Between calls for service, the Ambulance service has been extremely busy with the on boarding of new employees, and working with the New York State Department of Health, new Medical Director, and our independent consultant to incorporate the latest best practices into our EMS operation. Many thanks to our existing employees that have gone out of their way to help- particularly Deputy Chief Michael Williams whom has, along with on-duty staff, collectively done their best to show our new talent the ropes.

Of note – May is one of our busier months for mountain rescues. At the sake of sounding like a broken record, please be prepared for your hike, and understand that if we must respond to help you at the top of a mountain it takes finite resources away from our entire area. Most recently we had a hiker that ate a food that they were allergic to on the top of one of our high peaks – don't do that. A little common sense will go a long way- and get you over the mountain successfully.

The Monthly Report for The Shandaken Historical Museum for April 2026

Long time museum board member Jonathan Baldwin, beloved husband of Katherine Ellen Stringer, passed away on April 5th. Jon was a resourceful, and dedicated board member who will be greatly missed. There will be a small memorial service held at the Museum on Saturday, May 9th from 1 to 3pm for family and friends.

On Friday, April 17th, the Museum celebrated National Poetry Month by participating in the 2026 annual Pine Hill Poetry Walk hosted by the Morton Memorial Library. The poetry walk began at the Shandaken Historical Museum and was attended by a half dozen poetry buffs then continued around Pine Hill to end with a final poetry reading at the Morton Library. To honor the work of the library's founder, Professor Henry Morton, I read and displayed a number of his beautifully illustrated books and poems and discussed his illustrious career as it pertained to world culture and the history of Pine Hill.

Shandaken historian Paul Misko will be giving an audio-visual presentation called "The Life of a Revolutionary War Soldier" at the Museum on May 16th from 1-3pm to kick off our initial celebration of the 250th anniversary of our nation's founding. He will discuss local historical events as well as the many of the hardships that most soldiers experienced, along with details of some of the equipment they used. He will also tell accounts of their day-to-day lives, some sad, some disturbing, and some very funny.

Currently the Museum is also working with military historian Larry Maxwell to produce an authentic Revolutionary War reenactment celebrating the 250th anniversary of the signing of the Declaration of Independence. His presentation will include a full-fledged revolutionary war reenactment staged on Saturday, Sept. 26th in Big Indian Park. Stay tuned for big fun!

The Museum will be busy this summer celebrating Shandaken's rich history at a number of exciting local events this summer. – from Pine Hill Pride Day, to the Big Indian Park Music Festival to the Shandaken Eagle Day Celebration and the nation's 250th birthday, the Museum will provide an astute historical perspective to help educate and celebrate Shandaken's history for all residents and tourists.

The museum had over 35 visitors in April. Many leaving generous contributions and messages of thanks and appreciation. Respectfully submitted, Joseph Prieboy Director The Town of Shandaken Historical Museum

**ACCEPTING ADDENDUM TO THE LOCAL FLOOD ANALYSIS REPORT
FOR HAMLETS OF SHANDAKEN AND ALLABEN**

WHEREAS, the town of Shandaken in 2017 enlisted the services of the Town Engineering Firm, then Milone and MacBroom, Inc. (MMI) to conduct a Local Flood Analysis (LFA) for the Hamlets of Shandaken and Allaben to investigate multiple options for flood reduction and resiliency projects within the study area in order to qualify for design and implementation funding through certain programs; and

WHEREAS, in December of 2017 MMI made a presentation of findings at a public meeting with the Town Board, including feasibility of the options investigated and determined the most economically viable options using a Benefit-Cost Analysis (BCA); and

WHEREAS, the Shandaken Town Board members and the Shandaken Area Flood Assessment and Remediation Initiative (SAFARI) held a public comment period with no comments issued; and

WHEREAS, the LFA for the Hamlets of Shandaken and Allaben was accepted by the Town Board on February 6, 2018 by Resolution No. 50-18; and

WHEREAS, the accepted LFA report designates seven (7) facilities as critical facilities, and

WHEREAS, in 2020 New York State published the Community Risk and Resiliency Act (CRRRA) Flood Risk Management Guidance, which encourages that locations of critical facilities avoid **the 0.2% annual chance (500-year) floodplain when alternatives are available, or that construction of critical facilities is to include 3 feet of freeboard above base flood elevation,** and

WHEREAS, in March of 2026, SAFARI prepared an amendment to the accepted LFA report so that recommendations for critical facilities would be consistent with NYS CRRRA guidelines, with support from the committee's technical advisors including the Ashokan Watershed Stream Management Program; and

WHEREAS, the Town Board recognizes the opportunity to relocate its own critical facilities and co-locate facilities with Ulster County on land outside of FEMA-designated flood zones, including the 0.2% annual chance flood zone (Zone X-shaded) for the protection of government assets and continuity of operations during natural hazard or other events to ensure the safety and well-being of its residents and businesses;

THEREFORE, BE IT RESOLVED that the Town of Shandaken Board hereby accepts the Addendum to the LFA Report, prepared by SAFARI in March 2026, and that the Town Board seek funding for any such feasible projects and report back to the public on any progress towards actions recommended in the LFA and Addendum.
