't think our population can support that.	2/25/2025 1:52 PM
18	Grocery Stores and Hospital/clinic, I drive out to Kingston every week for all these.	2/25/2025 11:52 AM
19	Hardware store Laundry services	2/25/2025 8:38 AM

Community Survey: Shandaken Comprehensive Plan 2025

20	Grocery	2/25/2025 7:35 AM
21	Mechanic - Saugerties or Kingston; Walt is nearest(ish), but overwhelmed - if there are others, they don't show in a Google search Car Service when dropping a car at a mechanic - a car once drove me home from Kingston for an insane \$150; no other choice Hardware Store (RIP) - Wadler Bros Pharmacy - nearest are CVS's in Woodstock or Margaretville Ambient dinner restaurants with knowledgeable wine - nearest are Foxfire (our design, but often too booked by weddings to show friends), Oliver's (near-ish, but grumpy), Shandaken Inn (closes early), or Print House (Fleischmanns) Cozy shops with viable (updated) goods - there's a new one in Phoenicia that's popped up by the barber and conflicting political banners, but it's absurdly expensive. A buy/sell/trade vintage shop would be wonderful. There used to be one at the end of the driveway between the Phoenicia Belle and the gas station? Faye's Blue Barn is great for cycling out homewares, but reviving the fun clothing market is often asked of by visitors. I'd actually have lots to contribute, as I'm often a consultant for a robust film/TV costume shoppe with too much inventory.	2/24/2025 11:26 PM
22	I hate to say it but a reasonable grocery store. Phoenicia store prices for basic needs are outrageous. More children's events and classes locally	2/24/2025 10:19 PM
23	Better grocery store.	2/24/2025 6:29 PM
24	Cell service.Miles away to connect to a server.	2/24/2025 5:48 PM
25	medical care.	2/24/2025 3:24 PM
26	Hardware store - wadlers, Woodstock, Tannersville or Kingston A supermarket Laundry Garden center Gym/rec center Somewhere to get smoothies or healthy food that isn't expensive like Bettina or Phoenicia diner	2/24/2025 3:18 PM
27	health care (doctors, PT, testing services - MRI, etc) Woodstock and Kingston	2/24/2025 2:50 PM
28	Grocery store,kingston	2/24/2025 2:46 PM
29	Grocery store	2/24/2025 2:26 PM
30	Supermarkets	2/24/2025 12:25 PM
31	Health centers, supermarkets	2/24/2025 11:27 AM
32	Gym	2/24/2025 11:12 AM
33	UNK	2/24/2025 11:11 AM
34	Swimming pool , Kingston or Arkville	2/24/2025 11:02 AM
35	Venues for music and dance.	2/24/2025 11:01 AM
36	Grocery store. And the mark-up at IGA in Boiceville is so high that I've calculated it's worth the gas and wear-and-tear on my car to drive to Hannaford in Hurley. Cell reception - currently a 12-minute drive from my house for reliable cell service. An actually baby-friendly restaurant or cafe (with a changing table). Those are hard to find generally. Hunter Mountain Brewery.	2/24/2025 9:14 AM
37	see aboce	2/24/2025 9:14 AM
38	Groceries. We bring them with us from the city because there are no great options. Kids activities- hiking excursions, fly fishing etc	2/24/2025 9:06 AM
39	No comment	2/24/2025 7:45 AM
40	medical kingston	2/24/2025 7:25 AM
41	Groceries! Iga in Boiceville Walmart in Kingston	2/23/2025 11:33 PM
42	Cell service	2/23/2025 10:10 PM
43	Fuel, Lunch, Als farm stand. We have to travel meany miles in all directions to try to get these things.	2/23/2025 9:13 PM

Community Survey: Shandaken Comprehensive Plan 2025

44	Fresh Food market with fresh produce and other essentials to be located in Phoenicia. Nearest supermarket is Boiceville and that is very expensive and uninviting. Hardware store- have to go to Woodstock, Fleischmans or Kingston Bakery and butcher- nearest is Boiceville Bread Alone and have to go to Kingston for reasonably priced meat	2/23/2025 8:01 PM
45	Live music but Woodstock is close by. Sometimes I feel we're a suburb of Woodstock for the arts. Wish. We had the arts upstairs here again and 60 Main a community store and the Phoenicia times newspaper	2/23/2025 7:42 PM
46	Laundering	2/23/2025 6:35 PM
47	Indoor activity areas for inclement or winter weather activities. Currently go to private out of town centers.	2/23/2025 6:32 PM
48	CELL PHONE SERVICE PLEASE. DECENT PRODUCE	2/23/2025 5:42 PM
49	Food shopping, cell service	2/23/2025 5:23 PM
50	Hardware store . Now I go to Kingston or to Woodstock	2/23/2025 12:31 PM
51	A good recreation/community center. I have heard that the Phoenicia Elementary School has been offered to the town for \$1. It could have town offices, basket ball, volley ball, exercise classes, inside - and outside recreation as well. Many other possibilities for that building I'm sure.	2/23/2025 12:28 PM
52	reasonably priced groceries and gas(Woodstock or Kingston), a hardware store(Woodstock or Kingston)	2/22/2025 10:22 AM
53	People of every income level. Artists, writers, musicians, dancers actors, where are they now? Get rid of Airbnbs, and at least some of them could return.	2/22/2025 8:59 AM
54	Better doctors. Kingston, Rhinebeck, Newburgh, Poughkeepsie.	2/22/2025 8:46 AM
55	Nothing.	2/21/2025 3:15 PM
56	Movie theater .	2/21/2025 12:10 PM
57	Medical services are limited. The Shandaken recycling facility service is limited and could use expansion to allow more items than are currently allowed	2/21/2025 12:06 PM
58	Reopen the old ski mountain	2/21/2025 11:57 AM
59	Community Center Pine Hill	2/21/2025 10:42 AM
60	Indoor swimming pool - in Arkville. Pickleball courts in Tannersville. Dancing in Kingston	2/21/2025 10:11 AM
61	Hardware store, affordable grocery store.	2/21/2025 9:12 AM
62	Seems to be my topic. Haha. Grocery store. I drive to Kingston to food shop. You fill your buggy up at the IGA opposed to Hannaford or the big W on Kingston it's a dramatic diff. IGA is crazy expensive. In my opinion pandering to weekenders pocketbooks not thinking of locals.	2/21/2025 8:45 AM
63	Pretty much what is listed in #5.	2/21/2025 7:25 AM
64	I wish we had a real grocery store. All we have in Phoenicia is a bunch of junk food at the gas station or Phoenicia Market. Options are limited. We need a true grocery store. We've needed this for decades.	2/20/2025 11:01 PM
65	Hardware store. Kingston or Wadlers in Fleischmanns	2/20/2025 9:36 PM
66	Grocery store ... I go to Kingston	2/20/2025 6:47 PM
67	Market or grocery store	2/20/2025 6:46 PM
68	Someplace to dance.	2/20/2025 5:21 PM

Community Survey: Shandaken Comprehensive Plan 2025

69	Medical Care, larger drug store, must travel to kingston/woodstock/Margaretville, hunter	2/20/2025 4:30 PM
70	A good hardware store. You need to go to Woodstock or Kingston now.	2/20/2025 4:23 PM
71	Easy access to beautiful views - mostly going to ashokan, kaaterskills, and surrounding areas.	2/20/2025 11:48 AM
72	Super market. I travel to Kingston now to food shop	2/20/2025 11:11 AM
73	A decent supermarket	2/20/2025 10:17 AM
74	Supermarket	2/20/2025 10:00 AM
75	The 50-mile round trip to Kingston for shopping, once a week.	2/20/2025 9:58 AM
76	An affordable grocery store	2/20/2025 8:45 AM
77	Although not in Shandaken, an upgrade to the Boiceville Market or a better grocery store. I don't like "if I make the drive" I can get better groceries at a better price.	2/20/2025 8:28 AM
78	More medical services and a decent supermarket. I have to go to Kingston for this.	2/20/2025 8:17 AM
79	Hardware home improvement Kingston	2/20/2025 8:06 AM
80	An urgent care center. In between the local hospitals.	2/20/2025 8:02 AM
81	Phoenicia sewer	2/19/2025 8:18 PM
82	Im good	2/19/2025 12:09 PM
83	All that was listed above. I have to drive my son to Olive for story time because our library doesn't have anything, Arkville for swim lessons just to give him a local activity with other kids, and if I want to bring him to a park or any other type of fun kids place we have to drive to Woodstock, Kingston, or Dutchess county	2/19/2025 9:42 AM
84	A grocery with more produce. To Kingston or Woodstock.	2/18/2025 6:53 PM
85	Better stocked grocery	2/18/2025 6:38 PM
86	Supermarket. I travel to Woodstock, Kingston or Margaretville.	2/17/2025 6:08 PM

102	Better mountain biking trails Vermont	2/9/2025 11:52 AM
103	A closer rec center where we could workout or even swim. A grocery store in Phoenecia would be great.	2/8/2025 6:11 PM
104	Grocery store, Kingston due to high prices	2/8/2025 12:13 PM
105	I would LOVE a nice grocery store. I go to tannersville for short grocery lists and Kingston every 2or 3 weeks. I'd love a public pickleball court. I play in Tannersville.	2/7/2025 5:22 PM
106	Reliable medical care and emergency services. Kingston is too far away, and is also short on medical support as is the entire contry.	2/7/2025 7:17 AM
107	Some medical services, but there are a lot of amenities here already. More job opportunities	2/6/2025 10:20 PM

212	Local food store near Big Indian on Rte. 28	1/22/2025 1:16 PM
213	I go to Kingston and Woodstock for a variety of dining options. There are more going west, but the variety and ease of travel make the aforementioned most attractive with the occasional jaunt to Mornings in Arkville and Print House in Fleischmanns.	1/22/2025 1:16 PM
214	A good grocery store	1/22/2025 1:13 PM
215	A good grocery store! 30+ miles to Kingston is a burden! Margaretville, Boiceville are too expensive. It would be great to have ONE reliable working auto garage that could fix a flat or diagnose a problem, and the like, instead of driving to Arkville or Fleischmanns.	1/22/2025 1:10 PM
216	Grocery Store - something better in Phoenicia. I'm in Big Indian so I go to the Freshtown in Margaretville or all the way into Kingston. I miss the convenience store at the old Bellayre Plaza in Pine Hill.	1/22/2025 1:02 PM
217	Phone service. Have to travel to Boiceville or west on 28.	1/22/2025 12:46 PM
218	movie, theater, arts Local markets	1/22/2025 12:42 PM
219	robust grocery store; I go to IGA or West Hurley Hannaford hardware store + bookstore; I go to Woodstock community arts + art supply store; I go to Kingston	1/22/2025 12:36 PM
220	Nothing really. We go to Kingston for proper grocery shopping, and to Margaretville if we specifically need CVS.	1/22/2025 12:36 PM
221	Medical care. I go to either Kingston or Woodstock.	1/22/2025 12:33 PM
222	Better supermarkets. Competition will improve quality and drive down prices.	1/22/2025 12:31 PM
223	Supermarkets or small market with necessities. Gas station.	1/22/2025 12:29 PM
224	Affordable grocery stores - Kingston	1/22/2025 12:26 PM
225	A real hardware store, additional food options.	1/22/2025 12:22 PM
226	Food store (Phoenicia Market is not representative of a real market. Either that or make them fix it up. The market is a sad site.	1/22/2025 12:22 PM
227	We no longer have a gas station/charging station between Phoenicia and Fleischmanns (15 miles apart). (We lost the gas station and garage in Big Indian many years ago, and the Belleayre Plaza closed about two years ago; although it is now reopening soon as a drive-thru Dunkin with a gas station (and hopefully, with several charging stations). Let me add, I am extremely disappointed that Pine Hill allowed this unsightly commercial franchise to open on our designated scenic by-way that is Route 28, and it is especially outrageous that they approved a drive-thru, which is unnecessarily harmful to the environment, spewing out greenhouse gas emissions, when people could just park and get out of their cars for their damn donuts. I strongly object to this decision and hope that it is not too late to rescind the drive-thru feature of this plan. It is terrible for the environment and our Catskills Park! We currently drive to either Phoenicia or Fleischmanns to fill up. We also miss having a small groceries and deli market -- we were lucky to have Morra's Market and Belleayre Plaza for many years, both only a few miles from our house. A medical facility and lab for blood tests! My husband and I have to go to Kingston for most of our health needs. We're grateful for the doctors office outpost in Phoenicia! Sadly for the residents of Shandaken, the BioReference lab facility in Boiceville closed in the middle of the pandemic--we now have to drive all the way to Kingston.	1/22/2025 12:20 PM
228	A well-stocked supermarket with healthy food options and reasonable prices (currently travel to Boiceville or Margaretville).	1/22/2025 12:18 PM
229	N/A	1/22/2025 12:15 PM
230	The only good supermarket is in Margaretville, so there is no choice. We need a home good store otherwise have to drive to Kingston to get everything.	1/22/2025 12:15 PM

231	Nothing	1/22/2025 11:54 AM
232	Access to more food. I have to go to Hannaford in W. Hurley to get what I can't in Boiceville.	1/22/2025 11:44 AM
233	Supermarket with reasonable prices, doctors, most things are in Kingston.	1/22/2025 11:44 AM
234	Better places to eat a prepared meal.	1/22/2025 11:39 AM
235	Healthcare is really only available in Kingston, that's a bit tough. Food delivery would be nice too, but i get why thats hard. Maybe drone delivery is the answer?	1/22/2025 11:38 AM
236	Medical services; traveling 25+ miles for appts or services is common. The med/pharma trends are bad and resources are leaving us stranded even as town ages	1/22/2025 11:36 AM
237	A place to dance	1/22/2025 11:31 AM
238	A Jewish Deli with Pastrami sandwiches	1/22/2025 11:24 AM
239	One thing Shandaken lacks is access to affordable groceries locally, which forces many residents to travel to Kingston or other nearby towns. This creates an inconvenience, particularly for those with limited transportation options or tight schedules. Having a grocery store or co-op in Shandaken would not only save time and resources but also support the local economy by keeping more spending within the community. A local grocery store would enhance convenience, reduce travel, and contribute to the town's self-sufficiency.	1/22/2025 11:23 AM
240	Nothing	1/22/2025 11:22 AM
241	Hardware-Wadlers, restaurants Kingston, Woodstock, Fleishmans etc. A deli in Big Indian would make a huge difference.	1/22/2025 11:22 AM
242	More food markets	1/22/2025 11:21 AM
243	A larger store that has a wide variety of goods. Kingston.	1/22/2025 11:19 AM
244	A gym somewhere local. Could the town provide to residents at a reduced fee?	1/22/2025 11:15 AM
245	Hardware store	1/22/2025 11:14 AM
246	Better more reliable healthcare nearby (the reputation of the Margaretville hospital is not good and for any serious health issues, many residents are forced to travel to very far away health facilities).	1/22/2025 11:13 AM

277	A nice organic and natural foods store and cafe. I now mostly go to Kingston to shop at Mother Earth's but also sometimes to Sunflower in Woodstock. Because of our relatively low population, I know this is a big ask.	1/20/2025 11:44 PM
278	Great public art outdoors in parks, villages, businesses, etc. Many towns all over the US and the world are way ahead of Shandaken in this respect.	1/20/2025 11:21 PM
279	Small farmer market like mt tremper or migriollies	1/20/2025 9:12 PM
280	- a hardware store - a deli - a CVS	1/20/2025 8:46 PM
281	Supermarket..go to Boiceville. Hardware store offering full service. Like Singer Denman used to offer.	1/20/2025 8:37 PM
282	A hardware store - I go to Woodstock. A bookstore/cafe - Woodstock, Rhinebeck, Kingston. A space for community gathering for classes, meetings, events - the library is great but space is limited. A "town" paper.	1/20/2025 7:58 PM

Community Survey: Shandaken Comprehensive Plan 2025

283	Snall grocery stores. I wish we had more active and used community spaces (the library's are pretty active but even more so) and more events in Phoenicia.	1/20/2025 7:38 PM
284	Transfer station. Hunter	1/20/2025 7:16 PM
285	Access to swimming. Local kids grow up without ever learning to swim. This is a major safety deficit.	1/20/2025 6:01 PM
286	More electric vehicle charging stations (I go to Kingston and can charge an EV while shopping or working.)	1/20/2025 4:43 PM

288	I wish the gym and pool in Arkville was in Shandaken. I wish Adams was here.	1/20/2025 3:08 PM
289	Better access to healthcare. I get it on Long Island.	1/20/2025 2:07 PM
290	A Hannaford-type grocery store, more casual restaurants	1/19/2025 8:12 AM
291	A good coffee/ lunch spot and light grocery availability	1/18/2025 11:31 PM
292	A walk to a grocery store	1/18/2025 9:55 AM
293	Hardware store. Dentist.	1/17/2025 11:02 PM
294	A transfer station for trash. The recycling center at town hall is good, but I have to drive to Hunter to dispose of anything large.	1/17/2025 8:03 PM
295	Supermarket. Boiceville IGA	1/16/2025 9:17 PM
296	Affordable grocery and hardware stores, also store like CVS. Have to go to Kingston for most things.	1/15/2025 5:07 PM
297	Bulk organic groceries -- Albany.	1/9/2025 12:15 PM
298	I wish we had a big box pharmacy like a CVS. The local pharmacy is good but not terribly comprehensive. I wish we had a hardware store. I wish we had more live music. And a few more options for evening fun.	1/7/2025 7:18 PM
299	Better grocery store. IGA is okay and not too far.	1/7/2025 12:01 PM
300	See above. Perhaps a walk in clinic once a week (or more!).	1/7/2025 11:35 AM
301	Don't want anything from Ulster Ave to plant itself in our town! (ie Dunkin Donuts, CVS).	1/7/2025 9:54 AM
302	Cell Service, Reliable internet. Any where there is an open signal.	1/6/2025 4:26 PM
303	See above. And I am finally, finally almost passed this point, but there were many many years where I was desperate for childcare for preschool age, and then before and after school care, and it's so limited in our area. The only reasonably priced one followed a "school schedule", which closes frequently and dismisses early starts/late all the time. Very inconvenient for an inflexible work schedule.	1/6/2025 12:09 PM
304	A small hardware store and an info booth in town	1/6/2025 5:27 AM

1	Food shopping, doctors, pharmacies.	3/10/2025 2:06 PM
2	At least once a week I am forced to go to Ulster Avenue in Kingston / Lake Katrine to buy home maintenance items and / or children's items from large retailers. I always check Woodstock first, and I frequently find stuff at their hardware stores, but clothing and school needs can be hard to find. I grocery shop at least twice a week. The choices here are OK, but not great.	3/10/2025 9:38 AM
3	1. I go on walks with friends on various roads and paths in Phoenicia. Some paths I walk to and some I drive to (or bike to in warmer months).	3/9/2025 10:19 PM
4	Grocery shopping, drive to Kingston. Dispose of garbage, drive to West Hurley. Drop off recyclables in Shandaken.	3/4/2025 8:45 PM
5	1) Walking/hiking. 2) going to restaurant for a meal	3/4/2025 2:27 PM
6	Ski at Belleayre, work out at Catskill Recreation Center, visit restaurants in Phoenicia, go to Phoenicia farmer's market (in Pine Hill or downtown Phoenicia), Migliorelli, Bread Alone	3/1/2025 5:36 PM
7	Day to day food shopping at the iga in boiceville. With runs to Kingston every other week to shop big box stores	3/1/2025 9:45 AM
8	Go to Phoenicia by car	3/1/2025 1:58 AM
9	Weekly Grocery Shopping (Mother Earth, Sunflower or Sunfrost), Lowes for a variety of tools, house maintenance needs, Services such as doctor, dentist, eye doctor, glasses, dry cleaner on occasion).	2/28/2025 3:59 PM
10	Grocery Shopping - IGA , Boiceville / Hannaford, West Hurley / Sunflower, Woodstock - easy to drive to Things for the house + personal hygiene - (ex. storage bins / printer paper / hair dye / makeup/ etc) - Target, Lowes, Home Depot, Home Goods in Kingston - easy drive down 28 though it is far away Sewing + Art Supplies - Joann Fabric (though that will soon be gone), Kingston / Catskill Art Supply, Kingston / Michael's, Kingston	2/28/2025 11:55 AM
11	Hike with dogs (rail trail or other areas), get food out (Brio's)	2/28/2025 8:57 AM
12	Grocery shopping at sunflower-Phoenicia farmers market is wonderful but wish we had an actual grocery store. The prices at the IGA are insane. Activities with my daughter-I drive to Kingston once a week for little gym and to Woodstock for her music classes. Wish we had something similar in town. Health and fitness -the closest affordable gym is gym 28, which is really far to go if you're trying to go on a regular basis. That plus the fact that there is no safe road to run/walk/ride a bike on in town makes fitness difficult here. I go to the Emerson but that is not affordable nor large enough of a facility for a majority of our population. How nice would it be to have a section of rail trail along rail explorers where you could go for a run right from Phoenicia?	2/28/2025 7:48 AM

17	I go to work at Onteora Central. It's convenient because it's easy to get to from Phoenicia, and I shop at IGA for groceries and when I have a bigger grocery run, I go to Hannaford or Sunflower Market. Everything is pretty conveniently close to Phoenicia. I get pizza and go to restaurants most frequently around my home in Phoenicia.	2/25/2025 6:58 PM
18	I drive daily to Bearsville to my office, to be closer to places for lunch, activity, and stores. For groceries and doctors, i go to Kingston.	2/25/2025 1:52 PM
19	I go to work in Woodstock, I sometimes go out to eat there as well. Groceries in Kingston, Doctor's office in Kingston	2/25/2025 11:52 AM
20	Gym	2/25/2025 8:38 AM
21	Ski at belleayre, dinner at the pines, coffee bread alone	2/25/2025 7:35 AM
22	What caters more to this is saying that if renters are here - either backhouse if we're home, or main house if we're out of town - they shop Margaretville or Woodstock strips at least once per stay. I give a lengthy guidebook incentivizing them with stay discounts if they show receipts of having eaten and shopped along 28 (and not including Phoenicia Diner). I most encourage Phoenicia, Mt T and Shandaken, and they tend to stay closer to those for food than shopping.	2/24/2025 11:26 PM
23	Daily - woodland playhouse Weekly or biweekly - Hannafords in Hurley or Kingston to stock up on everyday grocery and things Sunfrost farms in Woodstock is also vetter and more consistently stocked than our options for quality, reasonable produce	2/24/2025 10:19 PM
24	Hike, gym, lumberyard Be nice to have a nice place to workout without driving 20 miles	2/24/2025 6:29 PM

67	Shopping groceries etc , coffee shop, getting fuel	2/20/2025 10:00 AM
68	My once-a-week shopping trip to Kingston, gassing up someplace that is affordable and driving to town to get my mail.	2/20/2025 9:58 AM
69	Grocery shopping - all the way to Kingston. Any sort of shopping I do involves a trip to Kingston. I support our local IGA and Mt. Tremper Farm stand but they don't have enough of what I need.	2/20/2025 8:45 AM
70	I go to the "gym" at the Emerson and grocery shopping.	2/20/2025 8:28 AM
71	I have to go a few times a week to Kingston for shopping and doctors appointments and mechanics etc.	2/20/2025 8:17 AM
72	Food shopping Kingston as the local stores around here are double in price way to take care of your own all they do is cash in on the tourest anymore	2/20/2025 8:06 AM
73	Restaurants Phoenician, Peekamoose, Diner. Supermarket Boiceville all by car. Hardware store was great but...easy to do these trips.	2/20/2025 8:02 AM
74	Eat out	2/19/2025 12:09 PM
75	We go to church (we drive 20-45 mins because there is only one church here), sometimes go to a diner for lunch (in Kingston because the places here aren't the most family friendly/affordable except our beloved Brios, which we can't do all the time), and grocery shopping which we go to West Hurley or Kingston for what we need because we don't have a good grocery store here.	2/19/2025 9:42 AM
76	Post office in Phoenicia. Fishing in esopus. Hiking or walking in woodland valley. Ice cream station.	2/18/2025 6:53 PM

104	Grocery shopping in Kingston 1x weekly. Errands in Woodstock 1X weekly. I don't have a car so I rely on the UCAT bus. Sometimes this means a long wait before returns. It would be great if we had a rideshare coordinator we could call for possible availability. Most of my medical appointments are in Kingston, again a little tricky to get ride coordinated.	2/6/2025 1:35 PM

117	Go to Margaretville- get grocery items, visit the thrift store, maybe get a cup of coffee. Visit the Pakatakan Farmer's Market or the Phoenicia Farmer's Market even if it's just to look around. Stop in Pine Hill Community Center for the thrift stop, the wifi, a program, or the Farmer's Market.	1/31/2025 1:10 PM
118	Kingston for food, clothes, household groceries. Rt 28 which sucks on the weekends and pretty much sucks all the time because of people driving at 30 mph looking at the trees. take out food or stay in food at the Phoenicia Plaza, or Bread Alone, or the Diner; bottled water at Phoenicia Market or Sunoco in Boiceville, the routine is okay, the weekly or semi monthly trips to Kingston and beyond are ridiculous but a present fact	1/31/2025 6:27 AM

126	Walk, swim, or ski in the mountains. For walks, I can access 2 trails by foot from my house. Swims in lakes require 30-40 minutes driving. Skiing is a 5 or 30 minute drive, depending on whether I go to Belleayre or Hunter. I go to the library, community center, and farmer's market regularly. All within walking distance when the market is in Pine Hill. When it's in Phoenicia, the drive is about 15 minutes. Weekly grocery shopping in Phoenicia is a 25 minute drive. Mediation in Arkville is a 10 minute drive once a week.	1/27/2025 4:52 PM
127	Route 28 Big Indian to Shokan is my daily work commute. Route 28 to Fleischmanns, Arkville or Margaretville. Route 42 to Lexington and then to Prattsville.	1/27/2025 4:18 PM
128	- Food shopping is a combination of supermarkets located either in Woodstock (Sunflower), West Hurley (Hannaford) or Boiceville (IGA)(depending on the items). Great combination of fresh produce, product variety and price points. Easy to get to all three locations as we both currently drive. If driving is no longer viable, we would opt for home delivery. - Dining out. Significantly more variety of high quality dining options in Woodstock. Woodstock is less than 20 minutes away. Very easy drive. - Hardware - (2) great hardware options in Woodstock. Woodstock Hardware and Houst.	1/27/2025 3:14 PM
129	Go to work in Mount Tremper via car, fairly easy except for poor weather. Walk with my dog, either on my road or via car to a trail. Fairly easy. Farmers market on Sundays in Pine Hill. Somewhat tricky because there are no other services or businesses open nearby. Would like to see more there.	1/27/2025 2:55 PM
130	1. Ars Choralis weekly rehearsals in Kingston: drive to and from on 28 from Pine Hill to Kingston sunday nights. I have to give it up in winter because of unpredictable weather. 2. Piano lessons weekly in Woodstock: drive 28 to 212 during day.	1/27/2025 11:39 AM
131	I tend to group my routines and errands together because everything is so far and time consuming. I drive everywhere. 1. Go to post office in Phoenicia then drive to Mt Tremper to work out with my personal trainer. Then get back in the car and go to Bread Alone, Pharmacy or IGA in Boiceville, or go back to Phoenicia to Bettina then home. 2. Go to Kingston to a doctor's or other appointment. Stop at several big box stores. Make an Amazon return at UPS, have lunch in Kingston at Mother Earth, maybe stop at a friend's house in Woodstock on the way home, maybe do a workout somewhere on the way home if it's scheduled. Try to do work from my car in between, but it is often difficult because cell service is so spotty, which makes living up here so frustrating.	1/27/2025 8:30 AM
132	This is an odd question.	1/27/2025 7:57 AM
133	Hiking daily all over the mountains, gardening.	1/26/2025 5:10 PM
134	Grocery Shopping - This is close to impossible. I go to Topps and IGA or Mother's Earth and Hannaford, all of which are a big drive away. Outdoor recreation - Hunter Mountain, Kaaterskill Falls, Creeks and River, Ice Climbing, Rock Climbing Trash - I either drop off by the Town Hall or in Hunter's dump	1/26/2025 3:18 PM
135	Grocery Shopping - It's not easy to do this routine. I either go to Topps in Tannersville or IGA in Boiceville (both of which are poor options for fresh produce or organic items), or Mothers Earth or Hannaford in Woodstock or Kingston. Shandaken sorely lacks a decent grocery store. Huge kudos to the Phoenicia Farmers Market effort - what a delight and something I try to go to when I can. Enjoy a dinner out - It's also not easy to do this routine. I usually have to drive >20 minutes outside of most Shandaken hamlets to accomplish this. Hike - I enjoy our walking/hiking options within a 30 minute drive, including the fantastic Rail Trail, Tanbark Trail, etc	1/26/2025 3:11 PM
136	Post office, vet, dinner or lunch out a couple times a week, physical therapy, gym. The Peekamoose and The Shandaken Inn are two great restaurants within a 10-minute drive. Also, Mornings in Arkville	1/26/2025 1:54 PM

158	Post office located at the Emerson. Very frustrating because it's been years since the bridge project began and all you can do is pickup your mail. You have to go to Phoenicia or Boiceville to do business such as sending a package. I've been trying to pay for my P.O. Box for years and he can't take payment. I also can't make the website work. It's no wonder why the PO is in trouble financially. How long did they pay rent before actually using the building? And don't even get me started on the Mt. Temper (their typo) sign. Is a fully working, efficient PO too much to ask? Some extended hours would be nice.	1/24/2025 10:37 AM

182	Nothing is easy. Took the UCAT bus from Boiceville in January one year with groceries in bags. Bus was one hour late because it waited for a transfer person. I had to stand on the side of the road in the dark in the bitter cold. Then a car pulled up and told the driver the back lights were out. Had to wait for another bus to arrive. Bitter cold. Frozen groceries and me too. So upsetting. I never took the bus again. No gas stations where I live or stores. No cell phone reception when you get a flat. Very expensive to drive anywhere for basic needs. Helicopter rides to Albany Med are very expensive. No Urgent Care. Seniors used to get a free bus ride to shop in Kingston just for them. No more. Used to be community Senior Lunch at very low cost where mobile Seniors could get together for lunch at the Phoenicia United Methodist Church. They would be picked up and brought to the church in a bus and the driver would also swing around and let them shop at the grocery store, bank, post office and even the liquor store. No more . It was great for seniors to get out and socialize, especially for those living way up one of the Valleys and found it difficult to get to Phoenicia otherwise.	1/22/2025 5:32 PM
183	Grocery shopping. Hikes. Thift store at the church. Going to Mass. I have to go to the hardware store a lot so that's sad that we don't have one anymore. But we do have a bank. Our grocery store needs help!	1/22/2025 4:41 PM

186	Walking from home to work and back again. About a 3 mile walk from mountains, over stream, over stream again, and along route 28. I walk along Miller Road, Rt. 212, and Rt. 28. I often am aware that I'm taking my life in my hands as I cross the Esopus bridge on Rt. 28, but I have no other way to get to work. I appreciate the broader pedestrian space, but the speed of cars going by is sometimes terrifying. It makes me upset that this is the only way I can get from place to place - not everyone drives a car (I do), but everyone who can walk should have the right to do so with some degree of safety.	1/22/2025 3:17 PM

207	Just one example: I travel to NYC nearly every week for 2 days and I have not found a convenient public transportation alternative from Big Indian. UPAC is not that reliable. I need to get to either the bus in Kingston or the train in Rhinecliff or Poughkeepsie. I would rather not make this trip by car. The Trailways bus trip takes 4 hours, too long for a two and a half hour trip. I would like to see the UPAC service improved, so that people can conveniently get to the Kingston bus station or the Rhinecliff train station. The better the service, the more it will be used!	1/22/2025 12:20 PM

219	Two key weekly routines are grocery shopping and eating out. Currently, grocery shopping often requires traveling outside Shandaken, such as to Kingston, to access a wider selection of affordable options. Eating out is another regular activity, typically enjoyed at local restaurants within Shandaken when possible, as it supports the community and provides a chance to connect with others. Expanding options for both within Shandaken would make these routines more convenient and strengthen the local economy.	1/22/2025 11:23 AM

Q8 If there was one thing you'd change or fix in Shandaken, what would it be and why?

Answered: 330 Skipped: 139

#	RESPONSES	DATE
1	Affordable housing regulations.	3/10/2025 2:06 PM
2	Cellular phone service. I run a small business and I cannot run even the shortest of errands when I am expecting a call. I cannot get ahold of a repairman or contractor if they are on a job somewhere without service. It is the single most frustrating thing getting in the way of me trying to run my business and I cannot even imagine what it's like to be a plumber or electrician or landscaper, etc.	3/10/2025 9:38 AM
3	Affordable housing because a lack of affordable housing is both a problem on its own and a root cause of other issues that impact the long-term viability of our town. For example, without affordable housing local organizations, including emergency services) don't have enough volunteers, and local businesses have a harder time finding and retaining staff.	3/9/2025 10:19 PM
4	Have a transfer station. Access to medical and dental services. Because these services don't exist here.	3/4/2025 8:45 PM
5	Keeping loud motorcycles out of Phoenicia. The noise is intrusive for every resident	3/4/2025 2:27 PM
6	Hazard or stop light at intersection of 28 & 212	3/1/2025 5:36 PM
7	I'm fairly new to the area and am happy so far	3/1/2025 9:45 AM
8	The Cell Service!	3/1/2025 1:58 AM
9	The speed on Rte 28 and Rte 214 from Phoenicia and Chichester. The hazardous road way past silver hollow bridge that is falling into the Warner Creek along with the poorly maintained road. Require building codes to be enforced for delinquent properties that are vacant or rented. More accountability for landlords and tenants garbage. Reason, respect for the community, safety of residents and a general sense of pride for where we live.	2/28/2025 3:59 PM
10	Empty store fronts	2/28/2025 11:55 AM

13	Close the portal and stop over 100 years of the DEP using our stream as an aqueduct.	2/27/2025 4:27 PM
14	Infrastructure	2/27/2025 1:49 PM
15	PHOENICIA NEEDS A SEWER AND SIDE WALKS- FOR THE RESIDENTS OF PHOENICIA AND SO THAT NEW BUSINESSES CAN COME ITO OUR HAMLET , AND EXSISTING ONES CAN BE MORE SANITARY, OR EASILY SOLD ,	2/26/2025 8:00 PM
16	I would outlaw airbnb's, I would stop giving special permits to conduct business in residentially zone areas	2/26/2025 3:15 PM
17	I would prioritize cell service. People complain about the lack of full time residents, but there aren't a ton of jobs physically here (or at least not that pay really well). However, I know people who work remotely who work in all sorts of isolated areas--but they need Internet service. Here, if power goes out, there's no cell service as a backup in a lot of places. I live in Phoenicia, so there's no cell service which means remote work isn't reliably feasible for residents. And it's a concern for emergencies too. My dad had an accident and never would have made it if the Internet wasn't working at the time because we have no	2/25/2025 6:58 PM

cell service. He was alone in the house and wouldn't have been able to get off our mountain to get help. That's a big safety issue.

18	Invest in long term infrastructure that will attract new families that can afford to live here.	2/25/2025 1:52 PM
19	Have a place or a town where the people can congregate, walk around and not Phoenicia.	2/25/2025 11:52 AM
20	Rent out empty store fronts	2/25/2025 7:35 AM
21	The Building Department So many thousands of dollars spent on a brick wall that waffles between negligence and corruption. As if a vendetta is being enacted against anyone purchasing since 2020. Such a sad way to conduct an office that is meant to be supportive to tradesmen and their contributions to the stature and safety of structures. Further to the corruption is the short-sightedness regarding rentals and tourism. I started the SuperHost program in 2014 to define standards, and if Shandaken takes issue with an amount of listings catering to the amount of tourists, then use listing and design/service quality standards with proven prowess as a prioritization weeding, not whatever I'm hearing people suffer this year and last with the design-feature-worthy homes they own and hoped to meticulously share. It's just such a tired battle. We all pay taxes, we all pay bills, we all pay fees, we all shop and eat and contribute. We are homeowners, and skilled at it. So many are so fed up.	2/24/2025 11:26 PM
22	More kids activities because we have a young child and I don't want to be constantly driving to Woodstock and Kingston. 2nd = more options for reasonably priced foods and everyday needs to avoid trips to Ulster Ave	2/24/2025 10:19 PM
23	Cell service, no explanation necessary	2/24/2025 6:29 PM
24	CELL SERVICE	2/24/2025 5:48 PM

27	Run down oroperties	2/24/2025 2:26 PM
28	Fix or take down dilapidated dwellings	2/24/2025 12:25 PM
29	The lack of cell service	2/24/2025 11:27 AM
30	Cell phone service & making first responders a priority	2/24/2025 11:12 AM
31	Cell and radio service for first responders	2/24/2025 11:11 AM
32	Air B&B's should have less so young people can afford to stay here	2/24/2025 11:02 AM
33	Cell service. Dangerous not to have. I live alone and almost 84.	2/24/2025 11:01 AM
34	Infill housing in Phoenicia and Pine Hill, along with parking garages with architectural flourishes so they didn't look like brutalist monstrosities.	2/24/2025 9:14 AM
35	Get rid of air bnbs	2/24/2025 9:14 AM
36	Downtown Phoenicia needs to be revitalized. It's such a beautiful and convenient location but the empty storefronts and dilapidated buildings are so sad.	2/24/2025 9:06 AM
37	Imrpove some of the road works (especially in Pine Hill), community garden to grow vegetables, educational farming.	2/24/2025 9:01 AM
38	Nothing	2/24/2025 7:45 AM
39	lower speed on rt 28	2/24/2025 7:25 AM
40	Cell service	2/23/2025 10:10 PM
41	Make it more business friendly. We need more employment options. Get rid of the drug dealers. Attrack new businesses into town. Make people want to open stores, Gas stations restaurants etc. Get some more tourist attractions. The Rail road would be a good start.	2/23/2025 9:13 PM

42	A sewer system for Phoencia would be a game changer. Phoencia homeowners live in constant fear of ancient cess pools or septic failing and due to Phoencia turning down the offer from NYC 18 years ago the Catskill Watershed Authority will not guarantee they will cover the cost of new septic tanks in Phoencia. A sewer would open the way for new businesses in town and revitalisation of our extremely shabby looking main street with new sidewalks and modern street lighting etc.	2/23/2025 8:01 PM

45	Infrastructure upgrades from roads to communications.	2/23/2025 6:32 PM
46	Access to better grocery store and produce	2/23/2025 5:42 PM
47	I'd bring back Belleayre Plaza. Food, shopping, hardware etc.	2/23/2025 12:31 PM
48	I am disappointed that there are so many vacancies. Phoencia School, Phoencia Deli, Phoencia Hardware store, Ricciardella's Restaurant, Belleayre Plaza, Morra's Market, the other restaurant across from what was Morra's Market (can't remember its name)....	2/23/2025 12:28 PM
49	stop the Knotweed	2/22/2025 10:22 AM
50	No airbnbs	2/22/2025 8:59 AM
51	Housing - block LLC and corps from ownership. STR license should be restricted to full time residents	2/22/2025 8:46 AM
52	Repair roads so it doesn't seem like driving over rubble. Fixing historic buildings, walls and bridges. This is the history of our area, important to repair and preserve.	2/21/2025 3:15 PM
53	Roads and cell service	2/21/2025 12:10 PM
54	Better roadway surfaces. The difference on 214 at the Hunter line is astounding.	2/21/2025 12:06 PM
55	The town board	2/21/2025 11:57 AM
56	Bring back Phoencia Times	2/21/2025 10:42 AM
57	There used to be a discount ski program for Shandaken residents at Belleayre which was a great way for kids to learn.	2/21/2025 10:11 AM
58	Sidewalks	2/21/2025 9:12 AM
59	Grocery store with reasonable prices for locals.	2/21/2025 8:45 AM
60	I can't narrow it down to one. I would fill the empty storefronts, build more apartments and houses, install sewers in Phoencia, better staff our firehouses...	2/21/2025 7:25 AM
61	It'd better promote the Empire State Railway museum and put a stop to all rail trail building activities. Embrace the rails. We have mountain trails all over. Rebuild the railroad and start another train operation (rail explorers included) from Phoencia to Boiceville. Connect the people of the Ashokan trail to take a train to Phoencia. This is very simple to accomplish if we had the right people in charge and had a vision to do so.	2/20/2025 11:01 PM
62	Stop future airbnb's to allow more available homes for our local young adults to purchase	2/20/2025 9:36 PM
63	Affordable housing and food store	2/20/2025 6:47 PM
64	Affordable housing	2/20/2025 6:46 PM
65	I'd like to receive confirmation of star applications being accepted and filed/processed. It makes me apprehensive because I don't know for sure that that process went through. You send in the paperwork and hope they got it. That could be better.	2/20/2025 5:21 PM

Community Survey: Shandaken Comprehensive Plan 2025

66	Better internet/emergency access	2/20/2025 4:30 PM
67	We'd have a municipal sewer system in Phoenicia, so new construction could happen.	2/20/2025 4:23 PM
68	As community nothing the people are great. For the kids, more group sports, art, social activities. We need a place closer for a supermarket	2/20/2025 11:11 AM
69	Have the town form a committee to address broadband and cell phone coverage. There is no reason for this things to move at a snails pace and a committee could address it as a group instead of one or two council people.	2/20/2025 10:17 AM
70	Cell service	2/20/2025 10:00 AM
71	Summer weekends are brutal in Phoenicia. Yes, love the business it brings but how do we get our visitors to be more civil?	2/20/2025 9:58 AM
72	I would love to see cell service as well as the back rural dirt roads maintained a little better.	2/20/2025 8:45 AM
73	People need better and more affordable housing. People are not going to drive from Kingston to work at the Boiceville Market or the Emerson or the Peekamoose etc.	2/20/2025 8:28 AM
74	I am tired of all of the hate mongering and jealousy of the long time locals towards the newcomers. Newcomers are mostly not even that new. It is not helpful in my quest to have a healthy and happy life.	2/20/2025 8:17 AM
75	Shopping at a reasonable priced place not these price gouging places that cash in on the tourist	2/20/2025 8:06 AM
76	I Love Shandaken and would not change much. Somehow make it easier for small businesses to survive. Creating a healthy friendly environment where people love to visit stay a little while and support those businesses.	2/20/2025 8:02 AM
77	Phoenicia sewer	2/19/2025 8:18 PM
78	Reduce town hall staff. Many jobs need to be streamlined or eliminated.	2/19/2025 12:09 PM
79	Would love there to be more of a community especially that encourages families to live here and stay here. Also support for the GOOD landlords that are here who are trying to provide more housing for locals, less airbnbs that are making costs of housing across the board go up, etc.	2/19/2025 9:42 AM
80	Sewage system!!!! No development is possible in village, while Rt 28 is starting to look like Rt 17 in New Jersey. This continuing will kill tourism since the scenery is still the biggest draw. Look at Rt 28 between Kingston and Rt 375: it's all but a stretched out shopping mall. Development needs to be contested in the village!	2/18/2025 6:53 PM
81	Phoenicia sewage system	2/18/2025 6:38 PM
82	I would not allow visitors to drive fast and stress others out. I would fix the roads and make the lanes clearer on Route 28.	2/17/2025 6:08 PM
83	Fill all the empty stores in Main Street and make the school a community center	2/17/2025 3:08 PM
84	A simple and impactful, maybe, project that's restorative and helpful would be to rehabilitate abandoned properties for full time residential availability, low or medium income.	2/16/2025 8:12 PM
85	Get rid of the Democrats Ideas/ governing doesnt help locals	2/16/2025 7:53 AM
86	Waste management transfer station	2/15/2025 8:34 PM
87	cell service	2/15/2025 6:55 PM
88	Start clean up volunteering crew die creek areas and the graffiti on the bridges.	2/15/2025 6:35 PM
89	One of the biggest things I'd change in Shandaken is improving cell service and expanding healthcare options. Reliable cell service is essential for	2/15/2025 4:42 PM

both safety and daily life, especially as more people move to the area and work remotely. Better healthcare access, whether through urgent care, more local providers, or expanded services, would make it easier for residents to get the care they need without having to travel far.

90	I'd clean up the power lines, trees are all over them. I'm assuming that's what leads to down power. Cell service could be much improved.	2/15/2025 9:25 AM
91	Affordable houses ng and less STRs.	2/15/2025 8:28 AM
92	Better Supervisor and Town Board	2/15/2025 8:22 AM
93	Lack of jobs and cellular service	2/15/2025 8:06 AM
94	More specific public events to engage our vacationing population. A varied schedule would engage them while they are here (and yes get them to leave in a timely fashion) But certainly welcomed back to bring financial support to all the communities.	2/14/2025 2:00 PM
95	not sure	2/13/2025 5:36 PM
96	Cellular Service. Because of the weather. Like the floods when we had NO communication for weeks.	2/10/2025 11:01 AM
97	Investment in infrastructure of the hamlets	2/9/2025 11:52 AM
98	Cell phone service.	2/8/2025 6:11 PM
99	B&BS, no where to live or now no one can afford to buy a home	2/8/2025 12:13 PM
100	I would like more restaurants that are affordable for families. It's gotten fairly expensive to eat out in Shandaken.	2/7/2025 5:22 PM
101	The underbrush in Catskill Park and surrounding areas must be removed. We've had drought and fire restrictions two years in a row. Oddly enough, flood is also a major concern.	2/7/2025 7:17 AM
102	Medical services- hard to get appointments	2/6/2025 10:20 PM
103	Have the support for start up food and tourism businesses to open and flourish	2/6/2025 3:23 PM
104	I'd like our road to be a town road rather than a private one to be better serviced in the winter.	2/6/2025 3:16 PM
105	The Pine Hill parking lot. Poor drainage.	2/6/2025 2:52 PM
106	Get an updated water system for Phoenicia!!!	2/6/2025 2:22 PM
107	Trash drop-off at the recycling center and even though this is two; I'd like to see some Chrismans lights on Rt 28 in Big Indian. This is the darkest, un-merriest stretch of highway I've ever lived in. It would be great if we had a tree that could be seen from the highway rather than hidden down in the gazebo.	2/6/2025 1:35 PM
108	Eliminate the drug problem and Airbnb's	2/6/2025 12:16 PM
109	SIDEWALKS. They are very dangerous in Phoenicia.	2/6/2025 12:11 PM
110	Terrible infrastructure for roads, "sidewalks" bridges- the bridge to Belleayre beach and lake has been gone for 7++ years	2/6/2025 10:11 AM
111	fix the town website, fix the lack of business opportunity in Phoenicia- due to septic issues, I love PHCC but wish we had one in Phoenicia.	2/5/2025 4:24 PM
112	Route 28 safer. Perhaps guidelines median. NO dunkin donuts/chains. Retain historic charm and feel but Modernize approaches and outward facing look to things. My kids say the area is creepy. It's telling. Harness and reinvent ourselves from the glory days. Similar to what Wildwood NJ has done. Took the doo wop charm and feel, carried it forward and doubled down.	2/5/2025 12:00 PM
113	Revitalize Phoenicia business	2/5/2025 11:41 AM
114	Lower taxes. I would like to see what the city could	2/4/2025 5:16 PM

do to get out of the way of development that residents want.

115	Prohibit commercial trucks on Rte. 28.	2/3/2025 10:22 AM
116	Community center that offers something for everyone. And transportation for seniors	2/3/2025 10:04 AM
117	The traffic - dangerous drivers. I have been in almost accidents or driven to the shoulder by drivers speeding and passing illegally. Fix the roads and potholes also.	2/2/2025 8:46 AM
118	All the seemingly abandoned properties especially the large commercial spaces looks like junkyards as you travel on 28z	1/31/2025 3:47 PM
119	Margrateville Internet access	1/31/2025 1:34 PM
120	Lack of jobs.	1/31/2025 1:10 PM
121	traffic congestion on the weekends	1/31/2025 6:27 AM
122	I love Shandaken.	1/30/2025 8:00 PM
123	See anove	1/29/2025 6:50 PM
124	Medical center because of health needs.	1/28/2025 7:14 PM
125	Not enough housing thats affordable, especially in walkable main street! Do many abandoned buildings! I would make main street 100% occupied and build up a couple stories.	1/28/2025 5:32 PM
126	Get rid of STR License limits. It prevents people from attempting long term rentals for fear that if unsuccessful, they won't be able to get their Airbnb back	1/28/2025 5:26 PM
127	Better Internet to fix all the dead zones	1/28/2025 11:54 AM
128	pedestrian infrastructure -- more walker-friendly everywhere!	1/28/2025 12:04 AM
129	Make the Highway Superintendent job report to the town supervisor so this part of town government is more responsive to the residents and its operation more transparent.	1/27/2025 4:52 PM
130	Phoenicia should have accepted the offer from NYC-DEP to have a WWTP built. To keep the Esopus clean and have responsible development for Phoenicia.	1/27/2025 4:18 PM
131	Hold another vote to proceed with an investment from NYS/NYC to add waste treatment in Phoenicia. Part of the original waste treatment plan was constructing new tree lined sidewalks, and a pedestrian walkway along the Esopus river. Both of these elements would have ensured that Phoenicia retain a moniker it earned a few years ago (by popular vote); One of America's 10 Coolest Towns (which is no longer the case...sadly). Not having waste treatment and all the other aspects of the NYS Wastewater Treatment Plan is hurting Phoenicia. Our perception is Phoenicia is experiencing a slow death.	1/27/2025 3:14 PM
132	Make STRs legal for full time residents only. Present hosts convey the character and charm of the Catskills, while also protecting the local community and its vibrant future. Absent hosts deplete the housing stock and potential for more full time residents.	1/27/2025 2:55 PM
133	I would give priority to local businesses and, if possible, prevent large chain businesses from opening. So far, the only chain I know of is the proposed Dunkin Donuts at the old Belleayre Plaza.	1/27/2025 11:39 AM
134	We need more access to fishing and watering holes in the summer for recreation for locals. Seems like nothing is available and even on Woodland Valley Road, the public access fishing spot seems to have disappeared. The sign is down and no one even knows if they can fish there or not because a local resident seems to have posted it has his own.	1/27/2025 8:30 AM
135	(Besides reopen the Phoenicia School). I'd love to see the Ashokan rail trail continue east through Shandaken (maybe when the Rail Explorers contract is up).	1/27/2025 7:57 AM
136	Traffic control is becoming a big problem during weekends.	1/26/2025 5:10 PM

Community Survey: Shandaken Comprehensive Plan 2025

137	Lack of affordable housing	1/26/2025 3:38 PM
138	As an avid outdoorsman, I don't appreciate driving by houses with yards cluttered with junk. These accumulations reduce property values, create eyesores, pose hazards to children, and present potential health risks. We need to enforce regulations to address this issue.	1/26/2025 3:26 PM
139	Cell service - there's no reason we should not have this in 2025.	1/26/2025 3:18 PM
140	Bring Shandaken into the 21st century - fix the water issues plaguing the town, install proper cell service, incentivize business (and penalize all the empty storefronts and tubing lots), create a friendlier environment between locals and weekenders, institute a clear communication system between officials and residents.	1/26/2025 3:11 PM
141	Spotty internet connectivity on Route 28 and lack of a convenient lunch/ cafe and small store for essentials.	1/26/2025 1:54 PM
142	Rejuvenate Main Street Phoenicia to have a more diverse selection of shops (missing the hardware store and a yarn/craft supply as well as a Fly Fishing store would be excellent!) and clean up the sidewalks & curbs (cracks, uneven, no clear parking markings) maybe a clear painted crossing by the Egg Nest and by the bridge by Rt. 214.	1/26/2025 12:43 PM
143	Change the airbnb policy to a straightforward tax structure instead of this weird permitting	1/26/2025 11:48 AM
144	Clean up the scenic byway and any properties that are in violation of health and safety codes	1/26/2025 11:20 AM
145	More public transportation options	1/26/2025 11:05 AM
146	cell service	1/26/2025 10:07 AM
147	A good sewerage system in Phoenicia and other hamlets that lack sewerage	1/26/2025 6:32 AM
148	A	1/25/2025 9:23 PM
149	Sidewalks and roads	1/25/2025 7:21 PM
150	Access to health care	1/25/2025 5:04 PM
151	The town supervisor. He's been fairly ineffective and not very communicative	1/25/2025 3:55 PM
152	more affordable housing for working people	1/25/2025 1:34 PM
153	I would create a Grace period for business that remain empty on Main St...after which the owner is required to rent out the space or utilize. The endless empty storefronts is depressing in the Town and affects tourism and residents alike.	1/25/2025 1:17 PM
154	Safety on the roads, especially Route 28	1/25/2025 12:06 PM
155	short-term rentals	1/25/2025 10:37 AM
156	Cell service: it could be literally a matter of life or death and it's annoying	1/25/2025 8:45 AM
157	Encourage and make it easier for young families to live here.	1/25/2025 7:52 AM
158	Slow down the traffic on 28; Focus on how to make Pine Hill's downtown a hub for food and housing; Create a head of public works that is a civil service position; Hire a grant writer for the Town to bring in more \$ for essential services; Create a community development agency to help homeowners and tenants fix up properties and rehabilitate commercial spaces. Do a better job of integrating Shandaken into the larger region's nonprofit and government entities so we are visible and known.	1/24/2025 8:15 PM
159	Fix up the main street to support our tourists and build our economy. Consider Housing in any plan moving forward	1/24/2025 7:11 PM
160	A sewer system in Phoenicia. Lack of same drastically limits economic development and capacity for our business center.	1/24/2025 5:03 PM

Community Survey: Shandaken Comprehensive Plan 2025

161	More scheduled bus service (Trailways and Ulster County), with clearly designated stops and drivers instructed to pick up and drop off passengers at these sites.	1/24/2025 1:06 PM
162	More bike paths to connect the different hamlets. for recreation and transportation	1/24/2025 12:16 PM
163	I would encourage residents to spend less time on Facebook and more time getting to know one another over shared interests/ investments in the community. I would magically create a range of opportunities for individuals to engage in civic support like volunteer firefighting but accessible to more people.	1/24/2025 11:05 AM
164	The dangerous intersection at the Mt. Tremper bridge before someone dies there again. Guard rails need to be on both sides not just one.	1/24/2025 10:37 AM
165	New sidewalks.	1/24/2025 10:36 AM
166	I would like our town government to be more responsive and efficient.	1/24/2025 10:10 AM
167	more laws against chemical uses and pesticides and poisons.	1/24/2025 9:03 AM
168	Cellular service EVERYWHERE. NO DEAD ZONES. Ukraine's battlefield has better service than Shandaken.	1/23/2025 6:20 PM
169	Cell service would make me feel safer and less isolated, particularly when cable or power goes out.	1/23/2025 5:12 PM
170	Cell service. Families and especially seniors are very vulnerable when electricity goes out and there is no cell service.	1/23/2025 5:04 PM
171	A four way stop sign at the corner of main and Ava Maria. When the street is full of parked vehicles one is pulling into the intersection blindly.	1/23/2025 1:31 PM
172	Embrace the future - it is here.	1/23/2025 1:16 PM
173	As a local person to be treated not as an inferior person with some of the new people on committees	1/23/2025 12:24 PM
174	Leave us like we are and stop trying to make us where you came from	1/23/2025 11:57 AM
175	Flood mitigation It's dangerous	1/23/2025 10:33 AM
176	More childcare offerings; more local food offerings in Pine Hill	1/23/2025 9:46 AM
177	Get the bike path/rail trail completed from Big Indian to Highmount finished. And or a bridge across the weir so walkers / bicyclists can get to the Belleayre Beach without going on Rt 28	1/23/2025 8:21 AM
178	Changing the rail bike REX to a rail trail where Speed limit signs on Mt Pleasant and Andrew Lane where businesses have increased traffic	1/23/2025 8:20 AM
179	all good	1/23/2025 8:15 AM
180	Enforce STR law, make it stronger	1/23/2025 6:50 AM
181	Bring back the Catskills Mtn railroad from Phoenicia to the Ashokan reservoir	1/23/2025 5:43 AM
182	.	1/22/2025 11:47 PM
183	local government being friendlier, compared to the haughty attitude of the current one	1/22/2025 10:55 PM
184	The highway department. The roads are hideous, only repaired after they fail instead of being maintained, plow drivers are drunk.	1/22/2025 10:39 PM
185	a municipal sewer system in Phoenicia!	1/22/2025 10:34 PM
186	The politics of the town that keeps it from moving forward.	1/22/2025 8:44 PM
187	Fire the administration and get the damn hotels out of the government.	1/22/2025 8:24 PM

new business . we need new business and lodging for people to visit and stay not just drive through.

189	I would fix the Town's ability to deal with abandoned, falling down homes and buildings. There are so many around town. Especially in Pine Hill. There's a building literally falling into a village street that has been 'condemned' for years. There has been zero progress on getting the house torn down or rehabbed in YEARS. Shandaken needs the tools and resources to be able to deal with these properties.	1/22/2025 7:05 PM
190	Faster response time from officials communicating between public, board and Ulster County... it's ridiculous how long things take to get done	1/22/2025 6:39 PM
191	Get NYS and NYC off our backs and for a change try to help us . Olive taxes are half what Shandakens are and they have a swimming pool ! NYS gave NYC permission to take our water and all we get are restrictions and oppressive mandates. Get their nose out of our lives and if they want our water and so much land they should compensate us. Change the zoning. The only buildable land outside of town REQUIRES 5 ACRES. People that can't afford houses turn to mobile homes but the zoning requires huge set backs and side yard requirements that force them to buy very big lots so they still can't afford those prices. Only "City people" can Buy up properties and charge huge rent amounts as absentee landlords. More good paying jobs to keep young people here. We are like surfs that city people hire to clean their houses, mow their lawns and shovel their snow. No wonder our kids all move away. Who wants to drive all the way to Kingston to work in a store for low wages. Now they even took our elementary school away.	1/22/2025 5:32 PM
192	I wish Sweet Sue's was still here. It was such a community gathering spot and had something for tourists and locals. But more realistically -- I would love to run a cool space for teens and young adults. A real community center. The church serves that function a little but something more cool and open at times that young people would want to come, with a skate ramp and pool tables and other stuff teens like. Likewise for seniors, and with transportation via a shuttle. I would make a better grocery store and move the gas station so we can have a more charming and walkable Main Street. I would also put a labrinth and maybe a park on Main Street with a place for kids to play, more places for people to gather and walk. And most of all, I would love to build a historically appropriate housing space in the old hotel spot, with shops at the bottom but affordable housing for seniors, artists and teachers in the tradition of Mitchell Lama housing (ownership but no profit for selling).	1/22/2025 4:41 PM
193	increased mass transportation to Kingston. Busses. Trains! - oh, that's not going to happen anymore...	1/22/2025 4:32 PM
194	Stricter enforcement of speeding limits on 28 and feeder roads	1/22/2025 3:46 PM
195	Oops, I guess I covered that in my rant above. But also - better pedestrian access everywhere. In my dreams there would be a pedestrian path/sidewalk on Plank Road, connecting the hamlet of Mt. Tremper to Phoenicia.	1/22/2025 3:17 PM
196	Based on public social media comments, locals pretty much hate any change or process. Start recognizing the value from dollars by tourists and weekend visitors. Get some damn reliable cell service. It's 2025 after all!	1/22/2025 3:14 PM
197	Plow pattern on our road. The current plow makes no sense. Parking enforcement on our road.	1/22/2025 3:09 PM
198	You are doing a great job. There is no need for further development and services.	1/22/2025 2:57 PM
199	Roads in my village are unbearable. Local bridges are in need of repair	1/22/2025 2:41 PM
200	more housing	1/22/2025 2:15 PM
201	Housing for young people, less abandoned structures, all of the nightlights from the setting cabins and rentals on 28. Too many lights on at night!!!!	1/22/2025 2:02 PM
202	The things that were already mentioned above. For convenience, especially if you're retired and on a fixed income.	1/22/2025 1:59 PM
203	Restoring old houses/buildings with history, taste, and culture in mind.	1/22/2025 1:54 PM

Community Survey: Shandaken Comprehensive Plan 2025

204	More activities for children of various ages at Big Indian park.	1/22/2025 1:16 PM
205	I'd say there is so much that is great it would be difficult to name one thing. Fire services are excellent, road clearing is usually quick and thorough... it'd be helpful if police could enforce right-of-way access. Firewood guy on corner of 28 and 212 has sprawled wood, machinery, vehicles, all over state land. Total eyesore and illegal use of public property.	1/22/2025 1:16 PM
206	Reconsider limiting short term rental	1/22/2025 1:13 PM
207	GET CELL SERVICE. And clean up the collapsing buildings and junk cars! Tax them out of existence.	1/22/2025 1:10 PM
208	More activities that create and foster community.	1/22/2025 1:02 PM
209	Relax the permitting situation with short term rentals. For many in the area it's a necessary means to a living. Given that we are a tourist driven economy, I think it's important and I am a firm believer in personal rights when it comes to owning one's property. There is too much policing of people and what they do on their property, ESPECIALLY, when they are otherwise respectful to their neighbors and law abiding.	1/22/2025 12:46 PM
210	making the Phoenicia Elementary School building into the Phoenicia Commons: childcare, food distro, classes, skill shares + teach-ins, tool library, community needs assessment	1/22/2025 12:36 PM
211	PLEASE MAKE A DEAL FOR A CELL TOWER.	1/22/2025 12:36 PM
212	Air B&Bs. I'd get rid of them. Though we've so far not had any problems with the visitors, I'd rather have neighbors I know. I feel Air B&Bs are putting a hurting on area motels. Motels need tourism to stay in business; Air B&Bs don't. If motels close down, there goes those tax dollars and that will put a hurting on the communities. Air B&Bs can sell out at any time (as did the ones near us) because they don't rely on tourists. Then where do tourists stay? I'm in favor of getting rid of those things.	1/22/2025 12:33 PM
213	Infrastructure and Business for Pine Hill - half the retail space is closed and many businesses are in disrepair.	1/22/2025 12:31 PM
214	Fewer power outages. Cell service.	1/22/2025 12:29 PM
215	The judgements received from the Town Board and their "friends" for political beliefs.	1/22/2025 12:26 PM
216	I've been reluctant to accept this for the past 20 years, but publicly available wifi would really be a good thing for everyone.	1/22/2025 12:22 PM
217	The nepotistic culture of the Shandaken administration. Because it's self serving. It's also very limiting.	1/22/2025 12:22 PM
218	A safe way for pedestrians to cross the Route 28 bridge in Big Indian. I suggest a segregated walkway and a lower speed limit--45 mph. Trucks, buses, and cars speed over that bridge at 75mph, and it's dangerous. Same with Lasher Road-- posted speed limit of 25mph.	1/22/2025 12:20 PM
219	Fix the Bruce Storey Bridge to Church Road, because it is a safety hazard prohibiting fire and emergency response.	1/22/2025 12:18 PM
220	The water supply and quality in Pine Hill.	1/22/2025 12:15 PM
221	The streets in Pine Hill are horrific. There are enormous crumbling pot holes. The sidewalks are almost non existent and you have to walk in the street with the traffic. All streets are broken and uneven. Several folks said that Pine Hill looks "run down". We need serious street and road attention THIS YEAR.	1/22/2025 12:15 PM
222	The town website needs some updating.	1/22/2025 11:54 AM
223	Internet/ wifi access In case of an emergency, anyone could dial 911 or to call anybody for help.	1/22/2025 11:44 AM
224	Internet connectivity, reliability and vendor competition. Spectrum continues to raise prices and are currently more expensive than in NYC or any other area with a competitor.	1/22/2025 11:39 AM

Community Survey: Shandaken Comprehensive Plan 2025

225	More restaurants open late, I understand that's a staffing and housing problem so I wouldn't be opposed to low cost apartments going up somewhere.	1/22/2025 11:38 AM
226	Sewer system for Phoenicia to allow resumption of investment and new construction	1/22/2025 11:36 AM
227	The horrid camper right next to my camper	1/22/2025 11:31 AM
228	All night deli, cafe Need one	1/22/2025 11:24 AM
229	Improving cell phone infrastructure, will address this safety concern and make our community a more attractive and secure place for families. Reliable communication is a cornerstone of modern living, supporting not only emergency response but also economic growth and connectivity for local businesses. I urge the town board to prioritize cell phone infrastructure as part of our broader efforts to strengthen our community and make it a desirable place to live and thrive.	1/22/2025 11:23 AM
230	Build up our main streets	1/22/2025 11:22 AM
231	Cell service. It is very hard to report the frequent outages we have in Big Indian, it is impossible to get important work emails or texts, phone calls are interrupted. It's dangerous for seniors!!	1/22/2025 11:22 AM
232	Better medical centers	1/22/2025 11:21 AM
233	More consistent and stable cell phone coverage Public pool - swim classes, kids/youth activities, fitness programs/gym	1/22/2025 11:19 AM
234	Bulk trash removal services	1/22/2025 11:15 AM
235	Internet choice	1/22/2025 11:14 AM
236	I'd like to see efforts to revitalize the lovely hamlet where my house is located, Pine Hill. I thought an old proposal to link the town with a ski lift and trail was a very good one. My understanding is that this proposal was defeated due to environmental concerns. I'd like to see this proposal revived and potentially a way found to mitigate or get around the environmental concerns. A ski link to the town of Pine Hill would do a lot to help revitalize the town as well as enhancing the ski resort itself.	1/22/2025 11:13 AM

240	Access to services	1/22/2025 11:05 AM
241	Cell service/Internet. Do you really need a reason?	1/22/2025 11:04 AM
242	Get a more pro active board to understand tourism is our economy and how to make the small towns better.	1/22/2025 11:00 AM
243	Less short term rentals. It's fine if someone wants to rent a room or cottage where they live, which was the original intent of Airbnb. However, homes that are just money makers for non-residents— they undermine the fabric of the community	1/22/2025 10:59 AM
244	Fix the roads.	1/22/2025 10:58 AM
245	elect a good supervisor	1/22/2025 10:58 AM
246	Extend the rail trail all the way to Pinehill.	1/22/2025 10:53 AM

251	Cell phone service and stop power/internet outages. We need cell towers for complete service and buried power and internet lines as absolutely imperative safety measures for our community	1/22/2025 10:44 AM
252	Bring back tubing! It was a great recreational sport and attraction for locals and tourists.	1/22/2025 10:42 AM
253	Cell service	1/22/2025 10:40 AM
254	There is so much talk of affordable housing, yet I drive by 15 derelict and abandoned homes from Full Moon to Town hall. I wish there were programs similar to the dep flood plain property acquisitions that could address these homes	1/22/2025 10:40 AM
255	More quiet	1/22/2025 10:40 AM
256	Grocery Hardware Medical Gas	1/22/2025 10:40 AM
257	Stop all the expensive restaurants and Airbnb and let people stay in hotels with restaurants there and maybe have one restaurant or local people that we can afford	1/22/2025 10:38 AM
258	I would stop the constant search for more buildings and condos. Let them build it in Kingston.	1/22/2025 10:38 AM

262	Housing is a huge issue. More needs to be done about airbnbs and outsiders buying up property to rent out long term at NYC prices. Its not sustainable	1/21/2025 8:59 PM
263	Unsightly garbage or debris and multiple non working vehicles on properties	1/21/2025 5:46 PM
264	See above.	1/21/2025 2:08 PM
265	Cell phone service.	1/21/2025 12:53 PM
266	Better cell phone coverage for emergencies and 21st century communication.	1/21/2025 11:16 AM
267	responsiveness from local gov't, return of Belleayre concert series	1/21/2025 8:04 AM
268	I would like to see the forests managed better -- cutting invasive vines, Japanese knotweed control by harvesting the roots for its medicinal properties, and just doing everything possible to support the health of the forests, but not with synthetic pesticides. We need to safeguard our environment and water supplies!	1/20/2025 11:44 PM
269	Ban corporate ownership of residential properties for commercial purposes. More big old houses renovated into apartments, better protection for renters.	1/20/2025 11:21 PM
270	Speed limits thru the hamlets are just too fast, making it a fly by area instead of a hamlet or villag, not safe to walk.	1/20/2025 9:12 PM
271	make bearproof trash cans required -- there are a few airbnbs in woodland valley that consistently have their trash ripped apart and strewn about by bears.	1/20/2025 8:46 PM
272	Bring viable and useful business to location of former Mama's Boy	1/20/2025 8:37 PM
273	Fill the storefronts in Phoenicia - it feels like we're dying.	1/20/2025 7:58 PM

275	EV chargers in pine hill ADA thruout the hamlets	1/20/2025 7:16 PM
276	A weekly newspaper or news letter - or something !We really need some way to communicate when where activities and social events are happening and everyone does NOT use the internet.	1/20/2025 6:01 PM
277	I would want more families who live in Shandaken to enjoy the protected lands and arts and cultural activities in the town.	1/20/2025 4:43 PM
278	Build a new green, sustainable town hall out of the flood plain to consolidate all town offices and give the employees adequate working conditions.	1/20/2025 3:08 PM
279	I'd love to remove the threat of a massive private development West of Belleayre Mt.	1/20/2025 2:07 PM
280	#1: a skilled, competitive labor pool! We need quality electricians, plumbers, landscapers, roofers, contractors, excavators, etc.	1/19/2025 8:12 AM
281	A more lively downtown so downtown could be more lively. I know a circle.	1/18/2025 11:31 PM
282	Get buses to run on Sunday even if 2.	1/18/2025 9:55 AM
283	A pot-holed Rt 214. Like yesterday, 25 years ago...	1/17/2025 11:02 PM
284	Increase cel service.	1/17/2025 8:03 PM
285	Planning, zoning and code enforcement is far too onerous and bureaucratic for such a small town. You should be welcoming any kind of residential development with open arms.	1/16/2025 9:17 PM
286	Relax the zoning codes so that more affordable housing can be created. Sorry, need a 2nd. Improve the town water quality in Phoenicia.	1/15/2025 5:07 PM
287	Besides adequate public water and sewer for our existing Main Streets? Public officials actually doing their jobs properly, particularly within the Building Department	1/9/2025 12:15 PM
288	We have more than enough lodging - motels and short term rentals. I wish some of the people doing them would put those resources into other projects that would enhance the quality of life. On a related note, the short term rental law is pretty good but lack of transparency of the revenue is terrible to behalf and those fees seem outrageous for the working and middle class.	1/7/2025 7:18 PM
289	Transparency of budgeting - seems Peter specifically is asking for raises and its alarming. Not sure his work has excelled to justify this. What is happening with all the new money being brought in by the STR laws?	1/7/2025 12:01 PM
290	Roads in PH, especially Bonnieview, Mill St.etc. They are getting dangerous.	1/7/2025 11:35 AM
291	Wifi connection. Using Spectrum and service constantly jumps out.	1/7/2025 9:54 AM
292	Stop the Air B&B's so the true locals can live in the town they were born in and generations of their family lived . This whole thing is out of control. If you go on air b&b it says there are 1000 permits. THAT IS REDICULOUS! I am not concerned with 2nd home owners or corporations on owning this town.	1/6/2025 4:26 PM
293	My daughter is an adult with disabilities, and cannot drive. She lives in Kingston now, which is better for her, and she did utilize the Ucat bus system when she lived in Mount Tremper with us, but the public transportation in this area is something I wish would improve. I would be happy to use it more myself, If there was a bus service, I could easily take from my house to work every day in Kingston I would do it a lot!	1/6/2025 12:09 PM
294	Turning the empty places in town into something and perhaps having the town own the property where the hotel used to be and making that a park with weekend entertainment	1/6/2025 5:27 AM
295	The potholes on the roads. I also wish rte 28 could be safer. Since Covid time, more folks live here and they drive their cars too fast, pass dangerously on	1/6/2025 2:55 AM

the road, all the time.

296	Access to medical care and caregivers.	1/5/2025 10:20 PM
297	Cell service. Urgently need this for the safety of our residents and visitors.	1/4/2025 10:13 AM
298	Short term rentals . I feel there are too many and not enough affordable housing.	1/3/2025 4:16 PM
299	Poor sidewalks. Dangerous!!	1/3/2025 3:08 PM
300	Some town residents promote racism, backward thinking etc. The town has benefited by forward thinking people steering things.	1/3/2025 3:05 PM
301	Help to eliminate blighted properties, with volunteers, low interest loans or ??? I see it as a blight on an otherwise beautiful place.	1/3/2025 2:50 PM
302	Cellular service	1/3/2025 1:31 PM
303	All of the empty storefronts on Main St. Phoenicia	1/3/2025 8:19 AM
304	Old, broken down houses.	1/1/2025 11:33 PM
305	The speed limit on 28 should be a maximum of 45 between at least Bread Alone and Boiceville. Too many tragedies happen on 28 due to fast — and DWI — traffic in the more populated areas.	1/1/2025 11:17 PM
306	I would have a sewage treatment plant built, as that would help local businesses operate.	1/1/2025 11:15 PM
307	Change the political structure, because like many "Blue" states the rural upstate counties suffer because of the ideology of the lefties controlling the government, but thats about to change big time.	1/1/2025 9:30 PM
308	Cellular service, to make staying in contact and navigation easier.	1/1/2025 9:12 PM
309	I'd love to see investment in abandoned buildings and stores (like, can we get a new restaurant at Ricciardella's, and how about a useful hardware store where Folkerts used to be). Of course, municipal sewage would really help make these things possible. New sidewalks, streetlamps, and more year-round activities in town.	1/1/2025 4:35 PM
310	Fix the water issues on main st phonecia	1/1/2025 4:18 PM
311	Sidewalks in Phoenicia.	1/1/2025 3:21 PM
312	Cell phone service, because we are totally vulnerable with a power outage.	1/1/2025 12:10 PM
313	Move the Town Hall to the empty Phoenicia Elementary School building. It maximizes use of existing facilities, and I strongly disagree with the excuses used so far not to do this. 214 does not flood any worse today than parts of rt 28 do.	1/1/2025 11:57 AM
314	More affordable rental housing, because lack of it drives away too many people away.	1/1/2025 11:41 AM
315	Less art galleries and antique shops, more grocery stores and affordable places to eat that aren't located in high end hotels.	1/1/2025 10:41 AM
316	Cell service. I worry so much about needing an emergency service and potentially dying because of it.	1/1/2025 10:25 AM
317	Fix the Phoenicia lack of sewer system and broken sidewalks.	1/1/2025 10:14 AM
318	More qualified person running the town. All town employees having one job and doing it well.	1/1/2025 1:15 AM
319	The cell phone problem is probably most top of mind to	12/31/2024 11:15 PM

me these days. I feel too isolated during weather events. And I have broken down before and not been able to get help. This does not harbor feelings of security around here.

320	affordable housing to maybe give the local younger generation a chance to maybe stay in the area	12/31/2024 8:35 PM
321	Wider rt. 28, very dangerous road during tourist seasons	12/31/2024 6:25 PM
322	More affordable housing, more affordable long term rental.	12/31/2024 6:20 PM
323	A better balance between tourism and locals. I feel often that the push for tourism, a lot of it coming from the County, in fact lowers our quality of life. I'd like to see more focus and respect given to those of us who live here full time.	12/31/2024 1:17 PM
324	Cell service seems the lowest hanging fruit. Housing for full time residents would be the top priority. We need to increase our population — we need people for our community to thrive.	12/31/2024 11:05 AM
325	Esopus Creek flood management - significant rock/sediment accumulation has significantly enhanced the likelihood of severe damage to homes/properties along the creek. These buildups need to be reduced in magnitude or removed entirely to lessen the likelihood of major flood damage.	12/31/2024 10:46 AM
326	The water system in Phoenicia. No business can come until it is fixed.	12/30/2024 1:53 PM
327	Limit air B&B to only owner occupied residences.	12/27/2024 6:34 AM
328	I'd fix up Main Street in Pine Hill.	12/25/2024 12:22 AM
329	Build Phoenicia public sewage system, in order to facilitate downtown revitalization.	12/23/2024 9:15 PM
330	Abnb available to locals only.	12/23/2024 3:25 PM

Other times it's more minor like the time last summer that Oliverea Rd was blocked by a crazy storm taking down trees and poles. The folks at Catskill Season's gave me a discounted room for my family and dog even though they didn't have power. The volunteer firemen were out all over the place immediately clearing the trees. Folks on the Phoenicia FB group were posting updates and checking on neighbors for people who couldn't be reached. If we could do that for more mundane things we'd be set!	1/31/2025 1:18 PM

1	The resorts created and with it, more housing opportunities and a greater draw for services we need. (Food, pharmacies, doctors, etc).	3/10/2025 2:07 PM
2	A town made up of Hamlets that are nearly self-sufficient in that people can access most (but not necessarily all) of their needs without getting in their cars with a variety of housing types for people of all income levels - including apartments above commercial spaces in the hamlet-centers to the estate-sized houses at the tops of the hills and things in-between. Economic activity beyond tourism; easy access by bus from hamlet to hamlet and beyond. More access to the Esopus for recreation. Development of micro-hydroelectric power on creek, streams and rivulets in a manner akin to solar power that lets people generate their own power and sell excess back to the grid.	3/10/2025 9:55 AM
3	Affordable housing, accessible community gathering spaces, and climate-preparedness.	3/9/2025 10:23 PM

15	no airbnb's	2/26/2025 3:16 PM
16	It would continue to be a place people love to come to to experience nature and contribute to the community that lives here year round. I hope locals continue to embrace the vibrancy that tourism brings, and that there is benefit to local businesses, but that there are controls on businesses buying up single family real estate. Because future generations won't be able to afford to stay here if homes are priced like hotel properties. There will continue to be a focus on the arts and music culture as well.	2/25/2025 6:58 PM

56	We would have two thriving Main Streets and lots of local industry providing jobs for our residents while maintaining a balance with nature.	2/21/2025 7:26 AM
57	I envision a Phoenixia much like it was in the mid 2000's but on a grander scale. A train leaves Kingston Plaza brings folks to the Ashokan Trail. Bike or walk the section of the Ashokan Reservoir....Then they embark eventually to Cold Brook Station where they take a train ride right to the footsteps of Phoenixia. Allow all guests to check the town out and all it has to offer... with additional stores opening from the revenue. Once they're done they could take a bus back to Kingston. We have everything right now but we have small minded folks who want to prevent this sort of dream and envision a walking path from Kingston to Highmount. A working railroad with a trail will bring so much additional revenue and above all create more jobs. Our town has turned into what some call "grumpy town" where a few grumpy people want to prevent any true unique	2/20/2025 11:11 PM

future for our town. We have a beautiful Railway Museum it could be the future portal for the economy of Phoenicia and Shandaken.

58	Restoration of what is already here	2/20/2025 9:48 PM
59	More affordable housing and a living wage	2/20/2025 6:50 PM
60	More employment opportunities that pay a living wage along with more affordable housing.	2/20/2025 6:50 PM
61	A big community garden with greenhouses. Fruit trees, blueberries, sustainable plants planted (no pesticides please) in public spaces that people can pick for free. More cultural offerings, especially activities like dance classes that are public services or low cost. Pickleball court, a basketball court that isn't torn up. It would be cool if we had a town dog.	2/20/2025 5:28 PM
62	A recreation/community township center	2/20/2025 4:37 PM
63	More jobs for younger people, so more of them could make a decent living here.	2/20/2025 4:25 PM
64	In Beaver Kill, the Inn is a B&B but for residents it's an affordable club that serves as a third space. It has angling, pool/sauna, a restaurant, game room, outdoor space, etc.	2/20/2025 11:54 AM
65	I'd like to keep shandaken as natural as possible. I'd like it to be as wholesome and community oriented as possible. I don't want the property cost going through the roof and weekend homes exploding and city people who are looking for goods and services that locals have no need for.	2/20/2025 11:16 AM
66	Enforce the zoning & building codes that exist. Revise the zoning. Stop letting the same people get reappointed to zoning and stop letting them appoint their own members. They shut out those who do not comply with the status quo	2/20/2025 10:20 AM
67	Ah, there's the rub. Build the long-proposed Belleayre Resort at Catskill Park? Further develop the Belleayre Sk Center making it a true year-round attraction and employment opportunities? Keeping "Main Street" Phoenicia and Pine Hill (Big Indian?) occupied and growing.	2/20/2025 10:07 AM
68	More housing for seniors and locals !	2/20/2025 10:01 AM
69	I'd love to see cell service, an apartment complex for our families.	2/20/2025 8:47 AM
70	Better food and healthcare accessibility.	2/20/2025 8:31 AM
71	I would like to see a sewer come into Phoenicia	2/20/2025 8:19 AM

73	Belleayre resort being built	2/19/2025 8:20 PM
74	More business and any child that wants to stay in Shandaken can afford to stay.	2/19/2025 12:13 PM
75	Everything I've really already wrote	2/19/2025 9:44 AM
76	A first rate hotel in the Phoenicia village, with workers' housing included.	2/18/2025 6:54 PM
77	No cars on main street phoenicia	2/18/2025 6:39 PM
78	Neighbors helping neighbors, easier access to stores and maintaining our safe environment. It is so important not to live in fear and we can never, ever allow that to change. I love not locking my car, love coming and going without ever being afraid.	2/17/2025 6:14 PM
79	I'd like to see Shandaken live up to its title of being one of the coolest small towns in America. Vibrant community - small shops - kids - community center. No empty shops on main st.	2/17/2025 3:16 PM
80	Beautiful care for our place on earth and compassion for all	2/16/2025 8:16 PM

83	rejuvenated downtown in Phoenicia including Community Center with activities for teens and others, perhaps in Phoenicia Elementary School	2/15/2025 6:56 PM
84	Shandaken would become a charming hamlet with thriving businesses and essential services, all while prioritizing nature and sustainability. Thoughtful growth would create more opportunities for locals while preserving the town's unique character and natural beauty.	2/15/2025 4:46 PM
85	Shandaken should look at Wilmington NY and Burke Vermont and see what mountain biking trails did for the area and how much it improved their local economy.	2/15/2025 9:27 AM
86	Green spaces	2/15/2025 8:29 AM
87	Huge expansion with more homes jobs and things for the towns people to do	2/15/2025 8:08 AM
88	Specific Resident/owner recreational creek access with an up beat atmosphere, cook outs food trucks and general fun for all who live here.	2/14/2025 2:03 PM
89	Shandaken is made up of villages and hamlets. I don't exactly know where Shandaken is. Maybe having a central hub that pulls all of those separate places together. I actually don't spend much time in Phoenicia because I'm up past Pine Hill.	2/13/2025 5:41 PM
90	Many side walks. That twist and turn. Buildings cleaned up. Shrubs and trees trimmed. Abandoned buildings replaced with trees and flowers. A few more street lights. SAFE places to ride bikes. It would look like a Fake town called "Virgin River" beautiful	2/10/2025 11:09 AM
91	Rail trail Phoenicia to Pine Hill Food Cooperative	2/9/2025 11:53 AM
92	A place with a high density of ways to explore and enjoy the outdoors combined with a thriving local business economy that can serve both the daily needs of locals as well as welcome visitors.	2/8/2025 6:16 PM
93	Pass	2/8/2025 12:14 PM
94	More vibrant down towns, with public restrooms, ample parking and a diversity of businesses.	2/7/2025 5:23 PM
95	More diversity, much more support of artists of all kind. The town of Phoenicia is being held back by a very backward thinking, greedy family. Disgusting.	2/7/2025 7:20 AM
96	I like it as is, mostly More opportunities for people with lower incomes	2/6/2025 10:21 PM
97	More eco-friendly in terms of solar/water energy and recycling. A light rail system connecting Kingston that still keeps the new walking trails.	2/6/2025 3:22 PM
98	Extremely well managed natural resources. Nature is the area's biggest asset and will be its calling card in future years as climate change aggravates conditions everywhere.	2/6/2025 2:57 PM
99	Affordable housing!	2/6/2025 2:22 PM
100	I'd like our area to be GREEN! I'd like Solar and wind energy installations that could benefit the whole community. I'd like the town to stop using harmful chemicals wherever that might be happening and switch to healthy materials. I'd like Community fruit trees in places like the park in Big Indian. More activities for our kids including theater productions they can create/participate in. Some sort of singing group, maybe a local orchestra or string band for guitar and banjo pickers, More street lights, a place to skate: both for skateboarding kids and roller skating adults like me. A community activities access point.	2/6/2025 1:50 PM

Community Survey: Shandaken Comprehensive Plan 2025

101	I would like to see the hamlets with businesses more resemble the ski towns in the Rocky Mountains	2/6/2025 12:16 PM
102	I would open an arts center for youth and people interested in the arts to connect them to the broader community in New York and around the world. I would provide space to be creative and connect via podcasts and streaming and content creation to draw interest in our beautiful area and give voice to those who wish to express themselves.	2/6/2025 12:14 PM
103	State support and grants to keep towns, buildings, nature, water and infrastructure beautiful clean and functioning	2/6/2025 10:12 AM
104	better transit, rail trail extension, better choice than Spectrum, encouraging young families to move here because of the access to good schools close by, Pho Waste water tx plant	2/5/2025 4:27 PM
105	Outdoor recreation paradise. Controlled development. Enjoyable surroundings. Job opportunities for young people to grow into! Expanded ski trails. Bike trails. Walking trails. Hiking. History, arts, culture. All of it!	2/5/2025 12:03 PM
106	A community center with swimming facilities	2/5/2025 11:43 AM
107	I think things are going very well. I think we could exercise eminent domain on some of the structures falling apart. I'd like to find a way to keep the young people coming and where possible buy property here.	2/4/2025 5:20 PM
108	Less divisiveness between 'locals' and more recent arrivals. Events that bring people together (im working on it with Catskill Mountain Roots)	2/3/2025 10:07 AM
109	Safer roadways, a community center in Phoenicia with a mini hospital facility and a pool. Less Air B&Bs so there is housing and more permanent residents.	2/2/2025 8:58 AM
110	More wealthy private enterprises opening their resources to the town like Belleayre Ski Mountain & Timberlake Camp	1/31/2025 3:50 PM
111	I think the Pine Hill Community Center should be replicated in Big Indian, Phoenicia and/or other spots so we have hubs. Hold community events, have spaces for people to go in emergencies, provide services, etc. I'd also love for some medium sized employers to move into the area. Provide lots of good-paying jobs for people, build the tax base, etc. Not a Google or Amazon. Something less gigantic that will be a good neighbor.	1/31/2025 1:18 PM
112	plenty of services for the residents here, a place for everyone to go and feel welcomed on a daily basis not just on a Saturday but during the week, a sense of community and service to the community	1/31/2025 6:29 AM
113	thriving community and small businesses while preserving and protecting the environment	1/30/2025 10:52 AM
114	More young people living here	1/29/2025 6:51 PM
115	First of all people wanting change. You need to dream big for things to happen. Attitudes need to change.	1/28/2025 7:20 PM
116	IT could be a model for sustainable (maybe even regenerative) living with a thriving economy.	1/28/2025 5:34 PM
117	It would become a true resort destination area with the ability to meet the needs of all tourists while preserving the beauty of the area.	1/28/2025 5:28 PM
118	Thriving, walkable communities that people can afford w/ dignity. This will foster lots of creative measures	1/28/2025 11:59 AM
119	Revitalized hamlets with attractive and functional main streets, with collapsing or abandoned housing redeveloped into denser housing that would spare forested areas outside of hamlets from sprawl type of development. The town would have a suite of social services, both private and public, spread out through the hamlets and connected by regular bus services. There would be enough commercial activity to facilitate a vital social and communal life. Zoning laws would be visionary in preserving the connection between forested lands and developed land.	1/27/2025 5:08 PM

Community Survey: Shandaken Comprehensive Plan 2025

120	A rail trail from Phoenicia to Highmount.	1/27/2025 4:21 PM
121	A revitalized Phoenicia with waste treatment, new tree-lined sidewalks, pedestrian walking path along the Esopus River, renovated grocery store, a variety of vibrant successful shops, people on the sidewalks enjoying one of Americas Coolest Little Towns. We know that there are more than enough visitors to the area by the crowds in Woodstock and the Phoenicia diner. They need reasons to come to Phoenicia.	1/27/2025 3:27 PM
122	A beautiful blend of local and city sensibilities that includes sustainable, innovative practices for development, cohesive community organizing and tourism initiatives, and a celebration of the natural environment.	1/27/2025 3:03 PM
123	A center for access to natural beauty and culture.	1/27/2025 11:41 AM
124	A community center	1/27/2025 8:00 AM
125	Less air b&b.	1/26/2025 5:13 PM
126	A robust , modern economy that includes businesses and services that enable us to protect the environment. And a culture that fosters diversity and protects the most vulnerable members of our community.	1/26/2025 3:42 PM
127	Step out of the past and wake up to the future	1/26/2025 3:27 PM
128	A thriving town - active, useful businesses, with a community to rival neighboring hamlets and towns. We're in the best part of the Catskills - we have every single outdoor recreation possible - and we are not living up to our potential because of people, officials, and infrastructure holding us back.	1/26/2025 3:21 PM
129	I want to see a town vision that takes into account the needs of residents, the desires of weekenders/tourists, and the realities of modern living. I want to see a community that discards its close-mindedness and fear of change, and moves into the 21st century. I want to see thriving businesses, neighbors that treat each other with respect and understanding, care for nature, and access to what has become quite basic - information, cell/internet service.	1/26/2025 3:15 PM
130	A bakery! A movie theater! More funding for education and entertainment programs at our libraries and places like The Pine Hill Community Center that bri g people together.	1/26/2025 1:59 PM
131	Phoenicia would be more like a Rhinebeck or Woodstock without the pretentiousness.	1/26/2025 12:46 PM
132	Self-supporting economy where food is grown, things are made, and services provided. All of which doesnt rely on tourism dollars.	1/26/2025 12:05 PM
133	It would be a place that reflects and embodies the lyrics and sentiments in the song, 'What a Wonderful World'	1/26/2025 11:09 AM
134	thriving community with no more empty storefronts in Phoenicia	1/26/2025 10:11 AM
135	Would love to see some good quality senior housing that provides gathering spaces, recreational activities- bocce, pickle ball, putting green, etc	1/26/2025 6:36 AM
136	A	1/25/2025 9:24 PM
137	Increase of permanent housing for those that want a tight knit community.	1/25/2025 7:23 PM
138	A Happy healthy community	1/25/2025 5:06 PM
139	new sidewalks, repaved main streets, public water supplies that work and are properly monitored but most of all property owners who take pride in their homes and landscapes	1/25/2025 3:57 PM
140	Harmonious communities that interact more regionally instead of isolated towns	1/25/2025 1:36 PM
141	Lots of community involvement, mutual respect, well attended town events, increased diversity across all spectrums, vibrant opportunities for youth, young adults and elders, and a bit of beautification of our structures.	1/25/2025 1:23 PM

Community Survey: Shandaken Comprehensive Plan 2025

142	It will be a place where everyone is welcome and the beauty of the area is preserved and protected. Some development that is in keeping with the environment and making sure that it's not overdeveloped and doesn't damage the environment and delicate ecosystem.	1/25/2025 12:12 PM
143	Cell service, sidewalks, fixed roads and sidewalks, affordable housing, fresh and healthy food for everyone, a welcoming community for EVERYONE!	1/25/2025 8:47 AM
144	An influx of creative, energetic young families moving here to keep it dynamic.	1/25/2025 7:57 AM
145	We'd be known as that place where ordinary people can live and thrive in a delicate natural setting.	1/24/2025 8:17 PM
146	A jewel of a place, protecting our natural environment building a sustainable economy and considering housing for all	1/24/2025 7:13 PM
147	A free transportation system that went from Kingston, through Woodstock, to Margaretville. For Phoenicia, boardwalks by the stream, handicap access to all sites, beginning with safe sidewalks, and intelligent re-use of existing space, with reasonable housing located near the center. For Pine Hill, a maintained/landscaped walkway from the mountain to the hamlet and another from the hamlet to Belleayre Beach, with some modest recreational development there (on the Pine Hill side). I would like to see modern, accessible sidewalks and housing accessible to the hamlet as well. FINALLY, I would like to see the Town invest in artful signage that marks historic events/places, so we could issue a Town passport and use these as the basis of an annual treasure hunt to attract visitors.	1/24/2025 5:22 PM
148	Continued preservation of our natural environment, more way of fostering community cohesion.	1/24/2025 1:09 PM
149	It wouldn't look like NJ or Long Island. I dream that Shandaken remains a place where we can always live in harmony with nature.	1/24/2025 12:18 PM
150	A fully walkable/bikeable community with all necessary resources for living. An anchor community co-housing project with higher density well-constructed housing filled with mixed age/income residents who can work nearby and who enjoy their community enough to occasionally do things like throwing block parties or hosting potlucks.	1/24/2025 11:09 AM
151	I would look closely at Saugerties as a role model.	1/24/2025 10:44 AM
152	A beautiful village!	1/24/2025 10:39 AM
153	Housing for all those who need it, more local businesses and proper utilization of our existing commercial real estate.	1/24/2025 10:12 AM
154	Ice skating rink, sledding, outdoor pool, public walking trails, farm stands	1/24/2025 9:05 AM
155	Avoiding the fate of Aspen CO and Jackson WY. Small is nice.	1/23/2025 6:25 PM
156	Cell service, more open shops and sewer service to make it easier for additional restaurants and hotels.	1/23/2025 5:44 PM
157	A hub that attracts artists, nature lovers, foodies and lots of opportunities for people to share their talents and connect with neighbors.	1/23/2025 5:17 PM
158	A community center similar to what is in pine hill in phoenicia	1/23/2025 1:31 PM
159	An Amtrak stop in Pine Hill or at Belleayre to provide better access for folks interested in visiting the area. It is a pain to pick people up in Rhinecliff. There is a train track already in place, let's capitalize on it.	1/23/2025 1:18 PM
160	Allowing more local businesses not giving some folks a hard time and others sail through,if we want people to make their homes here they need to survive a lot of folks that live here are retired and have money we need to think about the new couples and families	1/23/2025 12:34 PM

Community Survey: Shandaken Comprehensive Plan 2025

161	A tourist place	1/23/2025 11:59 AM
162	The way it's always been. Less Verbo and Airbnb with weirdos coming to the towns	1/23/2025 10:34 AM
163	More recreation and social/community development.	1/23/2025 8:26 AM
164	Cell towers to supply those of us with telephone service in the mt Tremper area	1/23/2025 8:25 AM
165	good neighbors	1/23/2025 8:18 AM
166	I really don't think of Shandaken as a "dream big" kind of place	1/23/2025 6:51 AM
167	Zombie buildings torn down. Towns with sidewalks. Industry for young people.	1/22/2025 10:42 PM
168	A gondola that goes from Pine Hill to Belleayre with mountain bike trails all over Shandaken making it a destination for cycling,great restaurants and venues for music and other entertainment	1/22/2025 10:38 PM
169	A medical and community center for kids, seniors and all in the old school	1/22/2025 8:46 PM
170	Allow tourists and hospitality. It's the Queens forest we just care for it	1/22/2025 8:25 PM
171	Progressive community that is supportive of new families moving in and new businesses that is very conscious of the future and being eco friendly	1/22/2025 7:37 PM
172	A thriving main street full of businesses. Restored homes on well-kept streets, roads and bridges. A town government that has the budget and resources it needs to hire well-qualified and motivated people that will take care of the town and its natural environment.	1/22/2025 7:15 PM
173	The hippest little mountain time that makes all the Must Go guides, with delicious food (Brio's is terrible), activities, music events with diverse crowds of all ages... a town that keels its unique charm but is UPDATED	1/22/2025 6:42 PM
174	NYC AND NYS would stop sucking the life out of us and reward us for helping NYC get clean drinking water. Services would be supplies for young and old and good paying jobs would keep our talented residents here.	1/22/2025 5:48 PM
175	The housing described above. If I am ever rich and famous I would build this myself but if I would gladly help to work on this project. I have so many ideas for our town!	1/22/2025 4:43 PM
176	Thinking about community resources vs individual needs. More caring for youth & seniors, less commercial development. A local currency to encourage local spending.	1/22/2025 4:34 PM
177	more work for locals	1/22/2025 3:48 PM
178	Not very much different than it is now! But with adequate housing so that young families can find a home here - a school.	1/22/2025 3:20 PM
179	A place that has stuff like cell phone service, dependable electricity, and more than one cable provider who is in bed with the town because they own the franchise	1/22/2025 3:17 PM
180	Friendly local people who care about each other, prosperous local business' - environmental security.	1/22/2025 3:13 PM
181	A local government that provides basic services, and that is all that is needed.	1/22/2025 3:00 PM
182	more modern facilities better roads	1/22/2025 2:42 PM
183	an inclusive place where seniors can age in place, young people can afford to stay and we can all access and enjoy the beautiful nature	1/22/2025 2:15 PM
184	I would take the area that floods often in downtown Boiceville and turn it into seasonal parks and flood, receptive parks, I would encourage a coffee shop or a bookstore in downtown Boiceville	1/22/2025 2:03 PM

Community Survey: Shandaken Comprehensive Plan 2025

185	Not sure at this time.	1/22/2025 2:01 PM
186	I think expanding Belleayre's footprint to improve the economy can be executed, but in an eco-friendly way (it's a compromise).	1/22/2025 1:56 PM
187	It would look like it does now ... well-maintained, slow growth, and perhaps a few more essential businesses in town (Phoenicia) to fill the empty retail spaces.	1/22/2025 1:24 PM
188	Federal grants to support our oasis via infrastructure, emergency services (beyond volunteers), preps for weather events. Development of municipal water / septic to attract more small businesses so that locals receive a competitive wage.	1/22/2025 1:19 PM
189	Completion of the Catskills resort at Belleayre.	1/22/2025 1:17 PM
190	Access to better food clean air clean water	1/22/2025 1:16 PM
191	Complete cell coverage! Clean and beautiful signs of human occupation and residency instead of overwhelming signs of decay and slow abandonment. A SIMPLE diner on Rt 28. One working gas station/garage. Better Postal service somewhere in town. Signs of life, renewal and prosperity for a healthy small tourist town.	1/22/2025 1:16 PM
192	A vibrant engaged community, with town centers that have a variety of shopping and events that are geared to locals. I don't know what the answer is but we need more unifying events and communication about those events.	1/22/2025 1:06 PM
193	A new performing arts center or more local funding for places like the Phoenicia Play House. More development in Phoenicia's downtown. There's room for more than just the Brio's people. I hope that the stories I've been told about how they control the town and snuff out competitors isn't true. I dream of Equity, where it's not how long you lived here but how much you're willing to give to maintain and elevate what makes this area so special.	1/22/2025 12:54 PM
194	vacation destination	1/22/2025 12:44 PM
195	I dream of increased engagement and education by the local residents in their communities in stewarding our beautiful wild and natural environment. I dream of education that encourages people to become lifelong learners and become active and productive citizens of a democratic society. I dream of a good public health program in Shandaken. More specifically, I dream of a rejuvenation of our hamlets and villages by providing affordable housing for residents being forced out of the area by an on-fire real estate market (including the undesirable effects of the explosion of airbnb rentals on available housing stock--the regulations put in place are beneficial, but may require strengthening). I dream of better public transportation options!	1/22/2025 12:44 PM
196	THE PHOENICIA COMMONS in the old Phoenicia Elementary School: childcare, food distro, emergency aid, classes, skill shares, teach-ins, repair clinics, tool + time library, community mediation—everything non-commercial + available 24/7	1/22/2025 12:38 PM
197	The quaint little town it used to be.	1/22/2025 12:35 PM
198	cell towers	1/22/2025 12:30 PM
199	Everyone working together without judgement.	1/22/2025 12:28 PM
200	It would look like outlawing NIMBYs and putting up affordable housing for the area's service workers and many others. There will always be complaints about where, which is completely self-defeating. Obviously a development of town homes on 28 makes the most sense from a traffic perspective, but ideally not directly on the road, like back where the interpretive center currently is.	1/22/2025 12:26 PM
201	a \$1 million professional advertising campaign (to attract visitors), to begin after you fix the infrastructure and services	1/22/2025 12:24 PM
202	Return of concerts in Belleayre under the big tent was a fantastic draw and a good revenue stream; Protection of our wooded areas	1/22/2025 12:18 PM

and not building a walkway which is not needed; More cultural life: theatre, movies, authors, performances, etc. and upgraded internet provisions.

203	Supermarket, doctors, roller rink, a real playground, youth club, homework help, exercise club with pool.	1/22/2025 11:49 AM
204	A healthcare facility. BTW- my health is good but I just hit 60 so I'm concerned.	1/22/2025 11:45 AM
205	Solid infrastructure, including cellular and broadband access, and respect for all	1/22/2025 11:42 AM
206	Water. Rebuild commercial Phoenicia strip immediately along Esopus, with shops, restaurants facing water. See Estes Park, CO where they revitalized after flooding. Similarly, develop along Pine Hill side of Belleayre Beach for 3+ season activity	1/22/2025 11:42 AM
207	A passenger drone taxi that flies to Kingston every hour would be amazing.	1/22/2025 11:40 AM
208	Create a central hub that draws people in.	1/22/2025 11:40 AM
209	Less renters and more home owners and respect for your neighbors!	1/22/2025 11:33 AM
210	it would be a thriving community where families are drawn to live here long-term, supported by affordable housing and well-paying local jobs. The closure of Phoenicia School and the empty businesses around town highlight the need for a more stable population. In this vision, Shandaken would have a vibrant local economy, with diverse job opportunities and a flourishing small business scene. Our schools would be full, and our community would be rich with families, creating a sustainable, interconnected town where everyone can grow and thrive.	1/22/2025 11:29 AM
211	New federal administration	1/22/2025 11:25 AM
212	Purchasing a home would be a more attainable possibility for locals. There would be places to rent (long term) for younger folks and families.	1/22/2025 11:25 AM
213	Little independent shops on our main streets	1/22/2025 11:24 AM
214	continued preservation of the beautiful and healthy landscape, jobs for those who need them, kindness to immigrants, cell service.	1/22/2025 11:23 AM
215	That there was a diverse arts center	1/22/2025 11:22 AM
216	It's probably not entirely within Shandaken's borders but I sort of like the proposal from years ago to put a golf course and a spa behind Belleayre, as well as to link the old High Mount ski slopes with those of Belleayre. I'd also like to see some further expansion of the Belleayre Ski resort trails. The new Gondola was a great add but it put pressure and made the only intermediate ski slope of that side of the mountain very crowded and even dangerous. I'd like to see more lifts from bottom to top to also get to the other side of the mountain and more intermediate trails that can be used directly from the Gondola (linking the old High Mount ski trails might help somewhat with this).	1/22/2025 11:19 AM
217	A small industry that will employ 50 to 100 people.	1/22/2025 11:18 AM
218	A town center with a grocery store, dentist, emergency services etc	1/22/2025 11:17 AM
219	A community that is self sufficient and can provide for the people today. And protect the future.	1/22/2025 11:15 AM
220	?	1/22/2025 11:14 AM
221	A revitalized main street in Phoenicia	1/22/2025 11:11 AM
222	Better access to all services- better transportation, better food access, better health care	1/22/2025 11:08 AM
223	Sigh... less animosity and resentment toward people who didn't grow up here, but love it just as much.	1/22/2025 11:06 AM
224	Affordable Cluster housing in the woods sewer in Phoenicia and all blast there active and thriving. Slum lords(we know who he is) made to be responsible	1/22/2025 11:04 AM

227	Lots of outdoor opportunities, Moderated growth that includes housing for working folks	1/22/2025 10:57 AM
228	Keeping things small...no big developments.	1/22/2025 10:55 AM
229	A larger community center	1/22/2025 10:53 AM
230	Better housing More amenities for seniors Cell Service More medical services	1/22/2025 10:52 AM
231	thriving economy	1/22/2025 10:50 AM
232	Grocery store, internet, and a real hospital	1/22/2025 10:48 AM
233	Cell service and no more power/internet outages, not much to ask	1/22/2025 10:47 AM
234	More investment in the town centers like Phoenicia and Pine Hill and less roadside clutter on the 28. Create a real Catskill Scenic Byway!	1/22/2025 10:45 AM
235	Town water and sewer in Phoenicia. Better and more off street parking in Phoenicia and Pine Hill	1/22/2025 10:42 AM
236	No city people just nature lovers down to earth no bidding wars for houses	1/22/2025 10:42 AM

239	Restrict trucks from driving on Rte. 28.	1/22/2025 10:38 AM
240	A market in pine hill	1/22/2025 10:36 AM
241	Love all	1/22/2025 10:36 AM
242	The natural setting it has always been (wildlife, forest's) Undisturbed free of over developed areas and pollution (Noise, garbage, in our streams and on our roads).	1/22/2025 9:36 AM
243	More diversity while still keeping the core of our town the same! Safety nets in place for citizens when it comes to housing. More arts and culture!	1/21/2025 9:04 PM
244	More job opportunities	1/21/2025 5:51 PM
245	More young families to help the community grow, safer roads for walkers and cyclists and cell phone service.	1/21/2025 2:17 PM
246	A multi-generational thriving community full of local businesses and craftspeople. Less isolationism and a robust economy that is not controlled by the few. Bring back the Town Tinker!	1/21/2025 11:22 AM
247	all of us working together to build a strong community	1/21/2025 9:10 AM
248	a place where nature and human kindness flourished	1/21/2025 8:04 AM
249	I would get rid of all the ticks! Not sure how, but that would be a great thing. I would also like to see emotional trauma services made available for community members. My dream for Shandaken is that it becomes a vibrant community where everyone's needs are met and all citizens are encouraged to thrive and share their unique gifts, not only for their benefit, but for all of society's.	1/20/2025 11:46 PM
250	Fix up all of our old run down houses for good people to live in. Grow food. Be a safe haven in a stormy world.	1/20/2025 11:24 PM
251	Tight knit community working together	1/20/2025 9:14 PM

252	a balance between peoples' homes and a place where respectful travelers want to visit and spend time in nature, would love a paved walkway/trail along the Esopus for public use	1/20/2025 8:50 PM
253	Keep it from getting more gentrified. Keep Main Street as it is but full of thriving businesses	1/20/2025 8:39 PM
254	A sweet, lightly busy little town of Phoenicia with trees and places to sit around them, Pine Hill would have sidewalks, the speed limit on 28 would be obeyed at 45-50 mph, there would be a stoplight at the intersection of 212 and 28...	1/20/2025 8:04 PM
255	Simply, I wish the Shandaken Historical Museum got the recognition it deserved. I did not care for Shandaken for the longest time even though I grew up here. Kathleen and the museum taught me to love it.	1/20/2025 7:38 PM
256	Turn Phoenicia elem school into a public facility. The gym! The cafeteria! The class rooms. Public housing, offices, multi use space , a food coop Adult education courses	1/20/2025 7:22 PM
257	I can't go back so please insert appreciation for the volunteer fire and EMT s as something wonderful i would hate to lose.	1/20/2025 6:06 PM
258	I would like to see the Ashokan Rail Trail extended west from Boiceville into and through Shandaken, all the way up to the Belleayre Ski Center in Highmount.	1/20/2025 4:46 PM
259	New zoning regs, real estate transfer tax, better cell service,	1/20/2025 3:11 PM

266	The Belleayre Resort project. What a shame this was killed.	1/16/2025 9:20 PM
267	Creating affordable housing and bringing in businesses where local residents can earn a decent wage and raise their children in a safe community.	1/15/2025 5:13 PM
268	A Rail Trail connecting Pine Hill to Phoenicia and a revamp of the lands between the Esopus and Main Street to create a waterfront park with paths and benches, etc.	1/9/2025 12:20 PM
269	I would like to see it become an easier place to live but not see it become stripped of its vast natural beauty. Maybe that isn't that big, but that is what is big to me.	1/7/2025 7:22 PM
270	Ecotourism resort(s) w "trolley service to local businesses, ski/zipline into PH	1/7/2025 2:02 PM
271	I think the town is making a HUGE mistake by not taking action and trying to move to the Phoenicia school. The building is clearly in better shape than current town hall. Location is everything and if the wrong group gets hold of that large structure, who knows what can happen. It would be nice to see something positive happen instead of watching the same thing happen to West Hurley Elementary happen 20 miles away. Bold moves may need to happen, but if we miss this its a BIG miss.	1/7/2025 12:05 PM
272	More arts and festivals, 4 season tourism, more locals building sports events, music festivals, restaurants. We need a way to grow young people into	1/7/2025 9:57 AM

adults who remain here and invest in their own community.

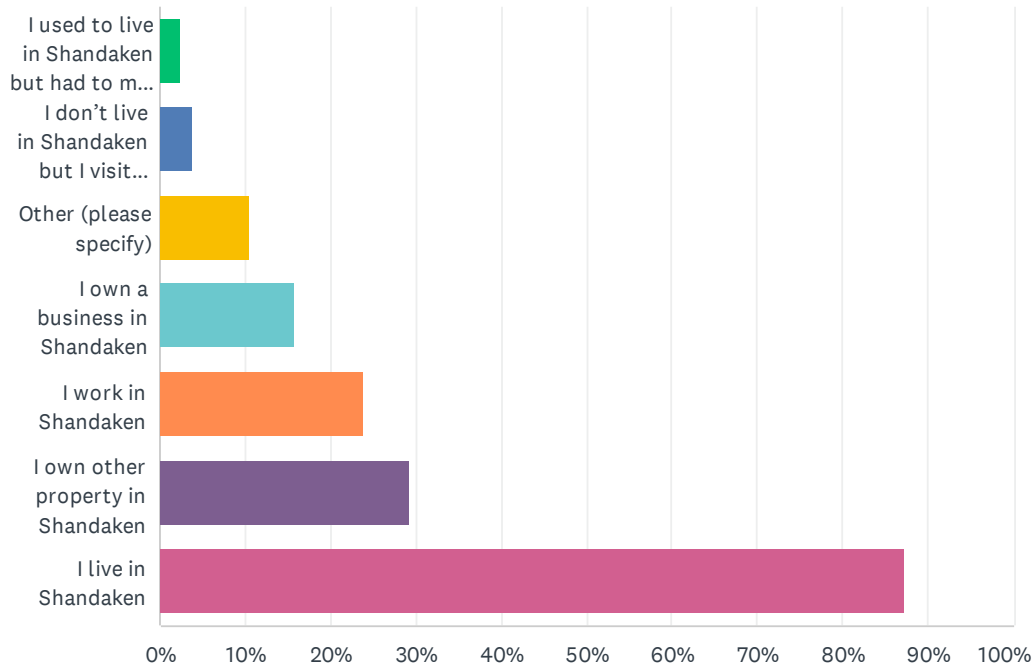

273	I would be happy if we could just communicate with the rest of the world	1/6/2025 4:30 PM
274	Wonderful community center for all ages with childcare and community building activities for all ages at the sad Phoenicia Elementary School site!	1/6/2025 12:38 PM
275	Keeping it as natural as possible with less regulations More rail trail places. A place where youth can hang out or a service to help adults who are working and need a place for their kids to be before and after work	1/6/2025 5:31 AM
276	Revitalization of Pine Hill Main Street.	1/5/2025 10:21 PM
277	Cell service and broadband, a beautiful healthy market in downtown Phoenicia with affordable groceries, a community center in Phoenicia, more affordable housing options for families, wildlife bridges to cut down on bears, deer, other wildlife being hit, ban on lead bullets and rodenticides, more educational programming around conservation efforts	1/4/2025 10:19 AM
278	I honestly do not know	1/3/2025 4:19 PM
279	Prosperous town and community	1/3/2025 3:10 PM
280	Cell tower, no floods.	1/3/2025 3:07 PM
281	A place where tourists and residents get along, and some of the blighted properties look better. Maybe turn some more front yards into meadows...	1/3/2025 2:52 PM
282	Self sufficient living	1/3/2025 1:33 PM
283	It would be a bustling town with good quality businesses and services.	1/3/2025 8:19 AM
284	Thriving town with access to quality food (restas and groceries) with focus on preserving nature.	1/1/2025 11:35 PM
285	Just as a lot of small houses are better to live in than big barns of places, I think we should dream small: Let's improve and perfect what we have rather than randomly expanding.	1/1/2025 11:20 PM
286	Phoenicia would be a thriving community attracting a larger number of tourists, and small businesses would thrive.	1/1/2025 11:20 PM
287	Major change in Albany. Move some of the funding given to illegal aliens and target it to the rural upstate towns of Shandaken, more awareness of the plight of Shandaken and its downward trend relative to its past culture and productivity.	1/1/2025 9:37 PM
288	Attract small, bespoke type craftspeople and the supporting businesses that accompany those industries.	1/1/2025 9:14 PM
289	Plenty of local options for shopping, groceries, and staple items, so we can all attempt to avoid the dreaded Kingston run, or -- worse -- crap from Amazon. I'd love to keep more of my money right here in Shandaken, even if that means paying a bit more. This also fosters community and getting out of the house a bit!	1/1/2025 4:39 PM
290	We could build a community center that could host events, small businesses, provide shelter in case of environmental disasters.	1/1/2025 3:25 PM
291	I think it should remain a preserved region of forests, mountains, and clean water.	1/1/2025 11:59 AM
292	A local transfer station/ garbage solution. Dependable cell access across the entire town. Much better public transportation. Local access to better healthcare (doctors, dentists, etc). More stores/basic grocery access.	1/1/2025 11:52 AM
293	A grocery store that doesn't suck.	1/1/2025 10:41 AM
294	More vibrant opportunities for a social life, CELL SERVICE, and food shopping.	1/1/2025 10:26 AM
295	It would look a lot like it does, but there would be	1/1/2025 10:18 AM

	affordable housing for families, more shops open, and better infrastructure.	
296	Having cellular service throughout the town, more job opportunities for our youth, and more affordable housing.	12/31/2024 11:18 PM
297	Cell service, sewer, and in a perfect world, best stream management practices would insure a safer environment during weather events.	12/31/2024 11:16 PM
298	It's not big, maybe be like it was in 1960's to the mid 80's. Vibrant villages and more families with children, neighbors actually caring and looking after one another	12/31/2024 8:41 PM
299	Preservation of wilderness resources, climate resiliency.	12/31/2024 6:21 PM
300	Having more community spaces to meet and organize. Thriving towns and local businesses. Cellular coverage for safety	12/31/2024 3:22 PM
301	Putting into our local government, recognition of nature as our biggest asset here. We need to do more to protect it, better stream management(the DEC/DEP sometimes make it worse) sticter laws about outdoor lighting and noise pollution. And even LESS STR's. A community that calls for families to make their homes here.	12/31/2024 1:20 PM
302	A pair of dense and bustling main streets in Pine Hill and Phoenicia. Housing opportunities for everyone who grew up here to not have to be pushed out. Tons of volunteers for our fire departments, food pantries, and environmental groups. In-town child care from 6 weeks old to school-age. Quality housing to age into for our elders, where they feel proud to live there.	12/31/2024 11:13 AM
303	Significant investment in flood control in the areas in and around Phoenicia	12/31/2024 10:47 AM
304	A water system that works. Then promote business to come.	12/30/2024 4:10 PM
305	Smart growth with jobs that allow the youth to stay	12/27/2024 6:37 AM
306	Every Main Street having stores, restaurants, and bars open welcoming locals and travelers.	12/25/2024 12:24 AM
307	A protected natural town with limited and curated growth, affordable to all residents, a community that respects its natural Resouces and fosters good management practices.	12/23/2024 9:24 PM
308	Our Ski areas can find year round income and the bears would not be hunted.	12/23/2024 3:28 PM
